Countertop hot food holding that's quick-to-pick, quick-to-serve.

Metro HotBlox® Xpress cabinets improve quality & productivity by putting hot food at your fingertips to pick, assemble, and serve more efficiently.

Compact Design

fits on or above the counter for instant access to food.

Easy Access

Quick-flip Doors & Adjustable Shelves provide effortless picking of food orders.

Hold Crispy or Moist

Superior Venting

provides flexibility to hold crispy or moist food.

LED Lighting

improves visibility to speed up order picking & display food prominently.

allows for more counter space to assemble orders & facilitate access.

NEW EQUIPMENT SOLUTIONS FROM HATCO

Retractable Decorative Lamp Option

Hatco's new retractable Decorative Lamp option makes repositioning your shade a breeze.

- Available for all retractable-eligible shade styles (not available for DL-2100, DL-2200, DL-2300 & DL-2400)
- Smooth operation and improved reliability
- More precise setpoints
- Lower profile cord with no steel cable
- Available in all wattages: standard (DL), high watt (DLH) and luminaire (DLL)

Note: Cannot be ordered as a replacement part for existing lamps.

Dry Soup Wells Solution

Hatco's Dry Soup Wells offer a plumbing-free solution for rethermalizing or holding food at safe temperatures. Both the built-in and countertop units offer the same intuitive user interface, four customizable presets and six preset temperatures.

- Gentle, even heating without the need for water
- Features an intuitive, interactive user interface
- Adjustable stir timers indicate when it's time to stir
- Automatically transfers from rethermalization to hold
- Features a screen lock to keep anyone else from tampering with the controls
