ROLdoûr

Retractable Waterproof Fabric Door

Campervan / RV / Motorhome Shower Doors

ABOUT

ROLdoûr BESPOKE

ROLdoûr is our signature retractable fabric door, expertly designed to maximize space and add a touch of modern functionality to campervans, RVs, and tiny homes. Crafted from lightweight, waterproof, and durable materials, ROLdoûr offers a practical solution where every inch counts—without compromising on style.

Available in a wide range of frame and fabric colors, each ROLdoûr is custom-made to fit your exact requirements. The waterproof 100% polyester fabric with a resin coating ensures long-lasting performance, while the smooth, retractable mechanism makes operation effortless.

Whether you're looking to separate living areas, create privacy, or simply make the most of your compact space, ROLdoûr delivers reliable, space-saving versatility. With quick installation, easy maintenance, and a design that blends seamlessly with any interior, ROLdoûr is trusted by van converters, homeowners, and adventurers worldwide.

Discover the smart way to save space—without sacrificing quality or comfort.

Unveiling the ROLdoûr

The ROLdoûr is engineered for vanlifers and trade professionals seeking a sleek, reliable, retractable shower door.

Its robust polyester screen glides smoothly to maximise your living space while delivering a contemporary look for any camper conversion. Each ROLdoûr can be custom-built to guarantee an easy, leak-free fit—perfect for tight layouts and unique builds.

We also offer various Pre Made height options for quick delivery service.

Choose ROLdoûr for silent operation, outstanding durability, and excellent privacy, making it the benchmark in compact mobile shower enclosures.

Features & Benefits of ROLdoor

Features & Benefits

- **Custom-Made Fit:** Precisely made-to-measure, creating a perfect seal with no leaks or gaps.
- **Bold Personalisation:** Choose from 11 frame and 3 fabric colours to match or accent your interior.
- **Waterproof & Blackout:** Resin-coated polyester is fully waterproof, easy to clean, and blocks light for privacy.
- **Magnetic Closure:** Full-length magnetic strip for secure, rattle-free travel and peace of mind.
- **Premium Aluminium Frame:** Tough yet lightweight—resistant to warping, rust, or cracking in damp conditions.
- **Flexible Installation:** Recessed or overlapping mount suits any shower design.

11 Frame Colours Options

White – Clean and classic, perfect for brightening up any space and matching modern interiors.

Apple Gold – A warm, subtle gold with a hint of luxury, great for adding a touch of sophistication.

Dark Grey – Sleek and contemporary, ideal for a modern, understated look.

Light Brown – Soft and natural, brings warmth and a cozy feel to your interior.

Dark Brown – Rich and earthy, perfect for traditional or rustic spaces.

Red Brown – A deep, reddish-brown that adds character and a bold accent.

Gloss Black – Striking and dramatic, makes a statement in any setting.

Gloss White – Bright and polished, offers a modern, high-shine finish.

Golden Oak – Classic wood-effect, brings a timeless, natural touch to your space.

Gloss Grey – Smooth and modern, with a subtle reflective finish for a sleek vibe.

Flash Grey – A cool, metallic grey for a contemporary, industrial-inspired look.

3 Fabric Colours Options

- **Light Grey:** A modern, versatile shade that brightens up small spaces and pairs easily with any interior style. Perfect for those who want a clean, airy look.
- **Dark Grey:** Sleek and sophisticated, this option adds a touch of luxury and helps create a cozy, private atmosphere—ideal for blackout or privacy needs.
- **Cream:** Warm and inviting, cream brings a soft, neutral touch to your space. It's great for creating a calm, comfortable vibe and works beautifully with both classic and contemporary interiors.

Frame Measurements

- Frame Measurements of the ROLdoûr:
- Lower Track: 30mm height x 20mm depth
- Top Track: 30mm height x 20mm depth
- Cartridge: 60mm width x 50mm depth
- Handle: 45mm width
- Combined Cartridge and Handle Width: 105mm from outside edge to inside the frame
- End Frame Door Stop: 15mm width x 20mm depth

When ordering a custom-made ROLdoûr, the size you provide should be the external measurement of the ROLdoûr frame, not just the opening size.

Cream Fabric

Dark Grey Fabric

Cleaning Care Guide

The ROLdoûr screen is removable and very easy to clean. Just wipe both sides with a damp cloth and a little mild detergent. For extra protection, quickly spray the fabric side with a fabric protector before using—reapply when needed.

We recommend Scotchgard's Dry Fabric Waterproof Shield to help your ROLdoûr last for years.

With regular care, your ROLdoûr will stay looking fresh and work perfectly for a long time.
