# OUR AGENCY

For more than thirty years Sutton's mission has been to provide business entities and those persons representing them with all available, credible, and legally defensible information needed to make an informed business decision.

# DUE DILIGENCE

When considering a business transaction, choosing a service provider or contemplating a partnership, you need to protect your interests.

Due diligence goes beyond confirming claims made by individuals and organizations. This service establishes reputation, ethics, and reliability, while also identifying litigation history, and potentially adverse information.

- ✔ Build a Safer NIL Community
- ✔ Protect Athletes
- ✔ Establish Trust in Service Providers
- ✔ Reduce Risk in NIL Contracts

# WHAT WE OFFER

## IN-DEPTH INVESTIGATIONS

Specializing in background and due diligence investigations. Sutton Associates has the resources and experience to provide in-depth analysis of individuals and companies.

## TRANSPARENCY

Our due diligence investigations provide insight into businesses and individuals that operate in the NIL industry. Providing a clear picture of their reputation, ethics, and litigation history.

## A REGULATED REGISTRY

A well-maintained registry is an essential tool for effective management, ensuring that service providers are properly vetted, monitored, and supported.
