Travel Better with Badgers

When you embark on an Alumni Travel tour with the Wisconsin Alumni Association, you see the world in a whole new way. That's thanks in large part to the fellow Badgers you travel with – a group that, like you, shares an affinity for the UW and a desire to dig more deeply into a destination.

So, come along with us and enjoy reminiscing about campus days spent along Lake Mendota's shores while you cruise the Mediterranean coast. Or recall hikes up Bascom Hill while you marvel at the magical heights of Machu Picchu. The new memories you make on such journeys may be topped only by the new friends you meet. And don't be surprised if some become so close that you decide to take future trips together. I see it happen often – and it's great!

In 2026, we'll visit 54 different countries and six continents. (Watch for an Antarctica tour in 2027!) You're sure to find a place that's right for you. The same goes for the type of trip you want to take: in these pages you'll find ocean cruises, river cruises, land tours, and rail tours (an increasingly popular way to travel).

We've got everything you need to make your next dream getaway a reality. The details are taken care of by our trusted tour operators; the camaraderie and UW pride are included with every tour; and educational elements are woven throughout. Now you just need to *Travel On!*
