About Today's Host

We promote fitness, wellness, and inclusion in the community.

The Unified Special Hockey of Maine's Highlanders team will take on the Bruins Alumni as part of the **"Witches Brew" Adaptive Hockey Games and Spooktackular Fun Weekend** held at Bowdoin College October 18 - 20. All funds raised by players through this fundraiser will be used to match a grant for helmets and purchase loaner equipment for families that need it.

Thank you for supporting our team!

Unified Special Hockey of Maine is a nonprofit dedicated to serving individuals with intellectual, cognitive, developmental, and physical challenges through programs for adaptive skating, adaptive hockey, and a variety of fitness, wellness, educational, and social opportunities.

Our New England Adaptive Teams

Unified Special Hockey of Maine is a nonprofit organization dedicated to serving those with intellectual, developmental, and physical challenges through skating and the sport of hockey. We are committed to raising awareness about all of the disciplines of USA Adaptive Hockey, building community bridges, providing an inclusive environment of learning, mutual respect, fun, and a sense of community for all of our athletes and their families. We currently have three full time program locations at UMaine Orono, Colby College, and Bowdoin College. We also have a summer program in Falmouth and Orono. We are proud to have the opportunity to combine our roster to join forces with the Lewiston PAL athletes for our practices and our weekend event roster.

The East Coast Jumbos is a not-for-profit athletic organization whose main goal is to provide a positive athletic and social experience for athletes with Autism and other developmental disabilities through the great sport of ice hockey. Starting in 2007 with only five players, the Jumbos has grown to be the premier special hockey program in the Northeast. Jumbos now has over 50 athletes ranging in age from seven through adulthood. All ages and levels are welcome, and all players are encouraged and fostered to meet their goals and explore their potential.

WE OPERATE THE ONLY INCLUSIVE AND EXTENSIVE ICE HOCKEY TEAMS ON THE South Shore AND CAPE COD

Hockey IS for Everyone
Sports should be inclusive, fun, and accessible to as many people as possible. When it comes to ice hockey (a hometown favorite), THE GREAT BLIZZARDS is the team for everybody without a team. We teach and coach and engage in all-inclusive hockey out of the Kingston Bog Ice Arena and the Tony Kent Arena in S Dennis on the Cape. With friendly, experienced coaches and assistant coaches and an emphasis on blending challenge with fun, we bring skaters of all skill

The Maine Blind Bears are a team of visually impaired and legally blind athletes with an amazing volunteer base of sighted players as well. Our Witches Brew Adaptive Awareness Weekend roster is composed of athletes from all over New England and as far as New Jersey and Chicago. We have come together for this weekend event to help promote and shed some light on Blind Hockey and celebrate the talent and skills of our collective group of athletes. Check us out on our Facebook Page: Maine Blind Bears

ST. ALBANS LEAFS

The mission is to enrich the lives of individuals with developmental disabilities through increasing players' personal development and self-confidence on and off the ice by Having Fun, Learning Team Work, Building Friendships, Increased Physical Activity, and Gaining Confidence. The athletes' journey begins with our Learn to Skate program where we teach the very basics needed. They can then progress to several different tracks including special hockey or youth hockey. Our policy of inclusion allows anyone to try something they may have never thought possible.

The Boston Bruins Alumni Association is pleased to have you join us at our games and hope you will enjoy our event. We strive to be one of the finest organizations of its kind throughout the New England area.

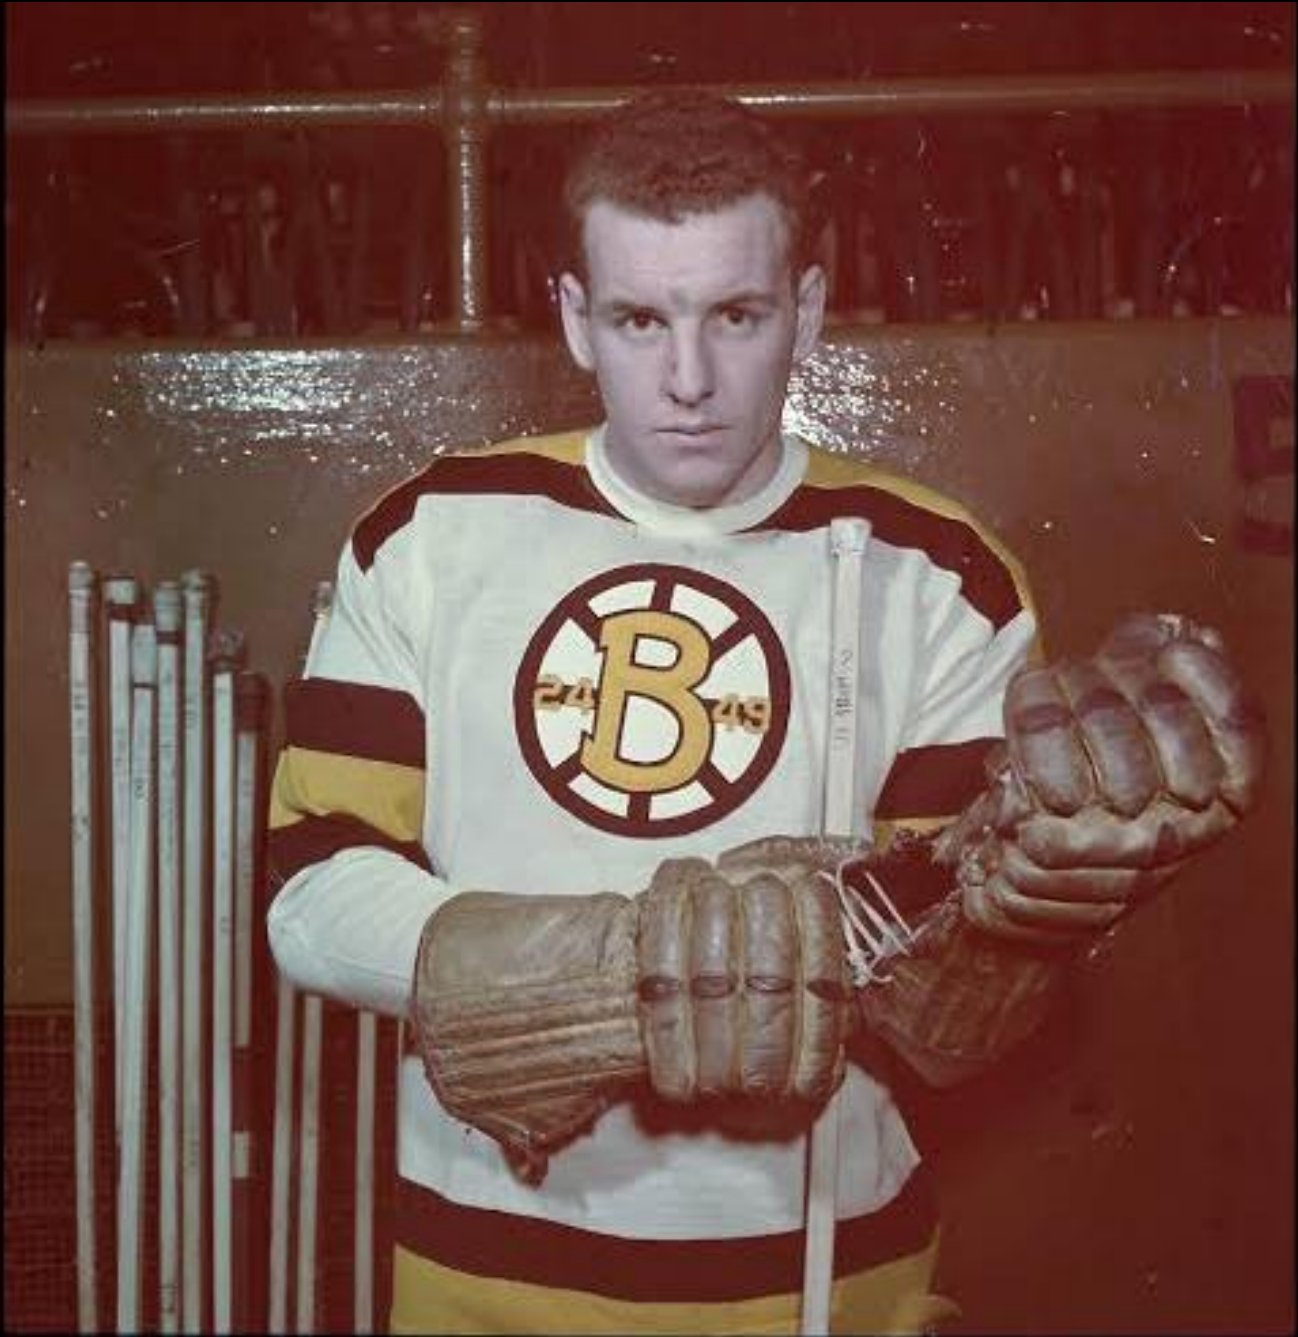

This season the Bruins Alumni are looking forward to another productive season. We want to thank Ed Sanford, John Bucyk, Bob Sweeney and Rick Middleton for their contributions as Alumni president and many years of outstanding service. Without their leadership and dedication, the Bruins Alumni would not be what it is today. We will strive to be as successful in our endeavors as they have been over the past 56 years.

Our Alumni Association has raised more than \$12 million for local charities and youth hockey programs. It is through the support, generosity and interest of you and our sponsors that we have been able to achieve that goal.

When the Bruins legends skate onto the ice, hockey history comes alive again. We hope you enjoy our games, and again, we are most grateful for your support.
