About the Builder

Terra Construction Group brings an impressive track record of quality, value, and experience to every new home they build. In business for collectively more than 70+ years, the principals of Terra Construction Group and their companies have delivered many homes to families in Nassau and Suffolk Counties.

Each is a testament to the quality building practices of the family-run Terra Construction Group. One of the many things that set Terra apart, is their testament to customer service. They recognize the excitement and adventure associated with building your dream home but also understand that there are many things that can leave a homebuyer overwhelmed during the process. Their development team strives to make that process easier; from application, financing, design, and finish selection to move-in day.

Mission Statement: Provide enduring quality and value through building the highest quality of homes while delivering a relaxed and refined buying process.

About the Broker

Peter Musso has over 20 years of experience in real estate investment, management, development, and brokerage. From being involved in Long Island's most notable transactions to managing over \$3B of multifamily/mixed-use assets nationally and internationally, he has done it all. His experience enables him to provide a well-rounded perspective in representing his clients. Notable assignments include: Sycamore Estates (18-Lot Subdivision: \$26M sell-out) / Precision Innovation Park (\$8.25M: 48-Acres by national developer yielding 500,000 SF of distribution and storage space) / The Villas at East View (exclusive broker for 100 Luxury Rental Community) plus over 50 other subdivisions throughout Long Island. His reach is beyond Long Island. He holds a BA from SUNY Albany, MS in Real Estate from CUNY Baruch, and is a member of the Advisory Board at CUNY Baruch's Real Estate Institute. He was born in Brooklyn, grew up on Long Island, and now lives on Long Island's north shore, where he spends time with his wife and three boys.

Paul Musso is synonymous with Long Island real estate. With over two decades of experience in residential, commercial, and investment real estate, Paul has built a career defined by record-breaking sales, impactful development projects, and a passion for educating fellow professionals. Today, he stands in a class of his own as the go-to expert and source of land for builders, investors, and homeowners. Notable assignments include: Sycamore Estates (18-Lot subdivision: \$26M sell-out) / Locust Cove (18-Condo Development) / The Loft (31-unit apartment building), Liberty Landing (59 Apartments) / Precision Innovation Park (\$8.25M: 48-Acres by national developer yielding 500,000 SF of distribution and storage space) / The Villas at East View (exclusive broker for 100 Luxury Rental Community), plus over 50 other subdivisions throughout Long Island. Having been featured in media outlets including The New York Times, The New York Real Estate Journal, Long Island Business News, Newsday, Paul continues to leave his mark as an industry leader. In the past, he was a coach for Daryl Davis Seminars, speaking to realtors throughout the country, served on the Realtors Political Action Committee, Long Island Builders' Institute Associate President, and participated in the Long Island Fight for Charity. He was born in Brooklyn, served in the United States Army, is a Lifetime Board Member of the Long Island Builders' Institute, a Director in the Smithtown Chamber of Commerce and enjoys spending time with his daughter.
