# Welcome

Cadco NI Ltd is proud to support Ulster Schools' track and field, and sponsor this year's Championships. We are delighted to be associated with an event that celebrates the talent, dedication and determination of young athletes across Ulster.

I would like to thank the teachers, volunteers and organisers whose hard work makes these championships possible each year.

On behalf of Cadco, I wish all athletes and organisers an enjoyable and successful event.

# Rory Friel

Ulster Schools' Athletics was deeply saddened by the untimely death of Rory Friel, one of the stalwarts of schools' athletics, in September 2025.

The word legend is often overused but, in Rory's case, it is a fitting description of his unstinting contribution to our sport and, in particular, schools' athletics, over many decades.

Rory filled many roles down the years; coach, administrator, official and two spells as Chairman of Ulster Schools' Executive. He brought a wealth of knowledge, experience and positivity to everything he did.

I first met Rory when we did our senior coaching qualification together in the early 1990s, and so began a friendship and a coaching rivalry that took Rory from Hazelwood to Shimna and, eventually, St Colman's College in Newry through Annadale and Lagan Valley Athletics Clubs, always spreading the 'gospel' of athletics to the young people lucky enough to have him as PE teacher and coach.

Stopwatch in hand, the lap times always a fraction quicker than the rest of us, Rory was a familiar sight trackside from Antrim to Tullamore and beyond. Each Autumn, I would get a call from him telling me about the incredible mini team he had this year - often he was right too - and it was fitting that his final cross country season was undoubtedly his most memorable, as he guided St Colman's to take the title of top overall school in Ulster for the first time and then to double All-Ireland gold in Galway.

The impact Rory had on generations of athletes was clear to see at his wake and funeral, as those he had mentored and encouraged over many decades gathered to say farewell to a man who made an incalculable contribution to so many people, helping them to achieve things they probably never thought they could, and he was doubtless smiling down as St Colman's took two more Irish cross-country titles at Mallusk in March, his impact still reverberating throughout schools' athletics.

It was lovely to see the heartfelt tribute paid to Rory at the Mini London Marathon, just a few weeks ago, an event he championed for Northern Ireland's best young athletes over many years. He would have been immensely proud to see young Harry McVeigh finishing 2nd in the U14 race and the NI team first overall.

Rory's sudden passing was a huge shock to all who knew him, but his legacy lives on in all those he helped, supported and encouraged. His immense contribution to schools' athletics will be long-lasting and long remembered.  
May Rory rest in peace.

Chairman USSAA
