76" / 1.9 m

G-18003

Our “all-purpose” climber! With moderate dimensions and designed for a broad age group, this new climber can solve a variety of playground planning challenges. The six legs of this mysterious animal support a bed of cables located at a moderate height, providing easier access for younger children and those with reduced mobility. In addition, moving part sets, which come in a variety of colours and shapes, are mounted to the front tubes to help build fine motor skills.

TECHNICAL FEATURES

- Canadian aluminium frame (lifetime warranty)
- High density polyethylene (HDPE) walls (10-year warranty)
- Stainless steel hardware (lifetime warranty)
- Large selection of colours

Note: Product features subject to change without notice.
