JA Titan

Future Business Leaders Start Here.

What is the JA Titan Experience?

JA Titan is our most immersive experience connecting in-classroom learning to real-world opportunity, and supporting educators in teaching critical workforce and career readiness skills.

Students...

- Learn Business Economics.
- Are placed as the CEO of cell phone companies.
- Navigate decisions around production. R&D, Marketing, and CSR.
- Build professional networks and are mentored by local business leaders.
- Have the opportunity to compete nationally.

Success Points

2025 student survey data
AGREE/STRONGLY AGREE
“The JA Titan Experience...”

92%

“helps me feel empowered to make my own career choices.”

86%

“helps me envision my future career.”

93%

“is valuable, and I would like to participate again.”

“Critical reskilling, reimagining the K-12 and higher education pipelines, and practicing smarter workforce planning” are solutions to a looming nationwide workforce shortage.

-Society of Human Resource Management

Student focus groups from a 2020 McRel International Study found students were more engaged in learning when teachers offered multiple connections between the content and the outside world.

-The “Silent Epidemic” Finds Its Voice Demystifying How Students View Engagement in Their Learning

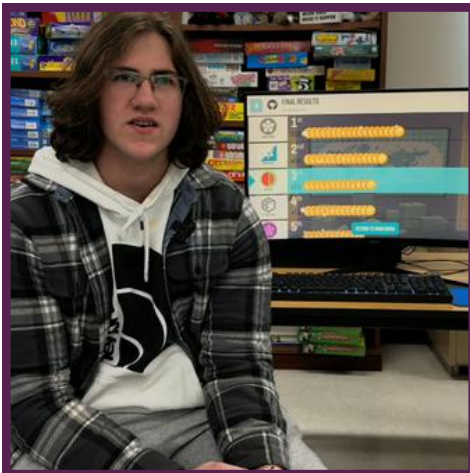

JA Titan meets these workforce solutions; as well as provides career connected learning and out of classroom experiences.

Cultivating Future Business Leaders.

"I truly believe JA Titan has prepared me for my future career in business. I love everything that JA stands for."

-Jessica, JA Titan Participant, UMaine Presque Isle

Colby, an Oak Hill High School graduate, was inspired to not only apply to college, but major in marketing after experiencing JA Titan.

"The gamification of learning through JA Titan makes its lessons much more interesting and approachable to students."

-Mr. Pearl, Yarmouth High School

State champions of JA Titan compete nationally at JA Future Bound.

This provided the 2025 state winners with the opportunity to

- *Represent their team in the media through a TV interview*
- *Stay on campus at Georgia State University*
- *Participate in professional development sessions*
- *Network with high school students from across the country*

**Partial funding from the Premier and North and South Victory Sponsorships supports travel expenses for the two state-wide winning teams to travel to the national JA Future Bound competition in spring of 2026. This is a unique sponsorship opportunity for your company to have extended visibility, as JA Future Bound takes place three months after JA Titan concludes, and your company's name and/or logo is paired with digital and social posting on the state-wide winners' journey to the national competition.*
