JA Titan

Future Business Leaders Start Here.

What is the JA Titan Experience?

JA Titan is our most immersive experience connecting in-classroom learning to real-world opportunity, and supporting educators in teaching critical workforce and career readiness skills.

Students...

- **Receive 5-weeks of in-classroom learning on Business Economics.**
- **Compete regionally out of Maine businesses and universities in multi-day challenge.**
- Are placed as the CEO of cell phone companies.
- Navigate decisions around production, R&D, Marketing, and CSR.
- Build professional networks and are mentored by local business leaders.
- Have the opportunity to compete nationally.

Success Points

2025 student survey data
AGREE/STRONGLY AGREE
“The JA Titan Experience...”

93%

“helps me feel empowered to make my own career choices.”

87%

“helps me envision my future career.”

94%

“is valuable, and I would like to participate again.”

“Critical reskilling, reimagining the K-12 and higher education pipelines, and practicing smarter workforce planning” are solutions to a looming nationwide workforce shortage.”

-Society of Human Resource Management

Student focus groups from a 2020 McRel International Study found students were more engaged in learning when teachers offered multiple connections between the content and the outside world.

-The “Silent Epidemic” Finds Its Voice Demystifying How Students View Engagement in Their Learning

JA Titan meets these workforce solutions; as well as provides career connected learning in and out of classroom experiences.

Cultivating Future Business Leaders.

"I truly believe JA Titan has prepared me for my future career in business. I love everything that JA stands for."

-Jessica, JA Titan Participant, UMaine Presque Isle

Impact:

- 380 Students
- 139 Schools
- 145 Mentors
- From 47 companies

Colby was inspired to not only apply to college, but major in marketing after experiencing JA Titan.

- JA Titan participant, Oak Hill High School

"The gamification of learning through JA Titan makes its lessons much more interesting and approachable to students."

-Mr. Pearl, Educator, Yarmouth High School

2025 state champions of JA Titan competed nationally at JA Future Bound.

This provided the opportunity to:

- Represent their team in the media through a TV interview
- Stay on campus at Georgia State University
- Participate in professional development sessions
- Network with high school students from across the country

Partial funding from the Premier and North and South Victory partnerships helps cover travel expenses for Maine's two state-wide JA Titan winning teams as they apply for the opportunity to compete in the national JA Future Bound competition in spring 2026. This partnership offers your company a unique opportunity for extended visibility, as JA Future Bound takes place three months after JA Titan concludes. Your company's name and/or logo will be featured alongside digital and social media updates highlighting the state champions' journey and their participation in the national competition, if chosen.

For more information on sponsorship, contact:
 Michelle Anderson, President & CEO
 manderson@jamaine.org | 207-347-4333
