WHAT'S INSIDE THE REAL SCULPT

Our certified specialists may combine:

Cryotherapy

Targets stubborn fat cells while supporting lymphatic flow

Radiofrequency (RF)

Encourages collagen production for firmer, tighter-looking skin

Ultrasonic Cavitation

Gently disrupts localized fat for visible contour refinement

EMS (if qualified)

Enhances muscle tone and definition

Vacuum Therapy

Assists contouring while boosting circulation

Body Wrap Therapy

Supports detoxification and silhouette refinement

Peptide Therapy – Helps optimize fat metabolism, recovery, and overall performance

Every session is strategically customized to your body and goals.

THE RESULTS YOU'RE LOOKING FOR

The Real Sculpt™ may help you achieve:

- ✓ Reduced inches in targeted areas
- ✓ Firmer, smoother-looking skin
- ✓ Enhanced muscle tone and definition
- ✓ Optimized fat-burning support
- ✓ Improved recovery and overall performance

**More than reshaping
lines — this is
a holistic enhancement
to your confidence and
wellness journey.**
