# Sponsorship Opportunities 2023-2024

## ***School History***

Charters School fosters positive relationships across the whole community and we are committed to ensuring that our students have outstanding learning opportunities across a broad curriculum.

We opened our doors on 23 April 1958 with just under 400 students, and now educate over 1700 students across seven year groups. We are consistently oversubscribed and have an excellent reputation for both our academic achievement and pastoral care.

The origins of our school crest stems from the day on which we opened; 23 April is also St. George's Day and the red cross pays homage to this.

Shakespeare's birthday is April 23, and he is represented with a dagger, a key feature in many of his plays. The stag represents the county of Berkshire, which was made a Royal Borough in the same year that Charters School opened.

## **School Values**

Our core values underpin all areas of our school and we look for similar values in the organisations that we associate with.

### **UNITY**

Commit, Connect, Communicate. We support each other to become the best we can.

Students engage with their peers and their teachers.

Students prioritise communication in order to reduce the likelihood of misunderstandings.

Students show a sense of team spirit in all they do, both in and out of the classroom.

Students support each other in their learning.

Students commit to tasks in school, both for their own personal benefit and for the common good.

Students develop a commitment to extra-curricular activities as well as those which take place during the school day.

### **RESPECT**

Yourself, Your School, Your Community. We show respect to others and the environment. We listen, cooperate and learn.

Students are kind and polite to each other.

Students respect and encourage people's drive for success in their learning opportunities.

Students consider the way in which they question decisions that affect them, and think about the right time to do this.

Students adhere to common gestures of courtesy around the school site.

Students respect the opinions and beliefs of others without judgement.

### **EXCELLENCE**

Make. It. Matter. We work to the best of our ability at all times. Don't miss out - every second counts.

Students make the most of the opportunities offered to them within their school life by arriving at lessons ready and equipped to learn.

Students take advantage of all the opportunities which school offers them. Students display an attitude to learning within the classroom that promotes outstanding progress for themselves and their peers.

Students use their leadership skills to share opportunities and develop their lifelong learning skills.

Students look for opportunities to further their own learning independently at any given time.

## ***A Level Presentation Evening – £500***

This event takes place each December when we present the A Level certificates to the students who sat their examinations during the summer and is our most prestigious event.

Sponsorship Package Includes:

- Opportunity to mix with our parents and students during the drinks reception prior to the awards ceremony
- Full colour A5 advert in the souvenir programme
- Thanks across our social media platforms, sponsorship details included in the weekly update and inclusion in our Sponsorship Directory on our website
- Opportunity to present a short speech to the audience, allowing you to connect with our school community

## ***Sports Presentation Evening – £500***

This event takes place each September when we recognise the commitment of students throughout the school who take part in sports.

This is a wonderful event and is attended by students and their families from every year group. The event is split into two parts with KS3 recognised during the first half and KS4 during the second. By doing this we can accommodate double the number, and there is a completely new audience at each event.

Sponsorship Package Includes:

- Two full colour adverts in the souvenir programme – one for each part of the evening
- Exposure across our social media channels, sponsorship details included in the weekly update and a link from our website to the sponsors' page.
- Opportunity for a representative from the organisation to speak to the audience at the start of each event, thus giving a platform for your organisation.
- We can also accommodate leaflets on chairs etc. for our guests to take away.

## ***Attendance Awards – £150 for one term***

Since the pandemic, attendance at UK schools has seen a downturn, and although our attendance is considerably higher than the national average we are focused on ensuring that every student attends school on a regular basis.

Three times a year our Heads of Year select a student from their year group who has improved their attendance and they are presented with a £20 cinema voucher during the end of term assembly. We ensure that our sponsors are thanked across our social media channels, included in the weekly update which is emailed to our 1700 families, and spoken about in our assemblies. We also name the award after the sponsor; e.g. The Berkeley Homes Attendance Award.

## **Gala Dinner**

This usually takes place each spring although there are no plans for 2023/24. There may however be an option to plan an event the following year.

The Gala Dinner is the school's main fundraising event of the year and seen very much as the Jewel in the Crown of our Fundraising.
