Dear Friends,

As we gather tonight for GalaONE 2024, I am filled with gratitude and excitement as we celebrate our 30th Anniversary together. For three decades, Frisco Family Services has served as a source of support for our community by making a lasting difference in the lives of individuals, families, and seniors.

While this is a celebration, we must keep in mind our purpose and goal is to help keep families in their homes, ensure that children, seniors and families do not go hungry, and that their critical needs are met as they navigate their crisis. GalaONE represents **ONE COMMUNITY**, coming together for **ONE PURPOSE**, having **ONE big IMPACT** in supporting our neighbors during their time of greatest need. Through your unwavering generosity, Frisco Family Services has been able to assist more than **4,700** of our neighbors in crisis, provide nearly **\$1.7 million** in annual program support, distribute over **686,000** meals, and offer adult life skills classes to hundreds of clients to assist them in regaining their independence.

Being able to witness the difference our community makes by coming together to support our neighbors is nothing short of humbling.

A heartfelt thank you to our Presenting Sponsor, **Texas Health Hospital Frisco**, for their ongoing support of Frisco Family Services and our mission. I would also like to thank all of our sponsors and supporters whose commitment to our community has made this evening possible.

On behalf of our Board of Directors, staff, and the many individuals whose lives you've touched, thank you for your unwavering support and dedication.

With gratitude,

Nicole S. Bursey, MSW
Executive Director,

Evening's Talent

SCOTT OTT | MASTER OF CEREMONY

Scott Ott is the father of four, grandfather of one, and the husband of Stephanie. Scott works at Nebraska Furniture Mart, where for fun he creates apps to make the business run smoother.

He's been active in the "gig economy" since before it had a cute name, as a video host, voice actor, and website creator.

Over the years Scott has served as a Christian camp director, an elected official, and an on-air public TV fundraiser. For joy, he walks 3 to 5 miles daily and he reads widely.

DEAN MCCURRY | AUCTIONEER

Dean has been a full-time charitable auctioneer for more than 15 years. "My auctioneering career began as I was calling Bingo (as a substitute) for my kids' school," says Dean. Because the school enjoyed the way he called the game, he was

asked to return and serve as the auctioneer for the school's annual gala event. And the rest is history! To date, Dean has called over 500 auctions and raised more than \$30 million in support for varied causes.

LIVE ENTERTAINMENT

Join Party Machine as they kick tonight's celebration into high gear performing top contemporary hits as we celebrate 30 years of commitment to our community.

Our Mission:

Ruby's Story

As a senior, Ruby lives on a fixed income. When the pandemic hit, she found herself panicking in fear of how she would make ends meet. At times, she found it difficult to catch her breath.

She learned about Frisco Family Services and received rental assistance, gas cards, and access to nutritious food at the market.

She said, "It felt like heaven had dropped down blessings for me." She recalled her first trip to the market as an emotional moment for her. "I stopped in the middle of the aisle and just cried true tears of joy."

“

It takes forward thinking to change a community and ultimately the world. Frisco Family Services is a place that is forward thinking and as a result, making a difference.

The support from case management and adult life skills classes allowed her to refocus and think about her next steps. Frisco Family Services has truly been a Godsend for Ruby. She said, "It takes forward thinking to change a community and ultimately the world. Frisco Family Services is a place that is forward thinking and as a result, making a difference."
