

Fox Under The **Moon**

ABOUT THE AUTHOR

My “Fox Under The Moon” artwork series is inspired by the simplicity of everyday life, and the complicated emotions that go with it. Through my work, you will meet an anxious, but inquisitive fox, and the wise, old moon. The two become friends, and I hope that their warm and whimsical world can bring some encouragement and love to yours.

Hello. I'm Stacey!

THE TALE OF FOX UNDER THE MOON...

Created by multi-award winning author/illustrator, Stacey McNeill, Fox Under The Moon began during the stillness of the pandemic, when Stacey found herself with time to pause and create. Living in a tiny touring caravan in the Welsh countryside, she and her husband, Jamie, had left their teaching jobs in search of a simpler life after facing their own mental health journeys. It was there, in the quiet winter lockdown, that the idea for her characters first came to life.

The very first illustration was drawn for a struggling friend, when Stacey couldn't find the right card to say what she felt. Teaching herself to draw from scratch, she created a card filled with heartfelt words — and shared it online. The response was overwhelming. Messages flooded in. **People wanted more: more hope, more kindness, more ways to say the things that matter.**

Step into a gentle world where a curious little fox and a wise, comforting moon explore life's quiet moments and tender emotions.

Alongside their enchanting friends, they offer hope, comfort, and a touch of magic — just when it's needed most.

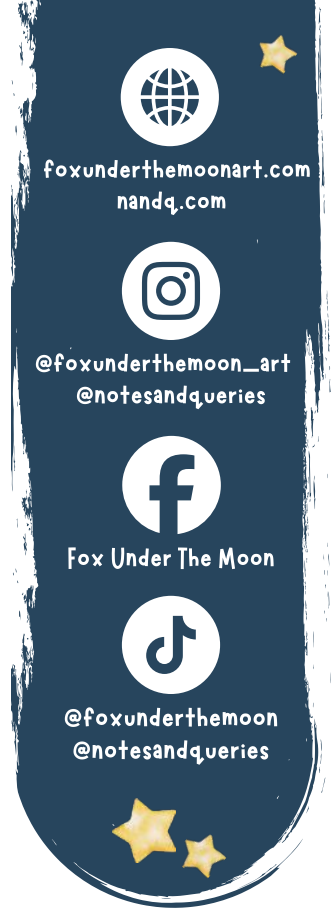

At its heart, Fox Under The Moon remains a whimsical celebration of gentleness in a noisy world... a cozy patchwork of encouraging words and illustrations for dreamers of all ages, reminding us that love, hope, and friendship are never far away.

GIFT OF THE YEAR

The husband and wife duo have won Gift of the Year three times so far — earning the People's Choice Award in both 2023 and 2024, and winning the Best Wellbeing & Accessible Gift Category in 2025 — an honor that reflects the heartfelt impact its creations have had.

What began as a personal gesture grew into a blossoming brand. Each design posted to Etsy sold out within hours. A small Facebook page quickly grew into a thriving online community. Today, Fox Under The Moon has almost 300,000 social media followers, with books, cards, and gifts, reaching kindred spirits in more than 25 countries. The collection is now stocked in over 250 independent shops across the UK, Ireland, and the USA.

In a wintry woodland, in the dark of night, a young fox talks to the wise old moon about the things that truly matter. Their conversation continues through the seasons...

How can we embrace the restfulness of winter while we wait for the hope of spring? In summer, how do we learn to love ourselves, and how can we show those around us how much we love them? And as autumn brings its changes, how do we learn to let go?

These words and illustrations will bring the gift of hope and comfort to anyone trying to navigate a world as uncertain as it is beautiful.
