# ADVENTURE IN NATURE'S CLASSROOM AT CAMP ARNES

At Camp Arnes we offer fun and adventure while also providing opportunities for education. We welcome bands, sports teams, grades and any other group your school has! We can help you plan a customized experience that you and your students are sure to remember!

## How is Camp Arnes unique?

We offer different packages that you can customize to your vision and budget. If you need a change of pace, let us create your schedule and teach your activities.

## When is the best time to come to Camp Arnes?

Anytime! We offer many activities in every season and the opportunity to enjoy Manitoba's beautiful Interlake.

## FALL

Fall is a great time to kick start your school year! When the days are getting colder, warm up with some of Camp Arnes' many activities. Your students will enjoy the beauty of the changing leaves as they fly through the air on Giant Swing. Our initiative tasks course is designed specifically to help with team building. Start the school year off strong by uniting your team in the same goals.

## WINTER

Enjoy Manitoba's winter wonderland with Camp Arnes' activities like snowshoeing. We also have a cozy fireplace and board games available for those bitter cold days. Winter is the perfect time to bring your band to camp. Thirteen sectional spaces are available to book as well as music equipment like timpani's and pianos. What a great opportunity to improve your band's skills!

## SPRING

The sunny days and crisp air of spring create a beautiful environment to enjoy your last hurrah of the school year. Climbing our high ropes course will grow your student's confidence, and time at our outdoor basketball court will encourage teamwork. Time spent at archery is always a hit or enjoy the peace and quiet of a nature walk. Your students will love finishing their school year with Camp Arnes!

# Dalnavert Museum

Dalnavert Museum offers an immersive experience with programs based on the Manitoba Social Studies, English Language Arts, and Canadian History curriculums. Our education team is happy to work with teachers to adapt our programs to meet the needs of different groups.

Rates range from \$6 to \$10 per student. Programs are generally available Wednesday through Friday during business hours. Programs booked Mondays, Tuesdays, or otherwise outside business hours are subject to an additional staffing fee.

Teachers' Guides are available at [www.dalnavertmuseum.ca/school-groups](http://www.dalnavertmuseum.ca/school-groups)

To book a program or for more information, please contact us!

**A FOREVER FARM FOR ANIMALS IN NEED**

Kismet Creek Farm is Manitoba's premier sanctuary for farmed animals. We are a forever home for donkeys, horses, cattle, chickens, turkeys, pigs, goats, sheep, alpaca, rabbits and more. We welcome visitors twelve months a year, have accessible indoor washrooms, play structures with indoor and outdoor eating areas. We teach people about all of our farm friends, with interesting facts, hands on contact and also sharing some of their inspiring rescue stories. We offer discounted admission rates to all schools and daycares, and teachers/chaperones come for free. Contact us to book your field trip.

## Mennonite Heritage Village

Our spacious outdoor setting is ideal for experiential learning for all students from grades 1 – 12. We tell the story of the early pioneer settlers of the 1870's. Our heritage buildings and our hands-on learning programs offer easy links to curriculum outcomes in social studies and science for all ages. We can build the program that suits your class, whether guided, interpretive or activity based.

Book your visit today by contacting us at [info@mhv.ca](mailto:info@mhv.ca).

Discover Manitoba's Past

# CANADIAN FOSSIL DISCOVERY CENTRE

80 million years ago Manitoba was right in the heart of a saltwater sea called the Western Interior Seaway.

This seaway was home to some of history's most fearsome creatures - turtles the size of cars, toothed birds, extinct sharks, giant cousins of squid and octopuses and marine reptiles longer than a bus - all on display in Morden, MB!

Learn about Manitoba's palaeontology and geology with school tours tailored for your group. Activity / lunch room and documentary theatre included.

## PEMBINA THRESHERMEN'S MUSEUM

The Pembina Threshermen's Museum is dedicated to preserving and presenting local agriculture and heritage. Stroll through our Heritage Village. You will marvel at an old school, church, general store, MTS/post office, barbershop, barn, elevator, sawmill, blacksmith shop, CPR train station, caboose, NWMP outpost, and Wildlife Exhibit.

Encompass our large displays of antique tractors, farm machinery, and small engines.

Don't forget to behold the generations as you meander through our four Heritage homes and our indoor Brimberly Village.

**PREPARE TO BE AMAZED!**

**Beaver Bus Lines** is a family-run charter bus company operating out of Winnipeg, Manitoba for over 45 years. John Fehr Sr. purchased the company in 1972 and since then it has grown into the largest charter bus company in Manitoba.

We offer 16, 40, 48 and 54/56-passenger luxury motorcoaches, driven by professional and courteous drivers. Our motorcoaches come equipped with reclining seats, USB/110 volt outlets, CD/DVD, interior overhead compartments, large under-bus luggage compartments, washrooms and free Wi-Fi in Canada. Another economical option for local transportation is our 47-passenger transit-style buses which have reclining seats and climate control.

We pride ourselves in providing safe, luxury group transportation to all points in Canada and the USA at a competitive price. We are large enough to handle your needs, as well as small enough to provide the "personal touch." Whether you have to get your group across the country or across town we're at your service.

## **Fehr-Way Educational Tours**

is proud to have earned the reputation of being the industry leader, specializing exclusively in Student Group Travel. We take great care in each of our student tours. Our experience has shown that every successful student tour must be educational, economically priced, and exciting!

Educational travel is an important aspect of learning as schools prepare students to compete in a more complex world. Travel brings curriculum alive for many students who learn best when experiencing concepts their teachers present, and can motivate students to apply themselves in the classroom. Additionally, travel teaches young people communication skills which will help them succeed as adults in a global society.

We would be happy to help you discover the tour that perfectly fits you. Call 204-989-7018 or 1-800-263-3691.

## Students get hands-on learning at the Farm and Food Discovery Centre

Located 15 minutes south of Winnipeg on Highway 75, the Bruce D. Campbell Farm and Food Discovery Centre offers an interactive and educational environment to explore modern farming and food production.

From the moment students walk through the doors, they'll be greeted by sights and sounds of agriculture all around them. Colourful exhibits take them through a farmer's field, from planting to harvest, allowing them to learn about the many factors that influence crop production, from soil to climate.

Students can explore livestock production practices and processing through FarmFood360 Virtual Reality farm tours and through the viewing windows into the hog and dairy barns. In our new dairy facility featuring robotic milkers, students learn about milk production and follow the steps milk takes to get to the store. Food processing, food safety, and human nutrition are featured in the demonstration kitchen where students prepare foods using ingredients featured throughout the centre to bring the food production journey full circle.

Educators can select from 10 curriculum-focused programs, including the popular Farm to Fork, Life in a Handful of Soil, Discovering Dairy, and the ecology-themed This is Our Planet. Our newest program, A Slice of Agriculture, lets students make their own lunch and follows the path of pizza from farm to plate. All activities connect curricular themes found in social studies, science, geography, health, and nutrition to the food we eat.

**Open Tuesday-Saturday - 10:00 am – 4:00 pm (February to mid-December)**

**Contact 204-883-2524 or visit [www.ffdc.ca](http://www.ffdc.ca) for admission costs and more information.**

# INSPIRE YOUR STUDENTS TO LEARN ABOUT FOOD!

Where does our food come from? How do we take care of the environment and the animals? What does global warming mean? Through our curriculum-based, hands-on workshops, your students will explore the science behind where and how food is made, learn about sustainable agricultural practices, and turn locally produced, nutritious ingredients into tasty treats in the kitchen.

**Select a workshop that fits your needs - see all of our programs at [ffdc.ca](http://ffdc.ca)**

- Great Grain Exchange
- Sustainability in Agriculture
- Extraordinary Eggs
- A Slice of Agriculture
- Discovering Dairy
- Insect Investigation
- Life in a Handful of Soil
- From the Farm to Your Fork

# Le Musée de Saint-Boniface Museum: A Pillar of Francophone and Métis Heritage in Manitoba

Along the beautiful streets of historic St. Boniface, stands the “little white house” along the Red River, at 494 Taché Avenue. Come visit Le Musée de Saint-Boniface Museum, housed within the original Grey Nuns’ convent, which has stood the test of time to become the oldest building in the city of Winnipeg.

Here, you’ll discover magnificent architecture, artfully curated exhibits, and a charming gift shop. The Museum aims to provide visitor experiences that encourage greater awareness, appreciation and understanding of the French-Canadian and Métis cultures in Manitoba. The Museum’s exhibits explore topics relating to Métis and Indigenous Peoples, early French-Canadian settlers of Manitoba, the fur trade, the Métis bison hunt, Louis Riel, the province of Manitoba, and the Grey Nuns. Led by our welcoming and engaging interpreters, our family-friendly and school programs for all ages allow visitors to engage, interact, and connect with Manitoba’s rich history. For example, relive the stories and experiences of Métis families through hands-on programs such as Uprooted Nation and The Métis Bison Hunt. In the gift shop, you’ll find educational materials to help support course curriculums, as well as a little something for everyone from our wide selection of local, handcrafted, and Indigenous-made gifts.

Make Le Musée de Saint-Boniface Museum your next destination, and take part in one of our many experiences, whether it be a museum tour, our neighbourhood walking tours, or an interactive program.

“  
*Discover magnificent architecture, artfully curated exhibits, and a charming gift shop.*

## SEVEN PLAYS TO CHOOSE FROM!

**Cranked: The Remix** A play about a rising freestyle MC confronting his demons and recounting his journey through addiction.

**Frozen River** nīkwatin sīpiy shares a story of broken promises, reconciliation and connection through the lives of two eleven-year-olds.

Tickets start at \$8.50

or 204.954.1704.

To see our full season check out  
our Educators Brochure online  
at [mtyp.ca/educators](http://mtyp.ca/educators)

**Manitoba Theatre for Young People (MTYP)** is back with its first seven-play season in THREE years! The 22-23 season opens with *The Velveteen Rabbit* (Preschool to Grade 3), from October 13-21. November brings a touring show for high schools, *Cranked: The Remix* (Grades 7 to 12). The show runs on MTYP's Mainstage from November 8-10 and will tour schools across Manitoba November 14-December 18.

From December 1-20 everyone's favourite accident-prone boy comes to MTYP in *A Charlie Brown Double Bill* (Grades 1 to 7). Then in January from the 24 to February 2, Todd Parr's stories are brought to life with Mermaid Theatre of Nova Scotia's *It's Okay to Be Different* (Preschool to Grade 3).

From February 13-17, *Frozen River* (Grades 3 to 6) returns to the MTYP mainstage before touring across Manitoba from February 20-May 21. The magical, musical adaptation of *The Gruffalo* (Preschool to Grade 3) plays from March 15-24 and MTYP's season-ending show comes all the way from Australia. *ZOOOM* (Preschool to Grade 5) runs from April 26-May 5, using music, lasers, and projections to share the story of a young girl alone in her bedroom unable to sleep and curious to understand the world around her.

## **Plug In Institute of Contemporary Art**

is a non-profit contemporary art gallery which offers FREE guided tours and programming to students!

We encourage student groups to participate in our education programs which include in-depth curriculum guides customized for each exhibition, coupled with comprehensive exhibition tours and related workshops led by local artists.

Plug In ICA's Learning Programs provide students in Manitoba with the opportunity to engage with contemporary art and improve their visual learning skills. Students are able to learn about the process of production, and material/conceptual themes.

Additional programming is offered through the Interpreting [Interrupting] Youth platform which offers youth ages 16-24 the chance to engage directly with exhibitions.

For more information contact [luther@plugin.org](mailto:luther@plugin.org)

# IT'S NEVER BEEN EASIER TO VISIT THE MANITOBA MUSEUM!

Join us on-site or online (or both!)  
in the 2022-2023 school year.

Image: © Manitoba Museum/Ian McCausland

The Manitoba Museum is the place to be, with new programs and activities in all three of our exciting attractions - the Museum Galleries, the Science Gallery, and the Planetarium!

We offer programming for every grade level in both English and French, meeting the needs of the Manitoba curriculum through a range of subject areas. Customize your visit, bundle experiences, and stay for a full-day of fun and learning. All new full-dome shows in the Planetarium will transport your students to worlds beyond Earth. *Legends of the Northern Sky* features Indigenous star stories from the prairies, *Magic Globe* takes you on an adventure through the seasons, and *Dinosaurs: A Story of Survival* bridges the fascinating history of dinosaurs with the riveting science of astronomy.

IN-SCHOOL  
WORKSHOPS

AFTER-SCHOOL  
CLUBS

SUMMER  
CAMPS

WEEKEND  
EVENTS

## Engineering FUN Science

Ignite an interest in science & engineering with hands-on programs for youth, both in class and outside of school! Check out details of all our programs online, and sign up for our e-mail list: visit [wisekidneticenergy.ca](http://wisekidneticenergy.ca).

A network member of **actüa**

WISE Kid-Netic Energy offers hands on, curriculum-based science, engineering and technology deliverables for youth K-12. We deliver workshops and host summer camps in locations across Manitoba, and offer extracurricular clubs and events year-round! We aim to inspire & empower youth in the sciences by providing access to quality resources and activities, enriching STEM education for all Manitoba youth.

## WORKSHOPS

Our workshops are fun and hands-on STEM sessions designed to be brought right in to school classes or community centres. Each workshop links to the K-12 Manitoba science curriculum, and is delivered by a university student studying in a STEM or education-related field. When you book a workshop with us, we bring all the materials to your location (up to 1.5 hours from Winnipeg during the school year, and even further during the spring/summer). We have a catalogue of over 20 workshops to choose from, which is updated for each new school year!

**Who:** Classes grades K-12 | **Where:** Locations up to 1.5 hours from Winnipeg | **When:** Sept – June

## CLUBS

Our clubs are for students interested in exploring specific STEM topics and sharing their interests with other kids outside of their school classrooms! Clubs meet on a weekly basis throughout the school year. Our clubs include a Girls\*\* Club that meets on the University of Manitoba campus on Saturdays, an Inner-City STEM Club that meets after school, a Dissection Program that meets after school, and a Robotics Rundown Club that meets on the University of Manitoba campus.

**Who:** Grades 3-12\* | **Where:** U of M campus or specific Winnipeg schools\* | **When:** Sept – Apr\*  
\*Specifics depend on the club | \*\*For all girl-identifying youth and including youth who identify as non-binary, trans, and/or gender-diverse.

## CAMPS

Our week-long summer day camps are full of messy and interactive STEM activities. They include indoor and outdoor components, and incorporate everything from physical activity to creative design challenges, to digital technology. Each year we develop a new set of STEM theme days for our camps, and bring them to locations across Manitoba.

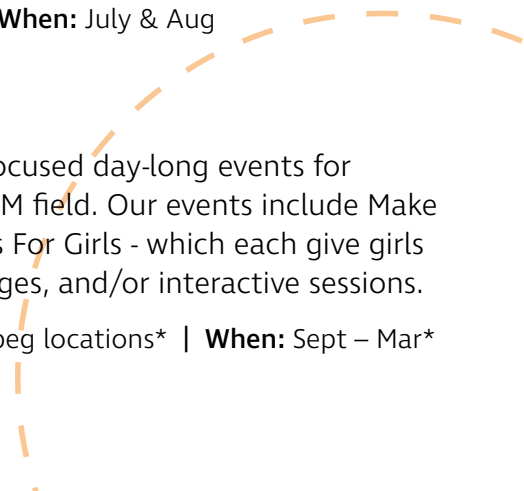

**Who:** Ages 9-12\* | **Where:** Communities across Manitoba\* | **When:** July & Aug

\*Specifics change from year to year

## EVENTS

Throughout the school year, we organize a number of focused day-long events for students who wish to dip their toes into a particular STEM field. Our events include Make Your Move, Go Eng Girl, Go Code Girl, and Engineering Is For Girls - which each give girls the chance to learn through mentorship, design challenges, and/or interactive sessions.

**Who:** Grades 7-12\* | **Where:** U of M campus or specific Winnipeg locations\* | **When:** Sept – Mar\*  
\*Specifics depend on the event

## **Brandon Bus Lines**

Brandon Bus Lines started in Oct. 2006 as a family run business by Gordon and Natalie Hrechka with the help of their daughter Jeanelle running the day-to-day work in the office. Our well maintained Prevost buses will get you to your destination safely. We pride ourselves as a family run business and pass that family run pride on to our customers making sure that everyone's charter demands are met. All of our professional drivers have experience of 5 years or more. Our coaches are equipped with USB plugs, washrooms, DVD players, and WIFI capabilities.

No job is too big or too small. We can travel all through Canada and the United States. We are happy to have you call our office and discuss your charter needs at 1-877-571-0231.

# Ethno-Cultural Arts:

## Folklorama at School – Mary Kardash Children’s Center

Looking for a fun educational experience for children has become easier with Folklorama at School!

Launched in 2020, Folklorama at School encourages hands-on and engaging learning in the classroom, daycare or day camp. Through workshops and performances, our ethno-cultural entertainers will take your students or groups (of any age) on a cultural adventure they'll never forget! The program is designed to help students appreciate and respect cultural differences and motivate students to take pride in their own cultural heritage, all while meeting with the Manitoba curriculum.

Mary Kardash Children’s Center was the first to raise their hand and book.

*“Programs like these are so important as they teach children diversity and expose them to other parts of the world beyond their own,” states Colleen. “It offers opportunity for conversations about the countries the dances come from and a chance to identify with people that may look like them or someone they know.”*

Book your Folklorama at School program now by [bookings@folklorama.ca](mailto:bookings@folklorama.ca), or call 204-982-6210.

## Bring Culture to your Classroom with Folklorama at School

Email [bookings@folklorama.ca](mailto:bookings@folklorama.ca) or visit [Folklorama.ca](http://Folklorama.ca) for more information.

# HANDS-ON LEARNING

*No artifact is off limits*

At the Nellie McClung Heritage Site, students will dip in with fountain pens, make “crank” calls and take the stage.

They’ll also learn the importance of fighting for human rights, just like Nellie did.

## FREE TOURS FOR STUDENTS

*June to September*
