ACCOLADES

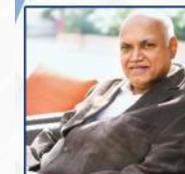

"I am happy with the service provided by Nandan GSE for the Car Lifts in my house. They were responsive to my requirements especially the safety of my dogs and cars"

Ratan Tata
Chairman Emiritus, Tata Group

I for India Ride at Adlabs Imagica

"Nandan has supported Adlabs Imagica by the designing & installing the I for India ride. I was impressed with their technical abilities, flawless execution and they have supplied an entertaining ride for Adlabs Imagica that is working very well & enjoyed by the park visitors. I highly recommend them to anyone looking to resolve complex engineering projects."

Manmohan Shetty
CMD / Adlabs Imagica

SAFETY

- We pride ourselves on **Safety** immensely.
- All equipment have a **Design Review** with customer, which they can also seek third party verification.
- We maintain **Minimum FOS** of three in design process.
- All designs are validated through **FE Analysis** as per the actual working scenarios.
- Hydraulic Circuit is designed with **Safety & Relief Valves**.
- Before Fabrication, Materials is tested in **NABL Accredited** laboratory.
- Hand pumps are provided for **Emergency Operation**.

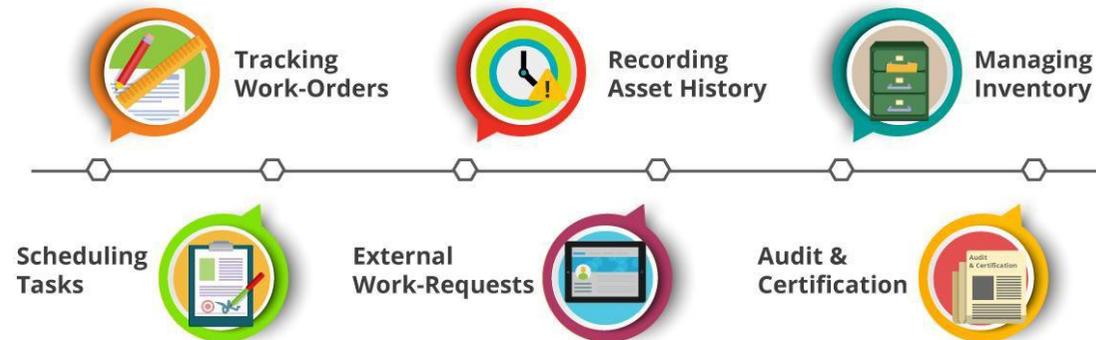

SERVICES

- We service the equipment for lifetime
- We offer
 - AMC
 - CMC
 - On Call Maintenance
 - Safety Audits
 - Spare Parts
- We have built “on-cloud”\ CMMS which will document the service history of equipment
- “Black-Box” System for your equipment which ensures right information is converted to knowledge & action at the right time

CMMS is used for

SOME AVIATION CLIENTS

FEW DEFENSE CLIENTS

Few of our Defense clients.

For us supplying to the Defense Companies is part of our "Giving Back" to society initiative

CLIENTS FOR HANDLING SOLUTIONS

Mahindra
