A Little Bit About Us

Florida Hat Company is a family business with roots going back more than 40 years. Owner John Siroky, is a second-generation hatter who has spent most of his life designing and selling hats.

Based in sunny Tampa, Florida, we proudly serve a wide variety of partners—resorts, boutiques, gift shops, amusement parks, zoos, aquariums, and more.

At FHC, we're a close-knit team committed to exceptional service. We work together to ensure your order ships quickly and arrives in pristine condition. Our staff is trained to expertly pack and maximize each box without ever compromising the quality of your hats.

With flexible ordering and open stock, you have the freedom to choose precisely the styles and quantities you need.

A woman with long blonde hair, wearing a wide-brimmed straw hat and a white sleeveless dress, is walking away from the camera on a wooden pier. The pier is made of light-colored wooden planks and has several wooden posts with white caps on either side. The background shows a calm body of water and a sunset sky with soft orange and yellow tones. The sun is low on the horizon, creating a reflection on the water.
