Story Time goes mobile

Since March this year, Geelong Regional Libraries' Children & Youth Services librarians have been on the road in Surf Coast Shire, taking their much-loved Story Time sessions into communities around the region. The special 'Story Time Goes Mobile'

sessions take place in Deans Marsh, Anglesea and Winchelsea.

Story Time sessions help children discover the magic of stories and develop a lifelong love of reading. Sessions involve a mix of fun songs, interactive stories and literacy activities, aimed at children three to five years (younger siblings welcome).

The Story Time sessions in Winchelsea have had strong community support, resulting in four sessions programmed during Term 3. The schedule for Term 4 is currently being finalised, and will be promoted through the Winch Community House and Geelong Regional Libraries' website: grlc.vic.gov.au/events

Help protect our livestock

Whether on a farm or kept as a pet, emergency animal diseases like foot-and-mouth disease pose a significant threat to our animals, industries, and environment.

Here's how you can keep your livestock safe:

- Ensure your Property Identification Code (PIC) details are up to date.
- Have an up-to-date biosecurity plan in place for your property.
- Check if your potential visitors have been to a country where foot-and-mouth disease is present.

Winchelsea Primary School celebrates our student writers!

It was so exciting to see so many community members at our Term 3 writing celebration on Friday 9th September.

We were so impressed by all of the student writing and the eagerness for them to share their work with everyone who attended.

Our writing focus this term was exploring 'writing to persuade'.

It was great to listen to students read their persuasive pieces and then ask the question, "Did I convince you?" which is a great indication that they have understood the purpose.

A big thank you to the Winchelsea community for their support. A big thankyou to Jill at the shire hall for her support also.

What's happening at Playgroup?

Last Thursday, we enjoyed a fantastic playgroup session all about babies, taking care of them, feeding them and playing with them of course.

The session was excited also to welcome to playgroup two sets of baby twins!

Lots of the children loved being able to wrap up their babies, push them around in strollers and carry them under their arms as they played with their friends.

Some other activities set up were playdough, reading area, our big climbing equipment with slide and tunnel which is super popular!

We had a bath set up with towels, rubber duckies and warm water to wash baby dolls and make them squeaky clean & this was a super popular activity among the children.

We had a kitchen set up with foods and baby bottles as well as cots, rockers and baby toys for the children to pretend play.

We had photos of babies from all around the world, showing their cultures and traditional celebrations.

We enjoyed a lovely fruit morning tea with one another too! This is a great way for us to connect with others at playgroup.

We'd love to see new families at playgroup, our next session is during the school holidays and all are welcome! The more the merrier!

Next session is:

Thursday 22nd September 10AM - 12PM at St Thomas's Church Hall on the Cnr Barwon Terrace & Hopkins Street (where the pirate ship playground is) \$5 per family and bring a piece of fruit to share for morning tea

Be sure to add yourself our Facebook Group 'Winchelsea Playgroup 2019' to keep up to date with all things playgroup.

FERRIS COX STIHL BRIGGS & STRATTON VICTA

Takin' It Easy: Seniors Festival in the Surf Coast Shire

This year the Victorian Seniors Festival turns 40, returning in October to the Surf Coast Shire with a month-long program to celebrate people over 55.

Known as Positive Ageing Month in the Surf Coast Shire, the theme of the state-wide festival this year is Takin' It Easy and there will be free and low-cost events and activities to enjoy across the shire from 3 to 31 October.

From music concerts, to theatre productions and clifftop walks, tech support cafes, historical talks, celebratory morning teas, and a host of indoor and outdoor recreation activities,

there will be plenty of reasons to be takin' it easy this month.

Surf Coast Shire Councillor Gary Allen said the event was a fantastic opportunity to celebrate older people living and visiting the region.

"Every year, the month of October is a chance to really show our appreciation for our older community members and let them know how much they matter," Cr Allen said.

"This festival is one of the ways we can highlight how much we value older members of our community and demonstrate our commitment to positive ageing across the shire."

The Department of Health and Human Services Office for Senior Victorians will also be running a series of events across the state and providing Victorian Seniors Card holders eight days of free travel on public transport. Travel includes V/Line between 2 and 9 October, to encourage people to attend regional events and events in Melbourne.

For more information and to book, pick up a copy of the Seniors Festival calendar from the customer service desk at the Surf Coast Shire Council office in Torquay. Calendars will also be available at visitor information centres, community centres and neighbourhood houses.

Thought for the Week

“With healing, bones become stronger in the places that were broken.
The same is true of broken hearts.
Open yourself to the healing energy embedded deep in the universe
and in God's heart.”

John Bader(Lay Preacher) Uniting Church.

Remembering the Queen

On Sunday 11th September at St Thomas' Winchelsea, we remembered the Queen.

We used her very words in worship, from across the years.

She said in 2000: 'For me, the teachings of Christ and my personal accountability before God provide a framework in which I try to live my life.'

We remembered that, and thought about our own accountability, and were challenged by it.

Of recent days the media has been full of examples of Queen Elizabeth's love, hope and steadfast perseverance for us all to see.

On her twenty-first birthday, in 1947, she pledged that her whole life, whether long or short, would be devoted to service of

her people. She asked that others join her in this, and that God would help her to make good her vow. Seventy-five years later looking a little frail, but still bright-eyed, she performed her last act as Queen, installing the latest UK Prime Minister. She had given the whole of herself, as she herself had said, 'with unwavering faith, a high courage, and a quiet heart.'

It was not without difficulty. On Sunday, again we quoted her own words, this time from 2011: 'Forgiveness lies at the heart of the Christian faith. It can heal broken families, it can restore friendships and it can reconcile divided communities. It is in forgiveness that we feel the power of God's love.' She added: 'God sent a Saviour with the power to forgive.'

I tried to discover if she had ever come

to Winchelsea, or passed through it, but my oldest informant, who as a young woman had gone to Melbourne to see the Queen, did not think so. The Geelong Advertiser on Saturday told us that the Queen and the Duke of Edinburgh had twice visited Geelong, in 1954 and 1988, but I could find no mention of Winchelsea. I guess plenty of local residents went off to see her.

There have been many reports of how people were touched by her kindness and care for so many individuals and organisations, not only here but across the world.

She said in 2013, 'God's love... is for everyone. No-one is beyond its reach.' We can see how she sought to demonstrated this throughout her life.

Our calling is the same, no different from that of a Queen!

Blues News

Welcome to Blue's news where the Club finds itself in the happy position of being allowed for the first time in 3 years to get in and begin what was always the annual cleanup at the end of the season and make way for the Cricket season to commence.

The Club is already preparing for season 2023. Re- signing of Coaches and Players has commenced and is well underway which is great for the continuity of team building for both Football and our Netball teams.

PRESENTATION NIGHT:

This year the Winchelsea Football & Netball Club's Presentation evening is on the 8th October, the venue is the Empire Grill, McKillop St, Geelong. All at the Club looks forward to celebrating the achievements both individually and as team events.

THE ANNUAL GENERAL MEETING:

The A.G.M. is on the 7th November at 7pm., in the Member's room at Eastern Reserve.

All positions have been declared vacant.

The Winchelsea Football & Netball Club is looking for new personal to help form the 2022/23 Committee of Management. Volunteers have diminished statewide over the last 2/3 years due to mostly the COVID situation we find ourselves in, and the Winchelsea Football & Netball Club is no exception!

The fact grass roots football has managed to survive at all, especially some of the smaller country clubs is largely due to the much smaller but absolutely dedicated group of volunteers who have worked extraordinarily hard to maintain their Club's existence. The W.F.N.C. INC. is affiliated with the G.D.F.N.L. who have supported their League Clubs substantially in monetary terms, and that is a wonderful thing. However the League cannot supply running feet on the ground to actually carry out the tasks and needs that every Football & Netball Club faces on game days and with the general running

of the Club.

The Football & Netball Club has great sponsors and we appreciate every one of them, the Football & Netball Club also has a great Volunteer Catering Team. Here at Winchelsea the Club runs our very successful Blue's Bistro on a Thursday Night – this is to provide meals for the general public, the "Bus to the Hub Programme" and of course for our Footballers, Netballers & Coaching Staff all coming together on a Thursday evening. Our Volunteers are thin on the ground at the moment and would love some more help in the prep and serving of the meals on a Thursday.

If there is anyone out there reading this and is thinking about coming on board for season 2023 please don't hesitate to contact the Club via Secretary Janet Fletcher – mob : 040078340

Make no mistake – your local Football & Netball Club needs help !!

THE BLUE'S BISTRO:

This weeks menu will be as follows:

The excellent Lasagne

The ever popular Chicken Kiev

Mary's famous Battered Fish.

DESSERT:

Home made Pavlova:

Please Note:

The Blue's Bistro is nor affected by overtime, penalty rates, or any sort of rates come to that – we are a 100% volunteer run programme that will be up and running this week (22nd) - a tribute to the late Queen Elizabeth's work ethic - and will have our final Blue's Bistro for 2022 on the 29th September.

Henry the Cat

By Valerie 13 years

Henry the cat's dirge on my younger sister Patty's dork diaries inspired "Paw Spa"

I am one of two lap cats
And not allowed to chase the rats,
I'm often treated in the spa

Which is the worst torture chamber by far
As I'm clipped, brushed and oiled
Getting my lovely fur all spoiled
I think of the life I want to lead
From books I've heard my mistress read.

A cat from Egypt's distant land
A country of pyramids and sand
Where I'd be worshipped as a deity
A life of glory and of gaiety.
Or else a lynx from forests of pine
A predator, the woods would be mine,
I'd howl and screech away the night,
Giving small creatures a terrible fright.

Or something even bigger than that,
I could be a panther, midnight black,
Prowling the woods after sundown I'd go,
To catch some unsuspecting doe.

An oriental tiger would really be the thing.
I could listen to exotic birds sing
in mandarin.

The king of the jungle, I'd lord it over all.
Until I was feared by creatures great
and small.

But most of all I want to be a lion
of the plains,
The vast grasslands of heat and drenching
rains,
The king of the beasts I'd live with my pride,
And in the land of Africa forever we'd reside.

But again in this horrible spa I'm stuck,
With my velvet paws rubbed with oily muck,
And the stench of perfume choking the air,
Oh, this gruesome torture is hard to bear.

Some people talk of whipping and beating,
Or being forced to stand on their heads
while they're eating,
But I know the worst torture chamber by far,
PATTY'S DELUX BACKYARD
PAW SPA !!!
