Discover the essence of quiet luxury with high quality timeless staples designed in collaboration with guest designers and industry stalwarts Rhea Kapoor and Ravi Vazirani. Explore an eclectic collection that celebrates refinement and inspires reflection.

Presenting a collection of exceptional significance, one that masterfully marries the elements of eclecticism, sophistication, and a hint of audaciousness, while paying homage to the spirit of individuality and intellectual inquiry.

It is with great pleasure that I unveil our latest collaboration, a remarkable fusion of talents featuring the distinguished guest designer Rhea Kapoor and the visionary interior designer Ravi Vazirani. Together, we have meticulously created a furniture collection that artfully combines natural materials, creating a compelling narrative that elegantly harmonizes the rugged and the refined.

This collaborative effort stands as a testament to our unwavering commitment to redefine and elevate the aesthetic and functional aspects of contemporary living spaces. It exudes a pervasive sense of tranquility and sophistication, representing a seamless blend of design sensibilities that befits the modern home.

Founder & Creative Director,
The House of Things

It is with immense pleasure and excitement that I present to you our latest marvel, “The Apartment”, a fusion of artistic narrative and exceptional craftsmanship. This collaboration has been a journey of passion and creativity, merging the visionary genius of The House Of Things with the ingenuity of Ravi Vazirani, intertwining our collective threads into a harmonious collection, redefining the very essence of artistic expression.

Together, we have fastidiously created a furniture and decor ensemble that seamlessly weds natural elements with the spirit of quiet luxury, crafting a compelling tale that fuses raw refinement with exquisite craftsmanship. This collaborative endeavour stands as a testament to our dedication to redefine modern living spaces. It emanates a pervasive air of serenity and elegance, representing a flawless confluence of design perspectives tailored for the contemporary home. The clean lines, impeccable workmanship, and thoughtfully chosen materials create an atmosphere of serene opulence that will last for years to come, stirring senses and inviting colloquy.

Holm Slipcover - 2 Seaters

Capturing the elegant lines of modern seating, Holm's elevated form features casual design details. Slipcovers add a relaxed, tailored touch - giving your living spaces an instant refresh.

Nobu Cocktail Table

A reeded base handcrafted from solid marble supports this design classic. Designed and built to last, the abstract shape brings balance and elegance to this end table.

Aoto Armchair

Upholstered in boucle with chiselled wood detailing at the back as an added tactile element, this armchair's curved shape is created with cozy, conversational moments in mind.

Kenzo Sectional Sofa

DEFINED *by*
ARTFUL SIMPLICITY

This sectional sofa is fully upholstered in rich velvet, with a discrete plinth in wood. Allowing you to configure the size and orientation to your individual living space with different modules for various moments, it also features feather-wrapped foam cushions that provide perennial comfort.

Kenzo Sectional Sofa

Low, lounge-worthy, and dripping with sumptuous comfort, Kenzo is a lavish ode to the decade, through a luxuriously modern perspective. Showcasing a soft polyfill to enhance durability and secure its shape, Kenzo stirs senses like no other.

Kōji Bookshelf

We meticulously curate materials that are not only natural and sustainable but also carefully chosen to withstand the test of time. We embrace a less-is-more philosophy, allowing the inherent texture of materials and the purity of design forms to shine and resonate in their distinct voices. This ageless and sophisticated interpretation of design heritage weaves a narrative of exquisite craftsmanship and enduring legacy.

Supported with wooden fluted pillars punctuated with built-in shelves, the warm tones of the Kōji bookshelf are designed to complement books, decorative ornaments, and collectibles that exude simplicity and sophistication.

ROOTED

IN

Furniture, often considered an integral facet of the decorative arts, undergoes a profound transformation.

ART

The boundaries that once clearly distinguished the worlds of art and design begin to fade, beckoning furniture to effortlessly transcend into the realm of artistic expression.

In this synthesis, furniture emerges as a manifestation of artistic creativity, celebrating the fusion of form and function, and inviting the observer to partake in the dance between beauty and utility.

Yozu Tiered Side Table

Transform your living room with Yozu. Featuring a solid wood reeded pillar and layered shelves, it's a celebration of utility and elegance.

Nobu Cocktail Table

A reeded base handcrafted from solid marble supports this design classic. Designed and built to last, the abstract shape brings balance and elegance to this end table.

To delight in design
is to cultivate it

Asahi
Dining Table

Combining clean lines with a robust combination of wood and veneer, this dining table stands on fluted columns, which are the outstanding denominators of this gorgeous design.

Shugo Dining Table

With masterfully fluted columns crafted in Italian Carrara white marble and an ostensibly minimalist top, the Shugo Dining Table traverses the path between function and aesthetics.

Asahi Dining Chair

A nod to modern craftsmanship, Asahi is worked by hand from solid wood to achieve the subtle yet difficult curves which are then upholstered into a sumptuous seat.

Architectural rigour
meets the hand *of* sheet metal.

Taruki Buffet Unit

Elevate your space with the drama of Taruki. A refined combination of wood and cladded sheet metal, Taruki's constructed silhouette feels warm and welcoming - plus, it will tuck your clutter away nicely.

Atsuki Upholstered Bed

UNDERSTATED LUXURY

Combining the key tenets of elegance, balance, and rigour with lightness of foam and volume, Atsuki is upholstered in plush fabric with a solid wood construction.

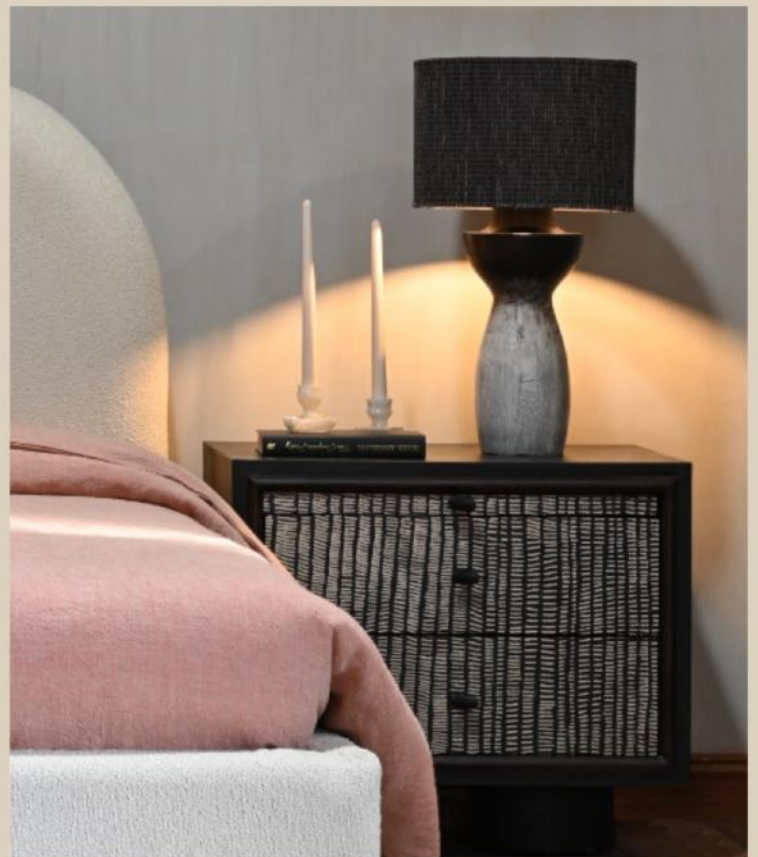

Ariake Bedside Table

Ariake's uniquely luxurious make from hardwood and printed front makes it a modern staple with ample storage.

Taro Lamps

Surfacing beauty from wells of tension, the Taro Lamp is crafted from a wooden base with a chick mat shade, at once warm and inviting; reviving interiors with its evocative expression.

Ariake Upholstered Bed

Carefully crafted from solid wood with striking printed upholstery, the Ariake Upholstered Bed boasts a craftsmanship that is comfortably cushioned and masterfully elevated.

Ariake Bench

Exquisitely handcrafted with a hardwood and metal frame, this bench features a poly fiber filling, while the neutral coloured upholstery adds a beautiful finishing touch.

WHO SAYS ART HAS TO GO ON THE WALLS ?

Embodying the spirit of line art and abstract forms, this work masterfully takes from the bond Rhea shares with her loyal canine companions. With bold and expressive lines, the figures are rendered with a timeless allure.

Artist Kamal Sharma's ability to distill the beauty of the human figure into its most essential elements creates a striking composition that invites the viewers to take a peek into Rhea's world.

Saga Media Unit

With a strong mix between a solid hardwood frame and textured brass grille shutters, this media unit sits in harmony with its multiple finishes.

Convergence of organic materiality
and traditional craftsmanship.

Sake Cabinet

Featuring ample storage where you need it most without compromising on style, the Sake Cabinet showcases a solid hardwood frame and textured brass grille shutters for added appeal.

HOW ILLUMINATING

Form follows function, and it's a beautiful process. Reinstating elegance and comfort and principle tenets of contemporary design, these gorgeous candle stands are conceived around their purpose.

Not only do they elevate the décor, but they also fit one's needs in terms of aesthetic and liveability.

Rikye Candle Stand

An expertly crafted candle stand executed in finely fluted wood takes a new approach to the classics, ideal to offset your mantel or shelf.

Refreshingly relaxed with a touch *of* elevation

Designed by Paris and New Delhi based designer Sonam Khetan, these sumptuous cushions bring a touch of urban sophistication inspired by Rhea Kapoor's beloved city - New York. Featuring an ombre hued base, and an embroidered overlay evoking the city's skyline, the pieces encapsulate the magnetism of the New York skies - from the warm rusts of the setting sun to the steel hues of the city lights at night.
