

CROSSREACH

Care you can put your faith in

THE NORTH EAST AND NORTHERN ISLES PRESBYTERY

Support from congregations across Scotland is something that we are always very thankful for at CrossReach. Whether this is through continued prayer, fundraising initiatives or by practical support of volunteering time or by offering the use of Church space.

We currently have just under 70 services in operation across Scotland offering care and support in Christ's name to those who find themselves in a vulnerable situation.

Within the presbytery of the North East and Northern Isles we currently have 5 services. This guide gives a brief highlight of each as well as contact details for the service manager. It is always a delight to hear from our supporters so please feel free to get in touch if you would like further information.

We would value support in making our vacancies known to those in your congregations who may be interested in a career within care. Listed in this guide are the links to job opportunities at the services highlighted. A full list of job vacancies within CrossReach can be **viewed here**.

Share the Love

Working together to enhance, change and save lives.

Last year, over 200 Churches, Guilds and Presbyteries partnered with CrossReach as part of the brand new 'Share the Love' initiative. This involved working with us to raise funds and awareness for both the Church and our Community based services, reigniting our bond with mutual benefit. An incredible £65,000 was raised through Share the Love in 2023 alone.

Working with us in 2024

Due to its popularity building lasting bonds throughout 2023 and benefiting both the Church and our services, we are excited to launch 'Share the Love' 2024!

We would love to work with you this year to help enhance, change and save lives in 2024. If you're interested in finding out how you can get involved, you can register your interest at www.crossreach.org.uk/Love or speak to our friendly team via email fundraising@crossreach.org.uk or calling 0131 657 2000.

- Work with us to raise funds your way.
- Receive support, advice and resources to help fundraise.
- Split the proceeds between your Church and our Services.
- Both your Church and families in Scotland benefit.

Keep in touch

We would love to hear from you about ways which we can work together to build existing relationships and start new ones. Please feel free to get in touch with any of our team.
