INTRODUCTION

Every Alumni Homecoming, we are reminded of the enduring bonds that were forged during our time together in Samar National School. This special event marks more than just a reunion; it is a celebration of the shared experiences, growth, and friendships that have shaped us all. Whether it's reconnecting with old friends, rekindling memories of unforgettable moments, or simply reliving the spirit of our school days, this homecoming is a testament to the lasting impact of our time as students and the paths we've all taken since. It is an opportunity to reflect, reconnect, and rekindle the sense of belonging that once brought us together.

This gathering is a time to honor the journeys we've each undertaken, while also acknowledging the collective strength of our alumni community. It's a chance to look back on how far we've come, celebrate our achievements, and support each other as we continue to grow and evolve.

In the spirit of camaraderie and shared history, we invite each of you to embrace the nostalgia, forge new memories, and renew the connections that made our school experience unforgettable as we look back to the 2024 Grand Alumni Homecoming of Samar High School/Samar National School. Together, we celebrate the ties that unite us all, knowing that no matter where life takes us, the spirit of our alma mater will always remain a part of who we are.

As the host batch for this year's Alumni Homecoming, Batch 1998 has embarked on a journey of reflection, preparation, and collaboration, bringing together the spirit of our class in ways that honor the past while looking forward to the future. From the very first planning meetings, it became clear that this event would be a special one, not only because of the milestone it represents but because of the deep sense of unity that continues to bind us together. We've come a long way since our graduation, and it's incredible to see how far each of us has traveled—both individually and collectively. But no matter where life has taken us, this homecoming serves as a reminder of the friendships, lessons, and shared experiences that have stood the test of time.

The road to hosting this event has not been without its challenges, but Batch 1998 has faced each obstacle with the same determination and resilience that we've shown throughout our lives. From coordinating logistics to reaching out to fellow alumni, every step of this journey has been a labor of love, fueled by a desire to create an unforgettable experience for all. As we come together to celebrate, we are reminded that the ties that bind us are stronger than ever. This homecoming is more than just a reunion; it's a testament to the enduring spirit of Batch 1998, proving that no matter where life takes us, we will always come back to where it all began—with each other.

IN MEMORIAM

As we gather in remembrance, we pause to reflect on the lives of our dear batchmates who are no longer with us. Each one of them brought a unique light into our lives, their laughter, their wisdom, and their camaraderie leaving an indelible mark on our hearts. Though their time with us was brief, the memories we shared are timeless. We remember their friendship, their enthusiasm, and the moments of joy and growth we experienced together, and we carry those moments with us, even as we navigate the pain of their absence. In every corner of our lives, traces of their spirit remain, reminding us of the deep connections we formed and the lessons they imparted.

As we honor their memory, we also find strength in the bond that still connects us all—those who remain and those who have passed on. Their lives, though short-lived, were filled with purpose and love, and in remembering them, we pledge to keep their legacy alive in the ways we live, love, and support one another. The absence of their physical presence is keenly felt, but in our hearts, they will never fade. We are forever grateful for the time we shared with them, and in their memory, we continue to move forward, cherishing the gift of life and the importance of cherishing each other.

WORDS OF GRATITUDE

We would like to extend our heartfelt gratitude to EVERYONE who have made the 2024 SHS/SNS Grand Alumni Homecoming celebration possible.

To our hardworking batchmates, your generosity with time, provision and commitment have not only helped bring this event to life but have also strengthened the sense of community and tradition that we cherish so deeply. Your support, whether through financial contributions, resources, or services, has made a lasting impact, ensuring that this gathering is not just memorable but also a meaningful experience for all of us. We are incredibly grateful for your support in making this reunion a reality.

To all our generous sponsors, thank you for believing in the vision of this event and for standing by our batch as we host this significant occasion. Your contributions reflect the value you place on the importance of keeping our alumni network strong, vibrant, and connected. It's because of your support that we are able to create an environment where old friendships can be rekindled and new connections can be made. We hope that this partnership continues to thrive in the years to come. Your generosity truly makes a difference, and for that, we are sincerely grateful.

To the administration and faculty of Samar National School thank you for your wholehearted support. To our dear teachers and mentors, especially those who graced us with their presence during our Testimonial dinner, we are forever grateful for your guidance and support.

To our family and friends who were dragged into the whirlwind of alumni preparations, we thank you for your utmost understanding and support for all the late nights, weekly meetings and the year-long preparations that took precious time away from you. It was worth all the effort and you are all part of our success.

To all our suppliers during the week-long celebration, we would like to extend our sincerest gratitude for your exceptional support and services! Your professionalism and attention to detail helped ensure everything went smoothly, and we couldn't have done it without your dedication.

Each team's hard work and commitment to excellence truly made a difference, and we are incredibly grateful for your partnership with us! We look forward to working with you again in the future!

Finally, a heartfelt thank you to all our fellow SHS/SNS alumni for joining us in this year's Alumni Homecoming celebration. Your presence truly made this event special, and it's a reminder of the lasting bonds we share, no matter how much time has passed. Whether you traveled from near or far, your participation has brought our community together in ways that words can't fully capture. We are grateful for the memories we've rekindled, the friendships we've strengthened, and the sense of belonging that still unites us all. Special greetings to the batches who joined our competitions – your effort and participation truly made for a memorable celebration. We are in awe of you all! Thank you for making this reunion unforgettable and for continuing to support the spirit of our alma mater.

Congratulations
