**These legs are weathered. They have been milled to reproduce a rustic reclaimed wood texture.*

Our large inventory of square turning blanks and dimensional stock pieces are great for those working on a custom design. The turning blanks are wooden square posts intended for you to turn into a new design. They are not sanded and may contain planing marks. Our blanks are available in a variety of heights and widths, as well as several wood species. Our dimensional stock pieces can be used to create your own custom table apron or base kit. They pair well with custom tables, benches or counters.

Find the perfect size for your project in our large selection.

for split frame tables

These slides are used to extend standard four-legged tables. The parallel boards slide back and forth on smooth joinery with a male and female butterfly notch. They develop a camber to avoid sag in the table center.

LETTER FROM THE PRESIDENT

Dear Customer,

I would like to thank you for allowing us to partner with you in creating fine furniture and kitchen cabinetry.

We are proud of our values, which put you first in every area of our operations. You can and should expect to experience our commitment to quality, excellence, and courtesy. We strive as a business to operate under the lordship of Jesus Christ. If you need us to go the "extra mile," we dedicate ourselves to doing so cheerfully and willingly. Excellence in quality and service is our commitment to you, regardless of the size of your order. Please hold us accountable to this standard. We look at the order you place as an investment in our relationship which may last over 30 years. Osborne Wood Products, Inc. is committed to supplying you with the parts necessary to advance your business strategies in this most demanding market.

We would like to thank you for your continued feedback, which allows us to continue to solve today's problems and invent tomorrow's solutions.

Thank you for taking the time to inquire about Osborne Wood Products, Inc. We truly look forward to serving you.

Sincerely,

Leon A. Osborne, President
Osborne Wood Products, Inc.
