Ball Caps & 3D Caps

WELCOME

At FlapJackKids, our goal is to thrill parents and kids alike with apparel that is exceptionally functional while being fun to wear.

We know that getting kids to wear protective clothing can be a challenge. That's why our designs are infused with plenty of fun and whimsy to spark kids' imaginations and encourage creative expression. No longer are they wearing a sun-protective hat; instead, they can be a dino or a monster, a panda or a koala!

Our commitment to fun is rivalled only by our commitment to outstanding craftsmanship and value. Our high-quality, durable fabrics feature beautiful appliqué and embroidery details and a special weave that provides natural UPF 50+ protection. With our beloved best-selling reversibles, you get a double dose of fun and options. Who doesn't love options?

We are passionate about creating products that nurture kids' imaginative spirits and are so happy to have you join us in our journey.
