## EVENTS SPOTLIGHT

As we approach the height of season, our amazing Events team is running on all cylinders to produce creative and memorable experiences for our Membership. As your new Director of Catering & Member events, I have enjoyed meeting many of you and I am truly impressed by the caliber of our Events Department.

Jade Anderson, Event Sales Manager, continues to plan and manage our private member and non-member events, including stunning weddings, mitzvahs and charity functions. Her natural ability to orchestrate complex events and surpass expectations makes her an invaluable asset to our clients.

Kristine Licitra, Event Sales Manager, has become an essential partner to our colleagues in the Golf and Racquets world, leveraging her club knowledge, creativity and experience to successfully execute the first annual Multi-Day Member-Guest CC Golf Tournament along with numerous other sports tournaments and season openers.

Courtney Saint Onge, Social Events Manager and her Coordinator, Kiara Bojorquez, have been fully engaged with member Social Events, including the incredibly successful annual Street Fair which welcomed over 1,700 happy attendees. It was a monumental feat in planning, handled with great care. Now, their attention shifts to our multi-day Color War.

Pierre Leon, Event Sales Manager, has proven to be a key asset to our numerous HOA's, Card Rooms and private events while Hagop "Jack" Gurneian, Events Manager, and our dedicated banquet team continually impress us with their hard work and creative set-ups and buffets.

Banquet Executive Chef Bass and his culinary team are the back-of-house counterpart, bringing our food to life at each event with their unique presentations and creativity.

As the Event & Operations Administrator, Kate Austin, remains focused on handling our event calendars, financials and internal communications, while also taking all Holiday To Go orders with precision and care.

It is a privilege to collaborate with such a passionate and professional group of people, and a special shout out goes to Rachel Little our Events Coordinator. Her member knowledge, ability to multi-task, plan, communicate and anticipate needs has been a priceless asset to our Club for years, and to me, since I joined the team. A heartfelt thank you to everyone for the warm welcome to the Broken Sound family.

*Anna Erickson, Director of Catering and Member Events*

The Frozen River by Ariel Lawhon is a captivating historical mystery set in Maine in 1789.

When the body of a respected man is found frozen in the Kennebec River, Martha Ballard, a midwife and healer, is called to determine the cause of death. Known for documenting every birth, death, and scandal in her town, Martha has already recorded details of a troubling crime involving two prominent men. As her investigation into the man's death reveals unsettling truths, Martha must challenge the local physician's conclusion of an accident and uncover the truth behind the murder, all while navigating a community full of secrets and lies.
