**Don't forget, we continue to grow in areas that
you know us for as well:**

Design and Build as easy as 1, 2, 3

1. Planning

- New construction and remodeling
- Collaborate on design and layout
- Work within your budget
- Utilize our in-house CAD team to get the specs you need

2. Sourcing

- Ordering in your approved equipment
- Receive items and hold manufacturers accountable for damage or miss picks
- Track project to ensure we are on time for opening

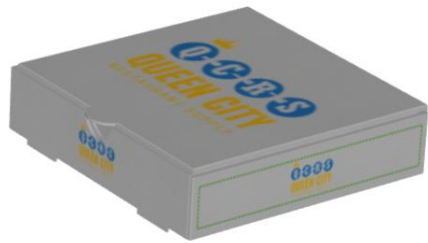

3. Installation

- Coordinate with your general contractor and/or project leads to schedule
- Build tables and sinks, uncrate equipment, install casters, and set in place
- Final walk-throughs to ensure we delivered on all promises

Even after we are done, we will have your invoice history that includes serial numbers for the peace-of-mind should any issues arise down the road
