Primary Colours

Red, yellow, and blue are the primary colours.

Colour the given shapes with primary colours as indicated.

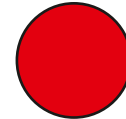

Skills

- Hand-eye coordination
- Dexterity

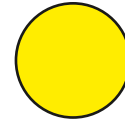

Factopedia

Blue is seen as a sign of stability and reliability.

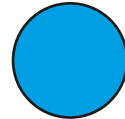

Primary Colours:

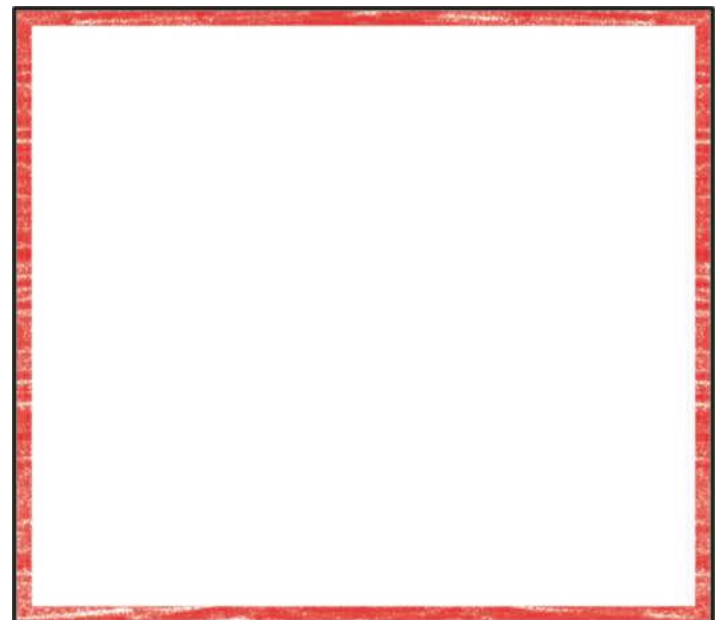

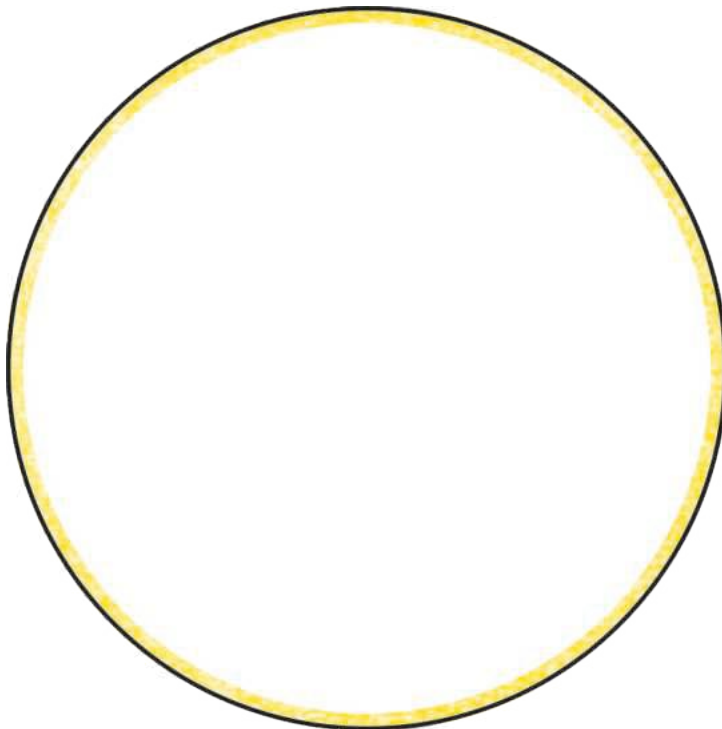

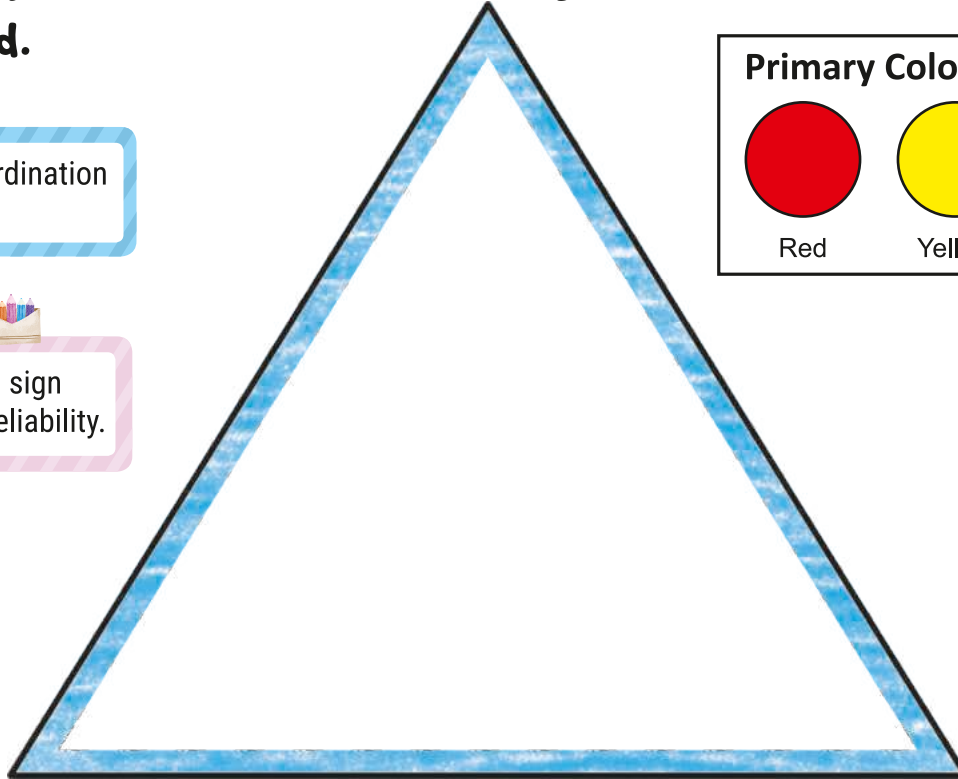

Red

Yellow

Blue

Colouring

Teacher's Remarks

Teacher's Sign

.....

Talking Parrot

Colour the given picture of a parrot using crayons as shown.

Skills

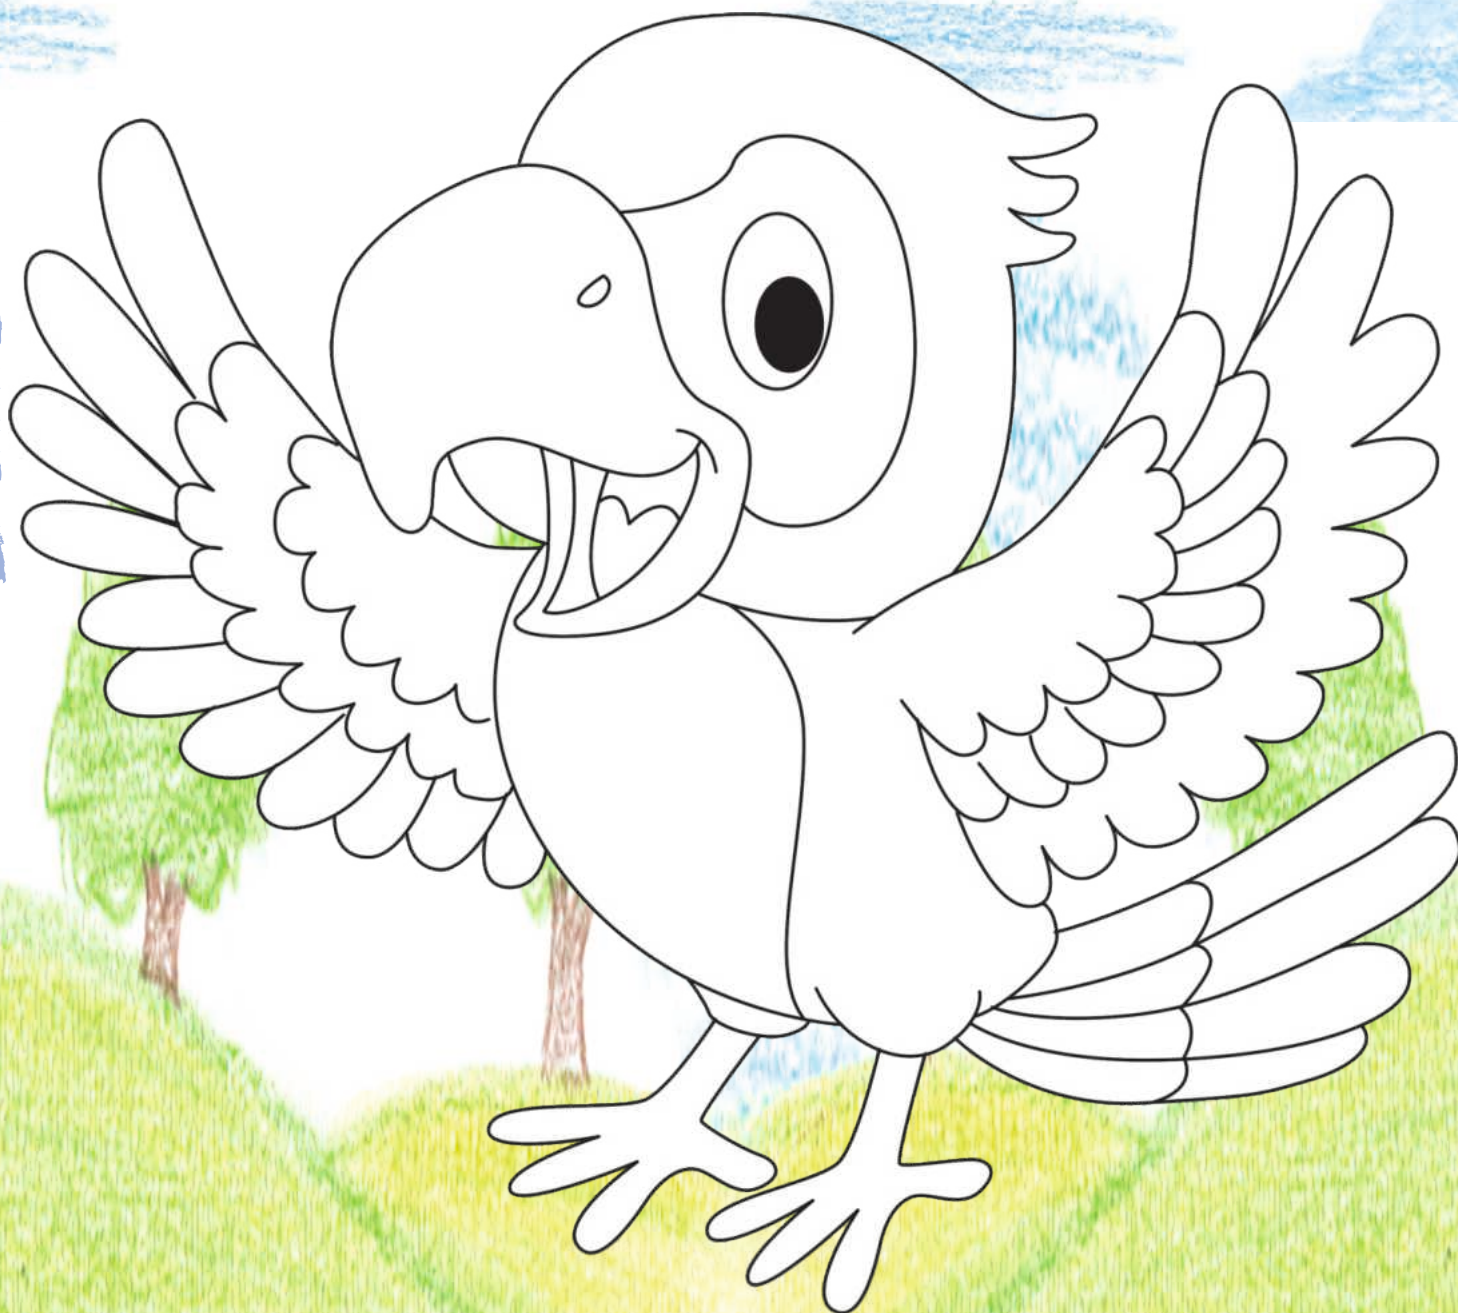

- Hand-eye coordination
- Creative expression

Factopedia

Parrots are very intelligent birds. They learn very easily.

Colouring

Teacher's Remarks

Teacher's Sign

.....

Pattern Frock

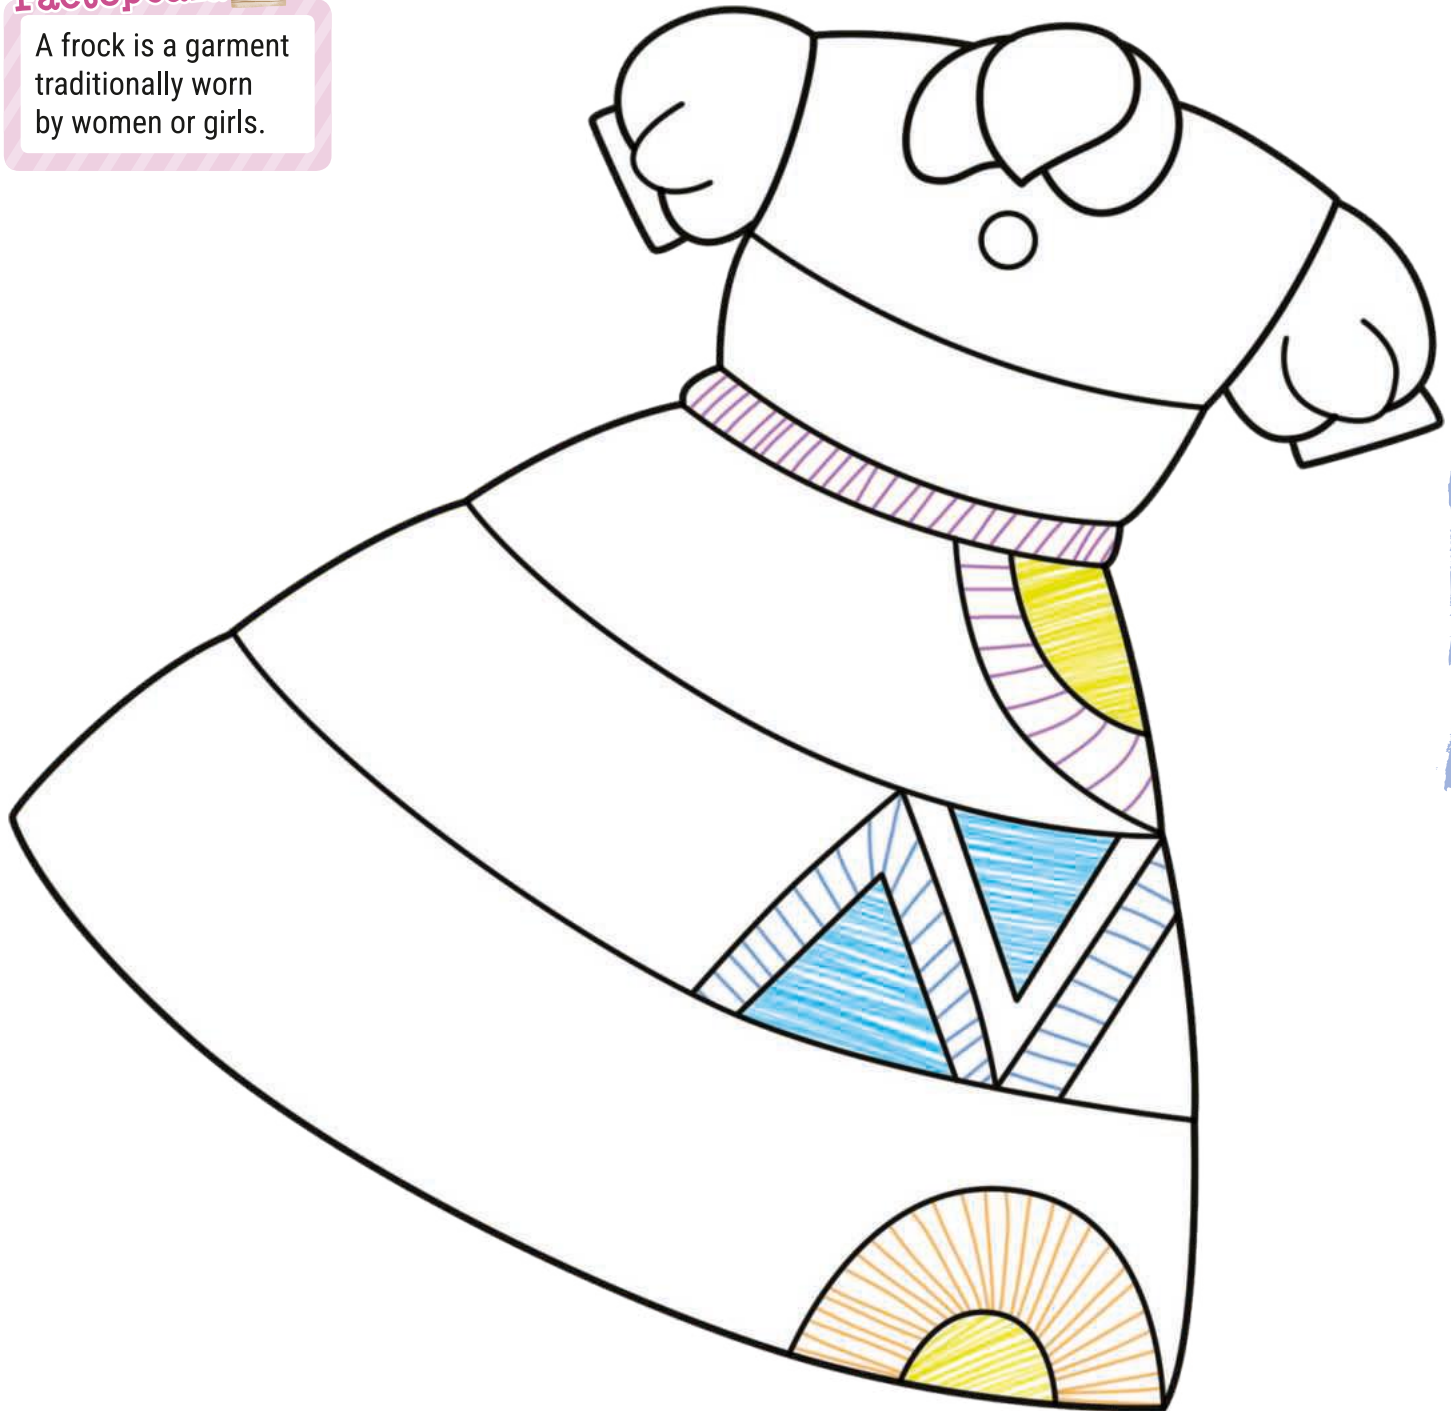

Make patterns in the frock using coloured sketch pens, as shown.

Skills 

- Observation
- Creativity

Factopedia

A frock is a garment traditionally worn by women or girls.

Pattern Making

Teacher's Remarks

Teacher's Sign

.....

Jungle Safari

Skills 

- Observation
- Dexterity

Help the adventurers find their way to the camp in the jungle safari expedition.

Find the Way

Teacher's Remarks

Teacher's Sign

.....

Twinkly Tulips

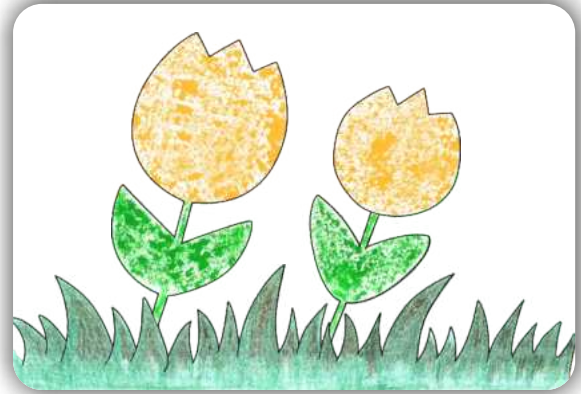

Dip the sponge in yellow poster colour and leave impressions on the flowers as shown. Also, give impressions to leaves and stems using green poster colour.

Factopedia

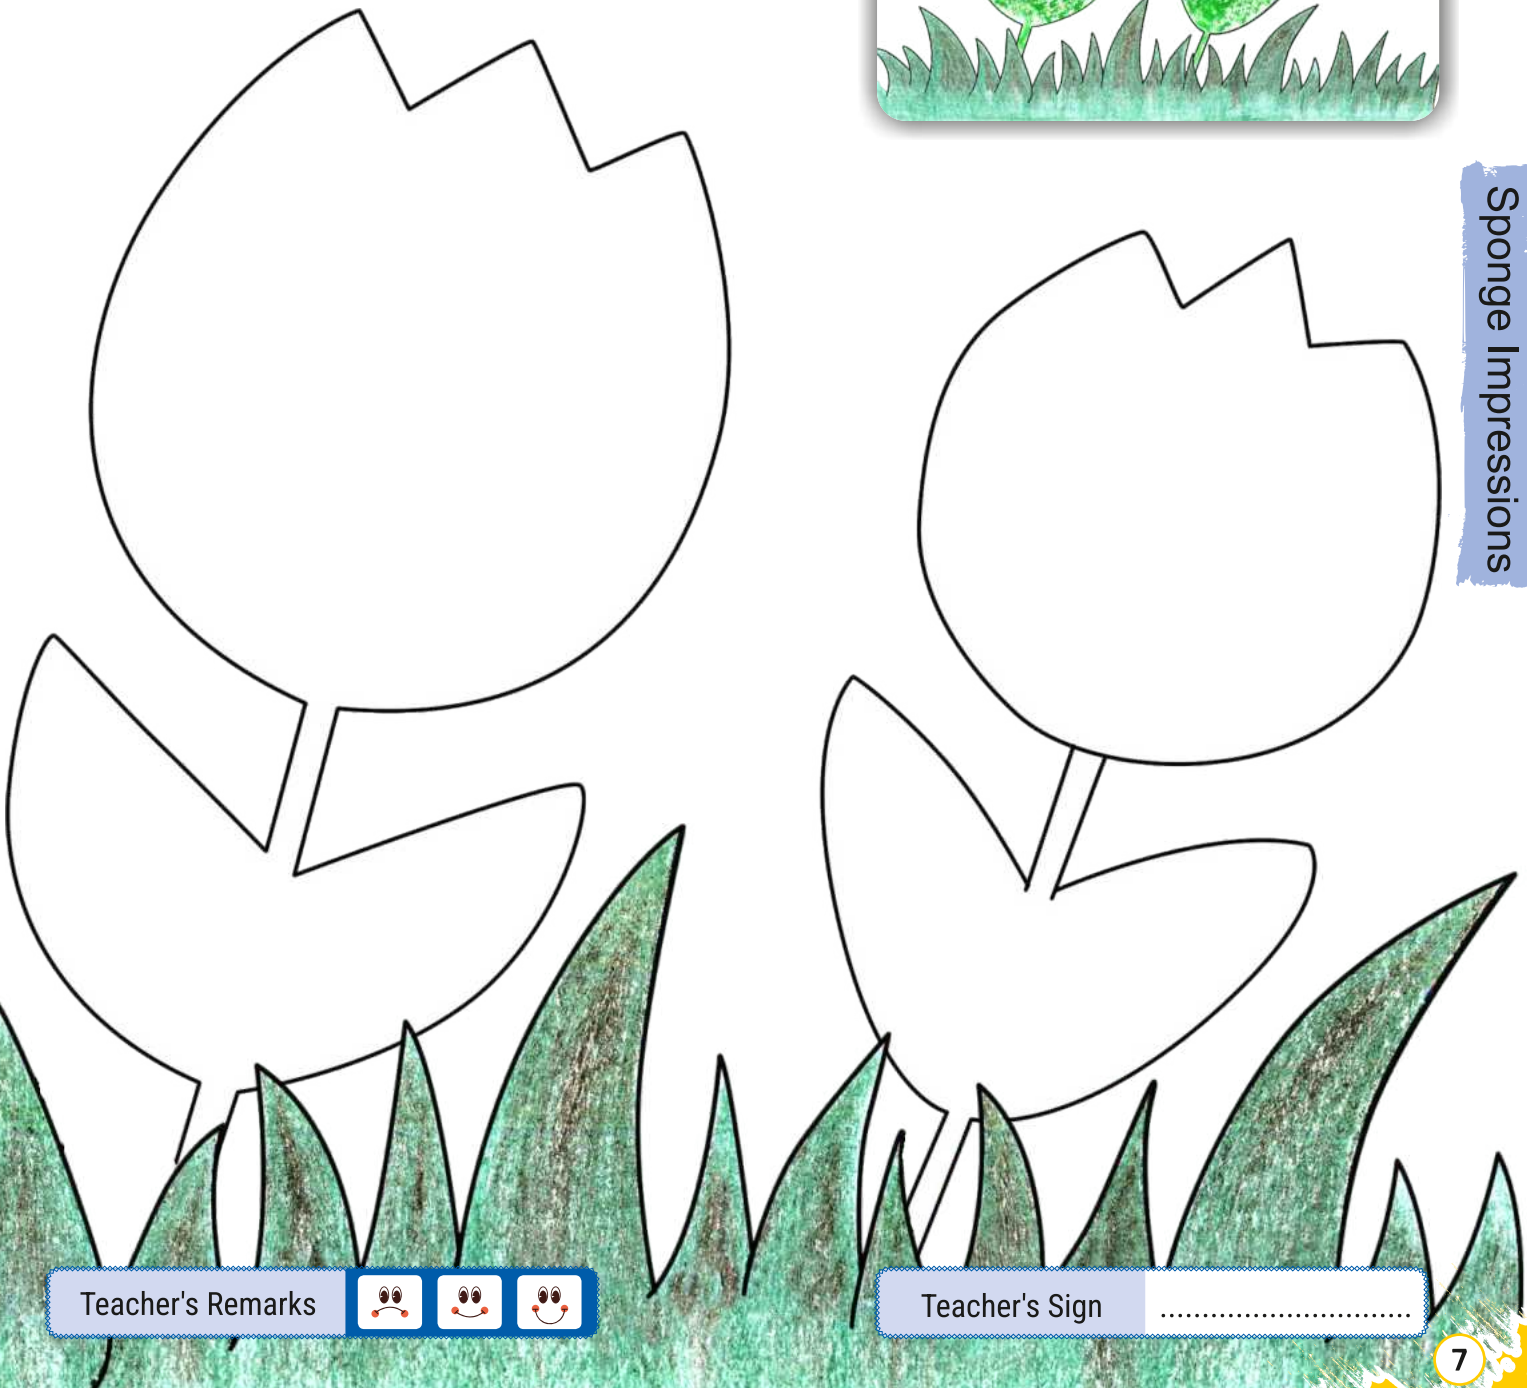

Tulips belong to the lily family.

Skills

- Observation
- Fine motor

Sponge Impressions

Teacher's Remarks

Teacher's Sign

.....

Crafty Owl

Skills 

- Visual analysis
- Geometry

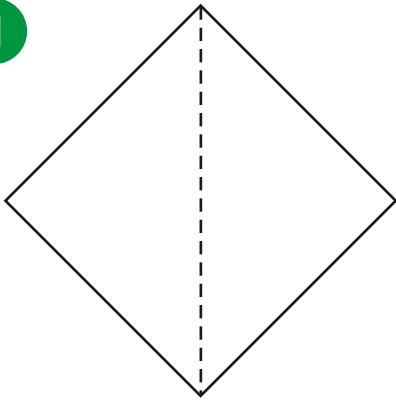

Follow the given steps to make a paper owl from a square sheet of paper.

Factopedia 

Owls have large, tube-shaped eyes that do not move.

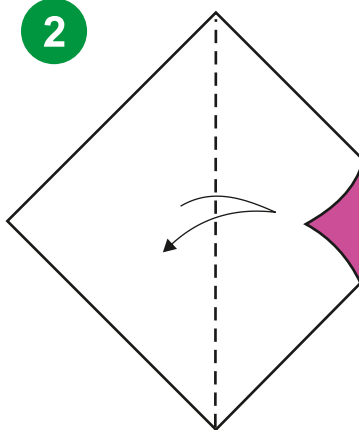

Paper Folding

1

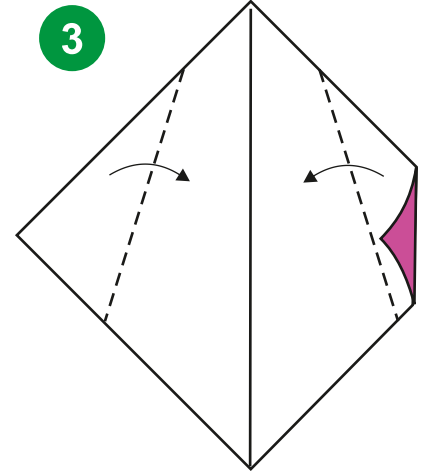

It is very important to start with a square piece of paper.

2

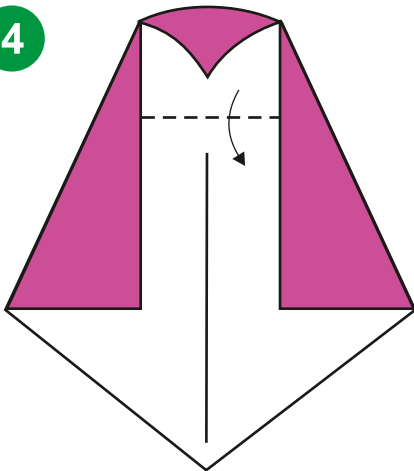

Fold the paper into half to make a crease. Unfold it.

3

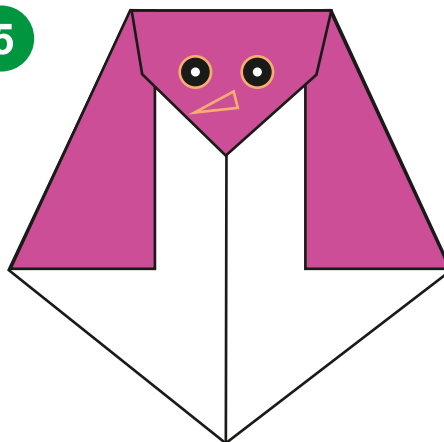

Fold the right and left corners.

4

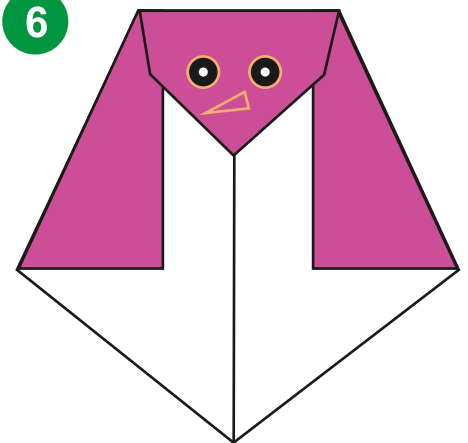

Fold top corner downward.

5

With the help of pencil colours, draw the eyes and nose.

6

Your paper owl is ready.

Teacher's Remarks

Teacher's Sign

.....

Lazy Turtle

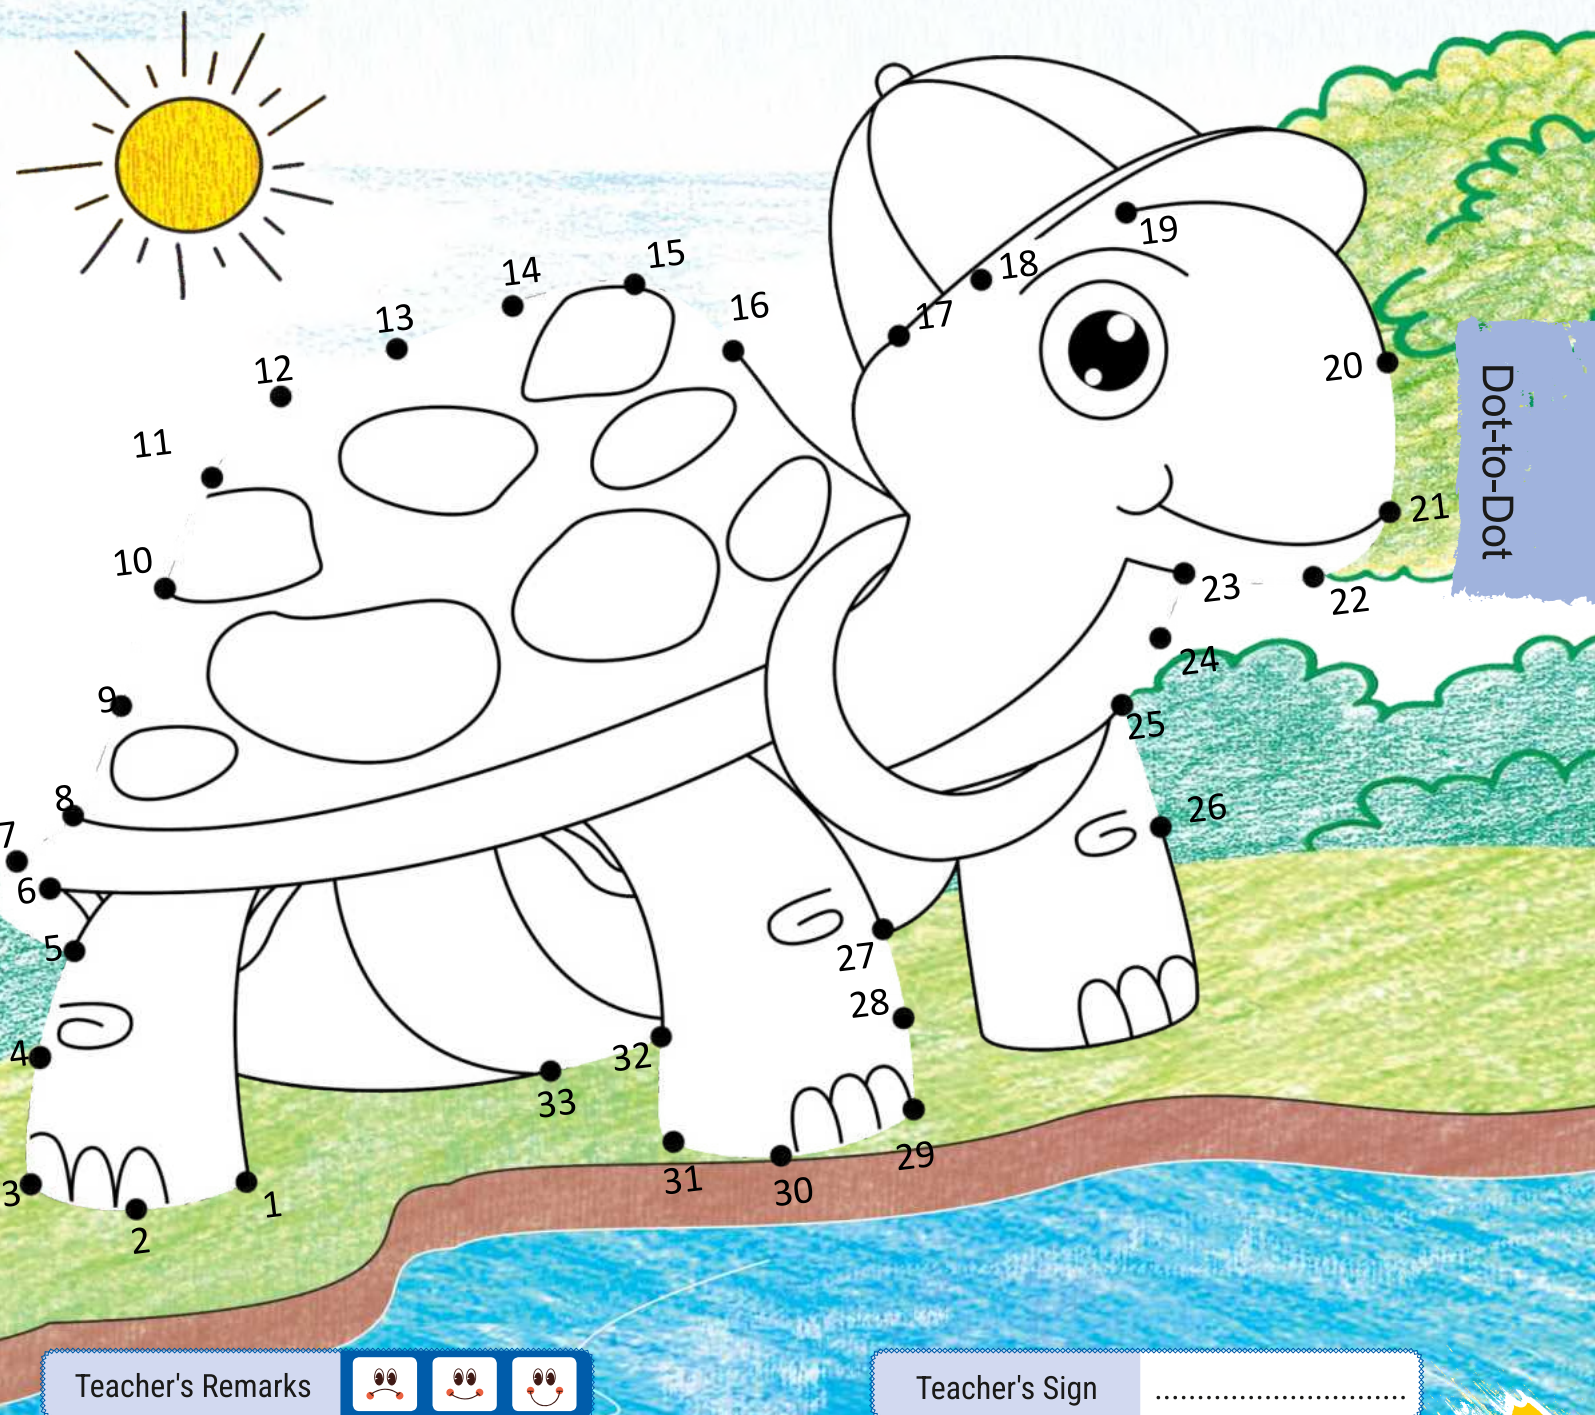

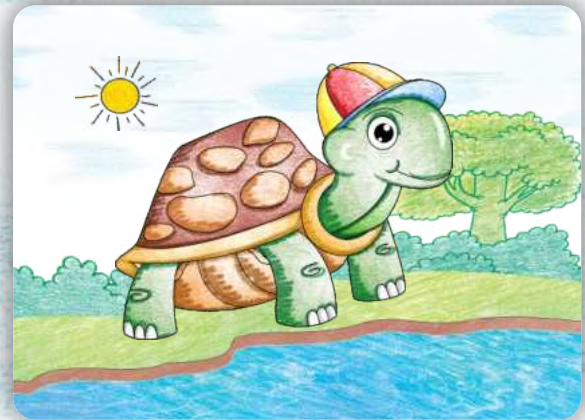

Join the dots to complete the picture of the turtle, and then colour it.

Factopedia

Turtles can live in water and on land.

Skills

- Visual analysis
- Fine motor

Bell Peppers

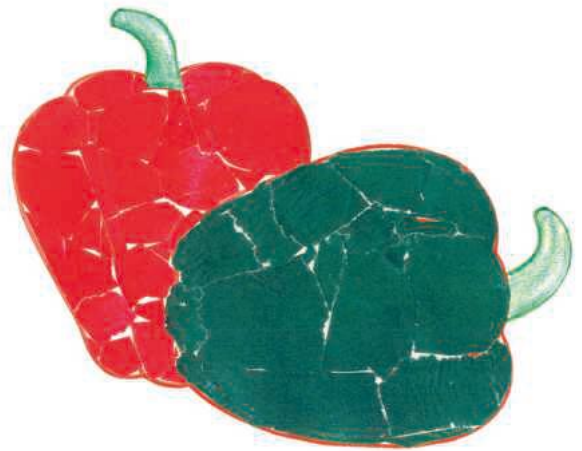

Tear and paste the pieces of green and red origami sheets in the given pictures of bell peppers as shown.

Skills

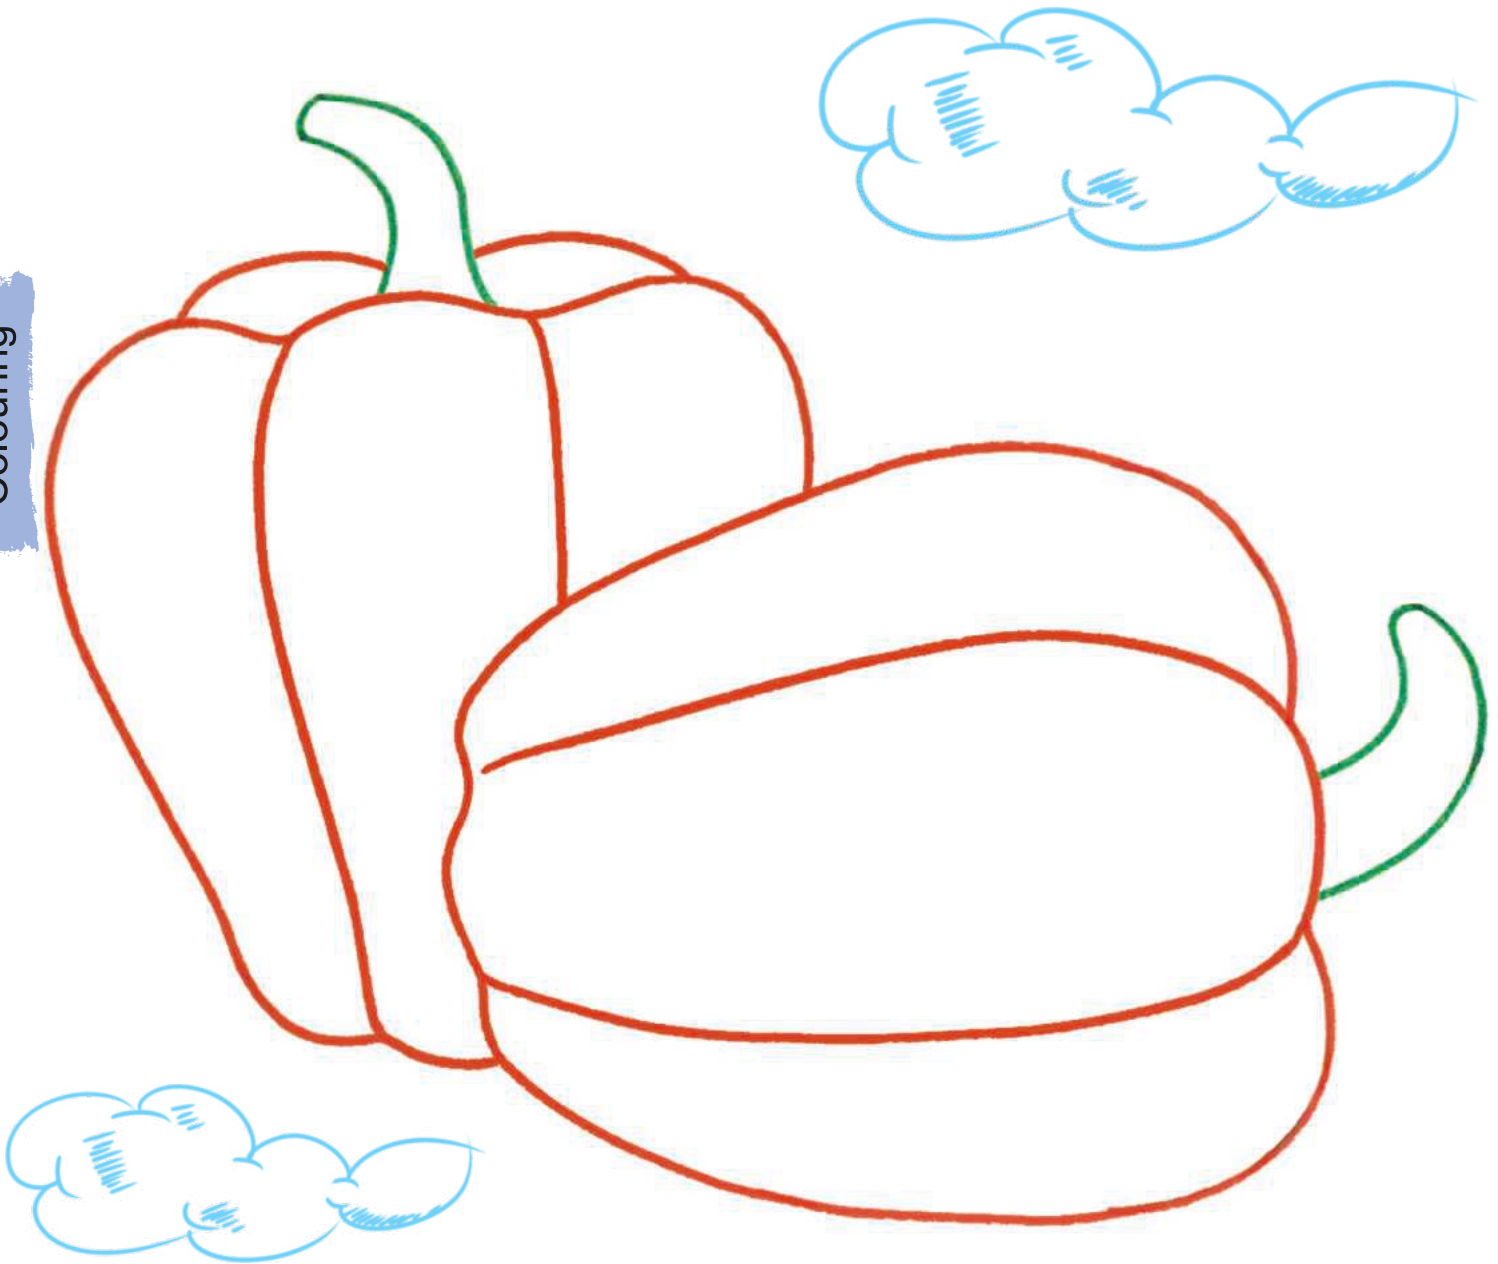

- Observation
- Fine motor

Factopedia

Depending on the colour, bell peppers can have different nutrients.
