# Winchelsea Primary School Swimming Carnival

On March 3rd the Winchelsea Pool hosted our annual Swimming Carnival. Grade one to six students had spent the previous 9 days participating in an intensive swimming program allowing them to build knowledge, skills and understanding around swimming and being safe in and near water.

The carnival was held in sunny conditions with a large crowd attending to support all our swimmers. Grades three to six kicked things off with events in freestyle, backstroke, breaststroke, kickboard and noodle races. Competition was hot and great sportsmanship was on display as well.

The grade ones and twos arrived around midday and used the medium pool to enjoy some relays and fun games before cheering on the older students.

In the end it was a very close victory to Leigh house, winning only by a few points, which was decided in the relays.

We'd like to thank the Winchelsea Pool, our swimming instructors and all of our parents and carers for making our swimming program and carnival a huge success once again.

### 15 & Under Summer Season Premiership!!!!

Winchelsea 33 def South Barwon 22

In the words of the Coach:

*Wow, what a TEAM, What a GAME and What a WIN!*

The girls had a hard slog through the first half of the game going goal for goal against South Barwon. They went into the main change locked at 14 each with our scoring coming easy and our defence making South Barwon work for their score. After the break, we came out and won the "premiership quarter" by six goals. Our whole court defence finally

forced errors from South Barwon and opened up intercept opportunities. Our attacking end continued their smooth transition and consistent scoring. We consolidated in the last to push the game to a comfortable win and allowing our girls to get their first premiership medal. With the talent in this group, I am sure it will not be their last!

Congratulations to all the girls and Zac Wojtowicz. With Zac coaching them through the off season, I am sure he is very proud of the improvement in the group and the dedication they have shown.

From the club we would like to thank all the parents involved in getting the

"summer" teams back happening and their help within the competition, be that team managing, bringing the snacks, scoring or getting players to 5.15pm games. We were lucky enough to field 3 junior teams in this competition. 15 & Under, 13 & Under and 11 & under.

Congratulations also to the 13 & Under side who also made finals but bowed out in the first week. The 13 & Under girls have also had a great season, have improved out of sight and will be ready and rearing for the winter season. The club would also like to thank this group for helping out with the 15 & under side who were short on numbers.

# Coming soon - Your 'Chatty Cafe'

## Tony Phelps, Winch House Chair

Winchelsea Community House will soon start a regular 'Chatty Café' in the Shire Hall, welcoming everyone to a special table where you can sit, relax and chat. No bookings needed, just turn up and you'll be welcomed by our Chatty Volunteers.

## What is a Chatty Café?

The Chatty Café Scheme Australia, a Health promotion and Harm reduction charity, encourages all sorts of hospitality venues across Australia such as cafes, restaurants, clubs, pubs, community centres, libraries, churches, schools, aged-care residences, retirement villages, neighbourhood houses, pubs, hotels, clubs, wine bars and art galleries to provide a shared Chatty table which is where customers can sit if they are happy to talk to other customers and "Have a Chat". Chatty Volunteers, if requested by the venue, can sit at the Chatty table to help introduce the concept to customers and chat to them.

## Who is Chatty Café for?

Chatty customers might be people on their own, in a couple, with a friend, carers, people with a disability, mums with new babies, students, parents with babies and kids, grandparents, people of all ages and from all demographics. Everyone is welcome!

## Why join in?

Chatting is such a simple concept but so important for mental and physical health. Loneliness can seriously impact a

person's sense of wellbeing and cause a range of disorders including anxiety and depression. Having a chat with others in your local community can really brighten your day and create new friendships and social connections.

## How do Chatty Tables work?

The Chatty Tables are for people who are happy to sit and chat with other people. Each Chatty Café venue nominates a day and time for their Chatty Table. There's usually no need to book – everyone's welcome!

At Winch House, we're getting things ready for our first Chatty Café session, date and time to be announced! Yellow is the theme colour, so you'll know exactly where to go when it's there. More soon!!

*Winchelsea Community House offers and runs a wide range of activities and programs, according to community demand. Seniors' walking groups, craft groups, lifestyle courses such as cheese-making, technology courses, job-ready courses such as first aid and RSA. If it helps to build, connect and engage community, we'd love to put it on, subject to financial sustainability. There are office resources such as internet access, public computers, printing, presentation/ conference/meeting rooms plus things like a projector & screen, laptops, something to read from our free book library, and toddler toys through our toy library.*

## Steps to protect yourself and others

Protective steps will help reduce transmission and the impact on the health system. Now is the perfect time to get your 2023 booster vaccine if you're eligible.

Protecting yourself is the best way to protect yourself and the community. If you don't get Covid, you can't spread Covid.

These six steps can help you stay ahead of Covid:

- Wear a mask: a high-quality and well-fitted mask can protect you and others from the virus

- Get your 2023 booster: new bivalent vaccines targeting Omicron variants are available at your GP or local pharmacy. To find out if you're eligible for your next booster, visit the Coronavirus website
- Let fresh air in: open windows and doors when you can, it reduces the spread of the virus
- Get tested: if you have symptoms, take a rapid antigen test
- Stay at home: if you have Covid, you should stay at home for at least five days and until you have no symptoms
- Talk to your doctor: if you are at risk of falling very sick, you may be eligible for COVID medicines

# It's Under Way

## Tony Phelps, WCP working group

Have you heard about the Winchelsea Community Plan yet? Not only will you hopefully hear about it a lot, you'll also have plenty of opportunities to chip in to how the place you live/work/play develops over the coming 3 years or so.

The Winchelsea Community Plan is a new slant on matching what people want to what people get. You may be familiar with the term "top-down planning" (where the powers that be tell you what's good for you) - well this is a "bottom-up planning" process and it's all about giving absolutely everyone in and around Winchelsea the ability to have a say, picking out the common themes, and putting it all together into a master plan for actioning. The end goal is a list of priorities for Winchelsea; what we want to protect most, what we want to build, create or grow. It's not a shopping list for government - it's a project list for locals to jump on board and make happen.

Does it mean that we all get what we want? Of course not - unless the people that care most make it happen. If we all say we want something to be done, yet nobody puts in to bring it to fruition, guess what - it doesn't get done. However, the Community Plan does mean that we can

be confident there is broad community support for a number of important ideas, can form special groups of passionate people, can work out the best way to Get It Done, and then seek the most appropriate funding/resourcing from Shire, State, Federal, philanthropist and/or local sources.

The process has now started, driven by an excellent coordinator in the form of Lisa Jarvis. This is an independent pilot project funded by Surf Coast Shire but they are completely hands-off. Lisa is free to progress however best suits the unique Winchelsea situation. The end goal is the Winchelsea Community Plan itself, to be available primarily to Winchelsea people but also going to Council as a guide for future planning and budgeting. It's very important to recognise that the final Plan is definitely not a list of wants for Council (or anyone) to fund. It's a Plan for locals to make happen whatever is the best way to make happen. The project will see community members design and participate in a community driven process of exploring what matters locally, and what people are motivated to act upon.

There is a working group that is putting together various options and channels for you to get involved. So far we're looking at postcards (jot down your Big and Little

ideas), online and paper surveys, cafe conversations, Facebook. What do you think, how else can we get in front of everyone in Winchelsea and ask the question "What works well, and what can we improve?". If you'd like to join the working group, your skills, experience, time, attention and ideas are very welcome! Contact Lisa on 0456 086 786 or email [kyahvalley@me.com](mailto:kyahvalley@me.com)

So watch out for The Community Engagement Process which we will begin soon - we're aiming for a fun and engaging way for people to explore four questions about where they live – what they want to retain, change, regain and start, and how they can be involved in making it happen.

One thing you can do right now though - follow our Facebook Page, then Share anything that resonates with you. Head over to [facebook.com/](https://www.facebook.com/)

## Its a fact - Singing is good for you!

You are welcome to join in the singing group each Wednesday from 4.45pm until 6.00pm.

"Communal singing fosters wellbeing, builds social bonds - and feels awesome. What's not to love? (Julia Hollander - Why We Sing).

When you sing in a group, whether it's a large choir or a smaller group, the act of collective singing causes your body to release endorphins.

This hormone can help promote positive feelings, and even change your perception of pain.

We are a group of locals who bring our voice (of all shapes and sizes) to the beautiful Shire Hall each week to work with Kai, our leader, to make glorious sounds.

We welcome new comers, it costs \$5.  
 Just turn up.

# Winchelsea Playgroup on Excursion

**Melissa (Mel) Oberin**

On 9th March, Playgroup enjoyed an excursion to Winchelsea Hesse Rural Health's Aged Care!

Everyone was a little shy at first, but in no time at all we were having a lovely time with the very-welcoming residents. We played with farm animals, baby dolls and chatted. My granddaughter Willow loved looking at all of Victor's beautiful colouring books, Oscar had fun showing how the animals rode the little farm tractor-trailer, and there were lots of smiles while watching our little ones crawling around and giving their cutest smiles. Thank you, Caz and Rachel (Lifestyle Team) - we can't wait to visit again soon!

Our Playgroup meets fortnightly at St Thomas Anglican Church Hall on Thursdays, \$5 per family and we ask that you bring a piece of fruit to share (the children all sit together for yummy fruit).

For our next session, on Thursday 23rd March, we're finally back in the Hall for a Beach theme - come along and join our beach activities and craft, and wear your beachwear or anything bright and colourful! For all the details about this

session, our April Easter Session and future sessions join our "Winchelsea Playgroup 2019" Facebook page or call/text Mel on 0456181268. We'd love to see you there.

## WELCOME TO BLUE'S NEWS

The Winchelsea Football & Netball Club celebrated their Season Launch last Saturday night with huge numbers enjoying the night down at major sponsor The Barwon Hotel.

Life Members, Volunteers, past and present Committee members and of course our Football and Netball players together with their Coaches enjoyed a vibrant noisy evening together.

In the only quiet moment of the evening (Thank you Angel!) the Club's Football Reserves and Senior Captains were announced, along with the W.F.N.C. INC. 's Number 1 Ticket holder.

The 2023 Season's Captains are

## RESERVES

Vice Captains:  
DAMIAN TABAKOVIC &  
BAILEY FORSSMAN

Captain:  
HAYDEN WILSON

## SENIORS

Vice Captains:  
MICHAEL BOURDOVALIS &  
LEIGH ELLIS

Co captains:  
TOM STEPHENSON &  
BRENTON REES.

Congratulations to those who have received the honour of being Captains representing the Winchelsea Blues. Good Luck for the upcoming season and may you and your players wear your Navy Blue with pride.

## 2023 NO. 1 TICKET HOLDER

This young man has been a big supporter of the Winchelsea Blues in the last few years where his older brother Tom plays. He has so far had a brilliant start to his A.F.L. career with Collingwood in 2022 relocating in 2023 to play with brother Jack at the Geelong Football Club.

Ollie Henry was pleased to accept the Club's offer of being our No. 1 Ticket holder and the Club is thrilled to have him continue his support of the Winchelsea Blues. There are 3 Henry

brothers, we are fortunate to have Tom and the Geelong Football Club to have Ollie and Jack.

Good Luck for the 2023 season Ollie and we look forward to seeing you around the Winchelsea Blues!

## RAFFLE PRIZE WINNERS

## LAST PRACTICE MATCH

In a last practice hit out the Blues will host Bannockburn at Eastern Reserve, Friday the 24th March. Reserve's match will commence at 6pm. Seniors at 7.20pm.

There will be a basic BBQ from 6.30 onwards, so come on down to Eastern Reserve and show your support for the town's Football Club in what we hope will be a great prelude to the opening round.

## SEASON 2023

The opening round will see the Winchelsea Blues hosting Belmont Lions in a twilight match against the Belmont Lions. Twilight games have proven to be massive events, if anyone reading this can offer any Volunteer assistance - please don't hesitate to call Janet Fletcher – 0400 783 408.

The Club is looking for someone to oversee/manage the Canteen on the 8 home games for this season, if this is something that may appeal to you, please call Janet on the above number.
