TIPS & NOTES:

This recipe will make two mini loaves of bread. You can also make one full size loaf. Just bake it for 40 minutes.

When working with kids remember:

- have fun. Their loaves won't be perfectly shaped but it doesn't matter They still tasted the same!
- Embrace the mess. Kids will be messy and you will end up with flour all over the table and floor but they are going to have fun and so will you! The mess will clean up quickly but the memories will last a long time!!
