

NFT/ TOKEN STAKING PROGRAM

As an added benefit as holder of ArchieMetaNFT & Archie Token, we are offering our holders a unique staking platform. We have set aside 10% (100 million) of our Archie Token for the staking pool. While you are helping the project by locking your tokens in a staking pool, we want to thank you for your patronage and share part of our tokens to you. There are no fees to use our dApp except for the little gas that you pay to stake or unstake. Notably, ArchieChain is set at 4gwei for gas charge.

- There are no fees other than usual gas fees to send and receive tokens.
- ARC will be the gas used on ArchieChain.

In this dAPP 4 types of staking plan are available

In the current staking pools, you get upto:
