

Let's Grow Together

— Get To Know Us

About Our Practice

We approach pediatric care with a 360° plan, tailored to each child's unique needs. We integrate cutting-edge medical science with a holistic understanding of lifestyle factors, encompassing diet and eating habits, exercise and wellness, and intentional medicine.

Not Just Endocrinology

— *A Family*

How We Can Help Your Child

At LIFE, we prioritize the well-being of our young patients, providing unrivaled personalized care that nurtures both body and spirit.

Join us in sculpting a healthier, more abundant future for your child, where every aspect of their journey is meticulously crafted for optimal growth and vitality.

Finally, A New Way

— To Experience Health Care

An exclusive private practice that will prioritize the care of your child. Experience individualized care, ease of access, and an intimate relationship with your child's care team, all with superior hospitality.

LIFE believes in allowing a child and their family to thrive and live fully with specialized, direct care.

We believe your child deserves quality care, so they can have a quality life.

Client Testimony

— California

“My son is in the film industry, therefore we are always traveling to other cities across the United States. Knowing that LIFE is always responsive in monitoring his Type-1 Diabetes, has given us so much relief.”

— Family in Los Angeles, CA

The Healthcare Experience, Revolutionized

Your personalized consultation includes a two-hour appointment with one of the best pediatric endocrinologists in the world. For the first time... you will be heard, validated, and our professionals will curate a customized workup that allows us to treat your child with an approach that combines functional, holistic, and traditional medicine.

Experience a level of hospitality that is unheard of in medicine, with the ability to communicate directly with your care team.

We offer exclusive coordination of care with your other providers, so you don't have to. That's right, we handle it all!
