Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

If there was one quote that best describes last school year and which can serve as the mantra for 2021-2022, it is one from the great French playwright, Molière, who said: *“The greater the obstacle, the more glory in overcoming it.”*

For over a year, the world has faced challenges that we could have never imagined. While a global pandemic was paralyzing in an abundance of aspects, we found that we have an innate resilience as human beings and that, if we come together, we can overcome any adversity that comes our way. This is especially true in terms of interscholastic activities and athletics.

While we saw seasons lost or condensed and missed performances, proms and graduations, we had a common thread that held us together – HOPE. We fought for student-athletes and student activity participants in order for them to have the opportunity to do what they love to do. We collaborated throughout the Land of Enchantment to find ways to move forward in the best interest of all of our students.

We lost battles along the way but we persevered. We became a united front, working together to overcome all that was thrown our way. There were tears, there was frustration and there was discouragement. We clung to hope and dug deep within ourselves to continue to fight and to rally for what we all love. Now, here we are, celebrating the very student-athletes we fought for, watching them participate in this culminating event.

The obstacle was great but, together, we overcame it. Soak this moment in as you cheer for your team and your community. Remember what it was like, starting in March 2020, when sports – and the world - came to a screeching halt and we desperately hoped for the day we would be back in this moment. Cheer for your teams and coaches. Applaud the officials. Be grateful for every single second of this state championship event, keeping in the back of your mind what it was like to go without these kinds of opportunities.

The glory in overcoming the obstacle that has been the pandemic is just part of what we are celebrating. This event is the time to be grateful for the student-athletes, coaches, officials, athletic departments and spectators who comprise the interscholastic family. Just like during the pandemic, remember that we are all in this together and we must celebrate this moment and this experience with a new level of appreciation and respect for the game and all of the people within it.

On behalf of the New Mexico Activities Association and our entire membership, thank you for your steadfastness and courage and thank you for supporting interscholastic activities and athletics in our state. May we celebrate the glory of overcoming such a large obstacle together and may we always Compete with Class in doing so.

Sincerely,

Sally Marquez
