MONKEY ROCK

PREFACE

Sometimes, you just need to let go, be a little wild,
and dance like nobody's watching.

Monkey Rock isn't just a song—it's an energy.

A reminder that joy is still allowed.

This one's for the playful hearts.

It was so real
Let me tell you what I saw
Ten thousand monkeys maby

Chorus

Monkey monkey rock

They were dancing under the
moon

All the monkey so cool
I could hear them sing
Love will win

Chorus

Monkey monkey rock
Monkey monkey rock
Monkey monkey rock
Monkey monkey rock

I woke up from my dream
It was so real
Let me tell you what I saw
Ten thousand monkeys maby

Chorus

A close-up photograph of a monkey's face. The monkey is wearing dark sunglasses and a bright yellow necktie. It is holding a banana in its mouth. The background is a soft, out-of-focus blue-grey color.
