Altis

The Altis Executive range is the perfect choice when it comes to executive office furniture with a traditional style. The deep wood grain gives the Altis range a sense of tradition and style. The Altis range is supported with a choice of storage and meeting room solutions making it the ideal choice for your executive office environment.

Standard Configurations

The Altis executive desk is available in two shape options, the standard rectangle or bow fronted. These designs offer a thick, sturdy, and thoroughly detailed office desk that could be perfect for any individual need. For any further information please get in touch with one of the team.
