

The background of the image is a collage of interior design materials. On the left, there are several color swatches in shades of orange, yellow, and green. In the center and right, there are architectural blueprints showing floor plans for a 'KITCHEN', 'PANTRY', 'GOOD MORNING ROOM', and 'BATH'. A black pen with a silver tip is lying diagonally across the blueprints on the right side. A semi-transparent blue rectangle is overlaid in the center, containing the title and date.

Disclaimer

Please be aware that colors on a screen will appear different for each individual monitor or display. The colors you see here are not guaranteed to be an exact match. Please ask our sales agents about viewing samples in the model home for the most accurate color representation.

Images of homes and products are for illustrative purposes only. Floorplans, options, upgrades, and materials used are always changing in our pursuit of better homes and trending styles. Materials may go out of stock at a moments notice, and all options and upgrades are subject to change or cancellation without prior notice.

Photos used to showcase a particular option or upgrade may also include additional options or upgrades that do not come standard.

For example, a dining room picture may be used to show a 'craftsman trim', but the dining room could also have a 'coffered ceiling'. In this example the 'coffered ceiling' does not come standard with 'craftsman trim', it is a separate option/upgrade that must be purchased separately.

If you have questions or are uncertain about what comes with a certain option or upgrade, please speak with a Windsor Homes community agent / new home consultant.
