Autumn Reset

Completed

Our annual Autumn Treatment has now been successfully completed, and the course is officially back open for play. From tyne aeration to topdressing with sand, the process may have looked a little disruptive, but each step plays a vital role in keeping our greens healthy and performing at their best.

A sincere thank you to all members for your patience during the closure. This essential reset allows the turf to breathe, recover, and strengthen — setting the foundation for smoother, firmer, and more consistent playing surfaces in the weeks ahead.

LIV Golf Lands on South African Soil : 19 - 22 MARCH

South African golf is set for a historic moment as LIV Golf makes its debut at Steyn City this March — and if there were ever any doubts about golf as a spectator sport, they’ve officially been put to rest.

With over 100,000 tickets already sold, the message is clear: golf is no longer just watched in hushed tones behind ropes — it’s becoming a vibrant, social, high-energy experience. This is the evolution of the game, where world-class golf meets atmosphere, music, and a festival-like buzz that’s drawing in a whole new generation of fans.

Leading the charge for South Africa will be the Southern Guards GC, featuring local stars Louis Oosthuizen, Charl Schwartzel, Branden Grace and Dean Burmester — a team that carries both pedigree and national pride onto the global stage. Alongside them, some of the biggest names in world golf will tee it up, adding to what promises to be an unforgettable showcase.

For South African golf, this is more than just a tournament — it’s a statement. The game is growing, the crowds are coming, and the fairways are alive with a new kind of energy.

RACQUET CLUB

FROM LEAGUE BATTLES to LADDER WARS

The Summer League may be done and dusted, but don't pack away the rackets just yet — squash at Victoria Country Club is only heating up.

With the league wrapped up, the focus now shifts to the Club Ladder, where things get a little more personal... and a lot more competitive. This is your chance to challenge, climb, and claim your spot as players begin positioning themselves for selection into VCC teams for the upcoming Midlands Winter League, kicking off in mid-April.

The ladder format brings a fresh kind of energy to the courts. No fixed fixtures, no hiding — just you, your opponent, and the burning question: are you brave enough to challenge up? Expect tight matches, surprise upsets, and a few well-timed “friendly” rivalries along the way.

It's also the perfect opportunity for players of all levels to get involved. Whether you're chasing a top spot or just keen to get more court time, the ladder keeps the game active, social, and just the right side of competitive.

So dust off the shoes, tighten the grip, and start making those calls. The road to the Midlands Winter League starts here — and every rung on that ladder counts.

Game on.

Challenge • Climb • Conquer
