What is a BAsh?

The Chamber hosts two BAshes each year; one in the Spring and one in December. These are "special" BAHs (Business After Hours). They are events that include a delicious dinner, a cocktail, entertainment, and more opportunities to engage with the people you want to meet. These fun events are open to our members and their guests.

The **Spring BAsh** will be returning to Bishop's Little Red Barn on **June 6th**. This outdoor event is an ideal way to kick off the summer.

BAsh
Spring

We are excited to share that we are introducing an opportunity to showcase your business at this outdoor event. Contact either Dee or Dawn at the Chamber office for more details about these limited opportunities.

We will celebrate the end of the year and bring in the holidays together at Bill Miller's Castle for the annual **Holiday BAsh** on **December 12th**.

Holiday **BAsh**

Last year over 100 members and their guests mingled with Santa, while enjoying the fantastic appetizers and dinner buffet. We invited the Arthur Murray Dance Studio team to get everyone on the dance floor, while DJ John "Cadillac" Saville kept music going all night.

We hope you and your team will come out to these upcoming BAsh events. They truly are **a fun and engaging way to come together**, to celebrate, while meeting other businesses from the Shoreline.

Legislative Forum Breakfast

On April 5th, State Senator Christine Cohen, State Representative Vincent Candelora, and State Representative Moira Rader were joined by business owners, town officials and the public for an engaging breakfast at the Nathanael B. Greene Community Center in Guilford. A new feature was to break out into small groups for detailed discussions.

Bagels & Focused Networking for Nonprofits

Thank you to Cohen's Bagels for providing a wonderful start to our focused networking event for nonprofits. Our special guest speaker, Joan Walker of UNAPEN, educated our group about cyber security for nonprofits. It was wonderful to see our nonprofits share ideas and ask questions to Joan about how to protect their organizations.

WELCOME to our new Shoreline Chamber members
