INTRODUCTION

K4 Group of Companies operates with a strong commitment to excellence. We offer a diverse range of services tailored to meet the unique needs of our clients under one roof. Whether you require security services, event consultancy, medical services, CCTV solutions, workforce support, training programs, or global digital services, K4 Group of Companies is here to provide top-quality, reliable solutions.

“WE ARE SMALL ENOUGH TO CARE, LARGE ENOUGH TO DELIVER”

[More Information](#)

ARSALAN KHAN

MESSAGE FROM

K4 GROUP'S CEO

“As someone who has dedicated many years to the security industry, I understand the competitive nature and ever-evolving demands of this sector. From the very beginning, my vision for K4 Group has been to create a company that not only meets but exceeds the expectations of our clients by offering a comprehensive suite of services under one roof.

In today's fast-paced environment, businesses require more than just basic security, they need a partner that can seamlessly integrate various aspects of health, safety, and protection. This is why I have worked tirelessly to ensure that K4 Group provides a full spectrum of services—from security and event management to medical support, training, and CCTV operations. Our goal is to simplify the process for our clients, enabling them to focus on their core activities while we take care of their safety and security needs.

At K4 Group, we are committed to delivering exceptional service with a personalised touch. Our multidisciplinary approach allows us to offer tailored solutions that address the unique challenges faced by each client. By combining our expertise across various domains, we ensure that our clients receive the most efficient, reliable, and innovative solutions available in the market. ”

K4 GROUP'S SUBSIDIARIES

OUR MISSION

Our mission is to deliver exceptional assistance that prioritises the safety, efficiency, and satisfaction of our clients. We strive to build long-term relationships based on trust, integrity, and mutual respect, ensuring that we not only meet but exceed expectations.

At K4 Group of Companies, we aim to deliver exceptional, comprehensive services that seamlessly integrate security, medical, training, and consultancy solutions under one roof. We are dedicated to providing our clients with a unified approach that meets all their needs, from SIA-approved security personnel and advanced CCTV monitoring to world-class event security, mobile patrols, and specialised medical services.

OUR VISION

Our vision is to offer a wide range of services within a single, trusted partnership, we simplify the process for our clients, ensuring that they receive consistent, high-quality service every time. Whether it's safeguarding your property, managing large-scale events, providing critical medical support, or training the next generation of professionals, K4 Group is your all-inclusive solution, ensuring peace of mind and operational efficiency across all areas of your business.

Together, we build safer, stronger, and more resilient communities, empowering our clients to focus on their core objectives while we handle the rest.

AT K4 GROUP, WE DON'T JUST MEET YOUR NEEDS—WE EXCEED THEM!

K4 | Security | Services

“ *Security evolves through innovation, integrity, and dedication.* ”

K4 Security prides itself on efficiently delivering exceptional security services to public, private, and corporate sectors. Our integrated approach combines advanced and latest technological equipment with the expertise of our skilled and SIA-certified security operatives to fulfil our commitments with the utmost dedication.

Our paramount goal is to ensure the safety and security of our clients and the community. This fuels our extensive offering of security services throughout the UK. Our unyielding pursuit of excellence positions us as a leader among security service providers.

K4 MEDICAL SERVICES

At K4 Medical Services, we are dedicated to delivering top-tier medical support with a focus on excellence, reliability, and compassionate care. As a trusted provider in the industry, we specialise in offering a comprehensive range of services designed to meet the diverse needs of our clients, from event medical coverage and Film & TV support to repatriation and CQC registered ambulance services.

Our highly trained medical professionals are equipped with the latest technology and resources to ensure the highest standards of care in every situation. Whether it's a large-scale public event, a film set, or a critical medical transport, K4 Medical Services is committed to providing swift, effective, and personalised solutions that prioritise the well-being and safety of all those we serve.

With K4 Medical Services, you can trust that your medical needs are in expert hands, allowing you to focus on what matters most while we handle the rest.

MERGER OF PRIMARY AMBULANCE SERVICES & K4 MEDICAL SERVICES

We are thrilled to announce that Primary Ambulance Services, a CQC Registered Ambulance Service, is merging with K4 Medical Services. This strategic partnership will see K4 Medical Services overseeing the operations of both companies, allowing us to enhance the quality of care and support we provide at our events.

This merger will enable us to offer Patient Transport Services (PTS) across the South East of England, ensuring that our community receives the best possible medical support. By combining our resources and expertise, we are poised to deliver more efficient, reliable, and comprehensive medical services.

Our commitment to excellence remains unwavering. With this merger, we aim to expand our capabilities, improve response times, and provide a broader range of services to meet the diverse needs of our clients. Whether it's emergency medical care, event medical coverage, or patient transport, we are dedicated to delivering exceptional service with compassion and professionalism.

We are excited about the future and the positive impact this merger will have on our community. Stay tuned for more updates as we embark on this exciting journey together!

K4 TRAINING COMPANY

K4 Training Company is a proud subsidiary of the K4 Group of Companies. It is BIIAB, QNUK, and Qualsafe approved training provider. We are dedicated to delivering high-standard, approved, and certified training programs tailored to meet the needs of individuals and organisations. Our comprehensive range of courses, including SIA Door Supervisor, CCTV Operator, FREC-3 (First Responder Emergency Care) and Emergency First Aid at Work, ensures that our participants are well-equipped with the essential skills and knowledge to excel in their security careers.

We prioritise quality, professionalism, and excellence in all our training programs. Our expert instructors are committed to providing hands-on experience and practical training that adheres to industry standards. To further enhance the learning experience, we utilise the same advanced Learning Management System (LMS) as K4 Security Services, providing our participants with easy access to course materials, progress tracking, and online assessments. This LMS ensures a seamless and interactive learning journey, allowing participants to study at their own pace and revisit key concepts as needed.

WHY K4?

01

Live Reporting System

K4's 24/7 Live Reporting System sets us apart by providing real-time insights into security operations. This innovative tool enhances transparency, allowing clients to monitor incidents, track patrols, and access critical data instantly.

02

Continuous In-House Training

The K4 Training Company is an approved deliverer of both BIIAB and QNUK qualifications, with a pool of experienced trainers and assessors.

Through our in-house training centre we can not only respond to individual client needs for specific training for our staff, but we also conduct regular training days so that our staff stay up to date as well as conduct audits and assessments of our teams in their working roles to ensure competency in their duties.

03

Learning Management System (LMS)

Our LMS serves as a centralised hub, seamlessly managing and monitoring training programs for our personnel. With user-friendly interfaces, robust analytics, and real-time progress tracking, the K4 LMS empowers our team, fostering a culture of continuous learning, adaptability, and excellence.

04

Uniformed Officers

K4 supplies and enforces the use of appropriate PPE for operatives, ensuring their safety during all conditions. Our officers come in a tactical vests, caps and proper safety boots which provides a professional image to the clients.

05

One-Stop Shop For All Security Solutions

K4 Group of Companies stands as the ultimate One-Stop Shop for comprehensive solutions. From expertly trained personnel to cutting-edge technology, We offer a holistic approach to address diverse needs under a single roof,

OUR SYSTEMS

Timegate- Scheduling System

- **Comprehensive Reporting:** Access detailed live event analysis and incident reports.
- **RFID Foot Patrols:** Ensuring efficient and secure on-site patrols.
- **24/7 Control Room:** Monitoring and managing operations round the clock.

NFC-Integrated Patrol Tags

- **Enhanced Visibility:** Improve overall visibility of security personnel movements, fostering a proactive and responsive security environment.
- **Detailed Oversight:** Access to comprehensive reports and analytics, offering detailed insights into patrol activities, timing, and adherence to protocols.

JotForm & Servicetrac Incident Reporting Software

- **Customisable Reports:** Tailored reports to match specific needs, adjusting elements such as images, task checklists, and incident data fields.
- **Export Capabilities:** Allows K4 to export electronic reports in multiple formats (PDF, Excel, CSV) for sharing or further analysis.
- **Transparency:** Our proprietary incident reporting software allows for the swift documentation and reporting of any security incidents. This aids in post-event analysis and the development of strategies to enhance future security measures.

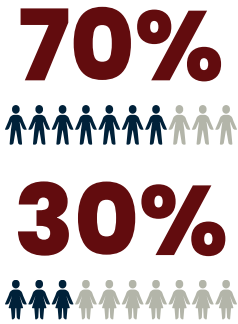

GPS & Live Streaming Body-Worn Cameras

- **Live monitoring:** 24/7 Control can monitor staff locations any time during the shift, ensuring safety during incidents.
- **SOS Technology:** Allows officers to press the SOS button in case of emergency which connects the officer to the control room for assistance.
- **Evidence Gathering:** Whole incident is saved in the cloud and can be retrieved in case of any complaints or prosecution after the event.

DIVERSITY AND INCLUSION

Diversity and inclusion at K4 Group of Companies are not just values, they are woven into the fabric of our organisation. We celebrate uniqueness, fostering an environment where varied perspectives and backgrounds thrive.

Our commitment to inclusion extends beyond policies, it's a daily practice, ensuring every member of our team feels valued, respected, and empowered.

ENVIRONMENTAL SUSTAINABILITY

Sustainable Materials

K4 ensures that 60% of materials and products used in the contracts are sourced from sustainable and ethical suppliers.

Carbon Footprint Reduction

We continuously explore ways to reduce our carbon footprint, such as optimising patrol routes, encouraging the use of public transportation for staff commuting, and adopting green technologies where applicable. K4 commits to a 20% reduction in our carbon footprint, working towards achieving a net-zero carbon impact by 2050.

Investing in Eco-Friendly Technologies

K4 actively engages in local environmental initiatives, contributing to the creation of greener and cleaner public spaces. We are committed to adopting environmentally friendly practices. This includes using eco-friendly equipment, minimising paper usage through digital processes, and promoting energy-efficient solutions.

Electric Vehicles

As part of our promise towards the carbon reduction plan, K4 has now included a fleet of electric mobile patrol vehicles for its operational requirements which will ultimately replace the fuel usage.

SOCIAL VALUE

K4 Group of Companies' commitment goes beyond providing top-notch services and solutions, we are dedicated to creating meaningful social impact. As a responsible corporate company, we recognise our role in contributing positively to the communities and industries we serve. By choosing K4 Group of Companies, you're not just investing in premium services, you're contributing to a company that prioritises social values.

Employment Opportunities

K4 is committed to providing employment opportunities within the communities we operate. By hiring locally, we contribute to economic growth and empowerment, ensuring that our workforce is a reflection of the diversity within the regions we serve.

Community Engagement

We actively engage with the communities where we operate, fostering relationships that extend beyond the scope of our security services. Through outreach programs, partnerships with local organisations, and active participation in community events, we strive to be a positive force for change.

Community Safety Initiatives

K4 is dedicated to enhancing community safety through targeted initiatives. Whether it's supporting neighbourhood watch programs, organising safety workshops, or collaborating with local law enforcement, we actively contribute to creating safer communities.

Training and Development

Investing in the education and training of our staff and the broader community is a cornerstone of our social value initiatives.

We offer comprehensive training and development programs, equipping our team with the tools they need for personal and professional growth.

Health and Well-being

The well-being of our employees and the communities we serve is paramount. K4 invests in health and wellness programs, promoting physical and mental well-being for a healthier and happier community.

Charitable Partnerships

We believe in giving back to society. K4 actively participates in charitable partnerships, supporting causes that align with our values.

From local charities to national initiatives like poppy appeal and help for heroes, our aim is to make a positive difference in the lives of those in need.
