360 Collective

A full-page photograph of two women standing on a stone terrace. They are wearing matching tropical print outfits: one in a two-piece set and the other in a tiered dress. The background features a clear blue sky, distant mountains, and a small town. The word 'LOOKBOOK' is overlaid in large white letters at the bottom.

ABOUT HT360 COLLECTIVE

The fashion industry has been long associated with excessive waste, pollution and exploitation of resources. However, our eco-friendly collection aims to change that narrative by prioritizing sustainability and ethical practices. We have created a collection that not only looks fabulous, but also aligns with our commitment to a greener future.

We are embracing innovative techniques such as natural dyeing and low-impact printing processes, utilizing plant-based dyes, that creates unique, vibrant colors.

By employing low-impact printing methods, we minimize water usage and eliminates the need for harmful chemicals.
