Horse Single Black Leather Halter w/Brass Chain

Horse Double Leather Halter w/Brass Chain

Horse Black Leather Halter with Brass Chain

- The Horse Black Leather Halter with Brass Chain is a sleek and durable equestrian accessory designed for effective handling and control. Crafted from premium black full-grain leather, this halter combines classic style with practical strength, suitable for everyday use, training, and transport.
- Featuring a single leather strap construction, it offers a streamlined fit that is both comfortable for the horse and easy to adjust. The attached brass chain under the jaw provides additional control and security, especially useful for managing spirited or strong horses.
- Softly padded sections at key contact points reduce pressure and enhance comfort, while the rust-resistant brass hardware and adjustable buckles ensure durability and a secure, customized fit.
- Ideal for horse owners and trainers seeking a balance of elegance, functionality, and reliable control, the Single Black Leather Halter with Brass Chain is a dependable choice for all handling needs.
