ONLINE SESSION ~ RANCH HORSE - GOTTA STAR COWGIRL - 2019 AQHA Black Mare x Watch Me Go Cowboy x Sir BeA Cowboy out of Bar L Sugar Girl x Gotta Sweet Leo. 14.3hh. If you're looking for a real deal ranch horse, Snoopy is your gal. She has done absolutely everything from tagging and doctoring calves, tying bulls down, branding, loading cows in the trailer, halter breaking colts, to picking up broncs. This mare has covered thousands of miles across multiple states, from Texas to Montana. Snoopy will go all day and still have gas in the tank when you get back to the trailer; she's been my go-to for those big days when I'm unsure of what is to come! She knows her leads, lead changes, and spins, has a really big stop, works gates, and crosses water and bridges. She has been roped on out of the box on both ends. Very good to shoe, bathe, load, trim, tie, and is an easy keeper. 6-panel negative. VIDEO: <https://youtu.be/eOrQRkafjj42?feature=shared> FMI: 406-720-0734. Coggins. MOR1

ONLINE SESSION - MOONLIGHT - 2015 GRADE Black Gelding. 15hh. Moonlight has been used on a ranch from checking cows to fixing fence. Moonlight is extremely flashy with a lot of eye appeal. His blaze face and jet black coat makes him stand out of the crowd. His forehead as little scar from years ago and his right front hoof as an old wire scar that hasn't effect his life at all. Easy to catch, will stand all day tied, and he's easy to pony. Moonlight would like someone with horse knowledge and not jerk him around. Once he's warmed up, he's ready to ride all day. VIDEO: Contact Seller. FMI: 307-388-2624. Coggins. MO2

ONLINE SESSION ~ RANCH HORSE - LB - 2018 GRADE Jet Black Draft/Pony Cross Gelding. 14hh and is cool as they come. Extremely athletic and game for any job put in front of him. We've owned him since he was 3 and have enjoyed every minute of it. "LB" has been used extensively on the ranch from calving and tagging calves, branding in the spring, shuffling bulls, doctoring yearlings in the summer, to gathering and sorting bucking horses for our college rough stock practices. He is something special to sit in the gate and sort on in the fall, and knows what it feels like to be tied onto a cow that outweighs him and drag into a trailer, with help of course. "LB" weighs around 1000lbs and most of that is heart. He's the kind of horse that gives you his all, every time you ask him. He's packing 4 of the best black feet you'll find, and will not, I repeat, will not flick an ear while trimming/shoeing him. "LB" really rides around and is "feely" so in saying that I would recommend if purchasing for a kid, as long as that kid can ride horseback solo in rough country they'll get along. Our kids are still packin diapers so that is the only reason for selling. Too nice of a horse than to just sit around for another 10 years for them to be old enough to use him. This type of horse doesn't come around very often. Feel free to call/text with any additional questions as we have a ton of video of this horse in his work clothes. VIDEO: Contact Seller. FMI: 307-257-3020. Coggins. MOR3

ONLINE SESSION - SHEZA LITTLE WHIZ - 2015 APHA Dun Tobiano Mare x Blueberry Whizard x Berry Sweet Whizard out of WWW Sheza Liti Lala x MHMQuincyWarbonnett. Aspen is an easy going, super broke, kind eyed mare that had been working the ranch life on the Rocky Mountain front. She is a horse that you can hop on and go rope anything from a baby calf, to a bull or cow, she's got all the try you need. She's cowy super nice to sort on or track to rope she will put you there. She is easy to shoe and will come with a fresh set put on her. Take her, breed her or keep using her, she has plenty of life left. If you're looking for a nice broke mare, you don't want to miss out on Aspen. VIDEO: Contact Seller. FMI: 406-868-3075. Coggins. MO4

ONLINE SESSION - RENEGADE - 2019 GRADE Black Paint Pony Gelding. Don't let his size fool you, Renegade will keep up with your big horses and go all day long. He has been used by my daughter for barrels, poles, goat tying. He has been in multiple 4th of July parades. Renegade lives to work cattle and is good with ropes. You can give him time off and jump on him without having to worry. He is good for the farrier and easy to catch. VIDEO: https://youtu.be/6Xox4Q1_R5s FMI: 719-930-0518. Coggins. MO5

ONLINE SESSION - RUBEN - 2015 GRADE Sorrel Paint John Mule. Ruben is a very handsome sorrel and white paint John mule that we purchased from Jason Griffin at the Jake Clark Mule Days sale in Cody Wyoming in June of 2024. He stands 15 hands and weighs 1150 lbs. He is very well broke, has a nice easy neck rein and is very smooth. I bought him for my 68 year old wife and though she has ridden him at the ranch numerous times and on trail rides, she feels he is too tall and a little too much for her. He is very stout, athletic and can go all day every day. He can really cover the country and is plenty fast. You can sure enough get around cattle and turn em. I like riding him for gathering and working. He is gentle and easy to be around. He is easy to catch, saddle, bridle, trim, shoe, bathe, and is good with his ears. He is very handy at working gates. He has a very smooth trot and lope and a fast ground covering walk. His prior owner said they doctored yearlings on him. Ruben is a real head turner. You will be the hit of the parade or the envy at the gathering when you ride up on Ruben. VIDEO: <https://www.youtube.com/watch?v=I4McG7xIicw> FMI: Toby McWilliams 325-277-9881. Coggins. MO6

ONLINE SESSION - TR PEONITAS REY - TR Kit Rey x TR Dual Rey out of Dunit Peponita x Definitely A Dunit. Declan is a clean-made little gelding around 14.2 hands. He has been ridden on the ranch and in the arena. He is very comfortable in his gaits, takes both leads, will come soft off the bridle and has a nice useable feel. We've used him to pasture doctor a few heifers and catch calves where he holds his own and sets you up nicely for a shot. We think he'd make a fun heel horse! Declan is very honest with no hump or buck. He came back gentle after being laid off for part of the winter and has never offered to do anything stupid. He has a lot of heart and quick feet, but is gentle. Declan is good for the farrier, has good ground manners and has ground tied great. He has some "old and cold" scars on his legs from being a ranch horse but they are not a factor to his soundness. Sells as-is. Current video and pictures available at Diamond Ranches 307 Facebook and YouTube! Happy to answer questions. diamondranches307@gmail.com VIDEO: Contact Seller. FMI: 307-267-2309. Coggins. MO7

This grey gelding is in the prime of his life and has been there and done just about everything you could imagine from roping, sorting, gathering rough country, and showing in town. Has won money in reined cow horse shows and been entered in multiple ranch rodeos. He's had most of the past winter off and came back ready to go to work, no buck ready to ride. My wife and 12 year old have ridden him no problems. VIDEO: <https://youtu.be/8FJB1ucW8g> FMI: 406-940-5082. Coggins. MOR9

This mare has covered thousands of miles across multiple states, from Texas to Montana. Snoopy will go all day and still have gas in the tank when you get back to the trailer; she's been my go-to for those big days when I'm unsure of what is to come! She knows her leads, lead changes, and spins, has a really big stop, works gates, and crosses water and bridges. She has been roped on out of the box on both ends. Very good to shoe, bathe, load, trim, tie, and is an easy keeper. 6-panel negative. VIDEO: <https://youtu.be/eOrQRkafjj42feature=shared> FMI: 406-720-0734. Coggins. MOR1

Ranch Ridden, Arena, Too!!

ONLINE SESSION - TR PEONITAS REY - TR Kit Rey x TR Dual Rey out of Dunit Peponita x Definitely A Dunit. Declan is a clean-made little gelding around 14.2 hands. He has been ridden on the ranch and in the arena. He is very comfortable in his gaits, takes both leads, will come soft off the bridle and has a nice useable feel. We've used him to pasture doctor a few heifers and catch calves where he holds his own and sets you up nicely for a shot. We think he'd make a fun heel horse! Declan is very honest with no hump or buck. He came back gentle after being laid off for part of the winter and has never offered to do anything stupid. He has a lot of heart and quick feet, but is gentle. Declan is good for the farrier, has good ground manners and has ground tied great. He has some "old and cold" scars on his legs from being a ranch horse but they are not a factor to his soundness. Sells as-is. Paint John Mule

ONLINE SESSION - RUBEN - 2015 GRADE Sorrel Paint John Mule. Ruben is a very handsome sorrel and white paint John mule that we purchased from Jason Griffin at the Jake Clark Mule Days sale in Cody Wyoming in June of 2024. He stands 15 hands and weighs 1150 lbs. He is very well broke, has a nice easy neck rein and is very smooth. I bought him for my 68 year old wife and though she has ridden him at the ranch numerous times and on trail rides, she feels he is too tall and a little too much for her. He is very stout, athletic and can go all day every day. He can really cover the country and is plenty fast. You can sure enough get around cattle and turn em. I like riding him for gathering and working. He is gentle and easy to be around. He is easy to catch, saddle, bridle, trim, shoe, bathe, and is good with his ears. He is very handy at working gates. He has a very smooth trot and lope and a fast ground covering walk. His prior owner said they doctorated yearlings on him. Ruben is a real head turner. You will be the hit of the parade or the envy at the gathering when you ride up on Ruben. VIDEO: <https://www.youtube.com/watch?v=I4Mc67xIicw> FMI: Toby McWilliams 325-277-9881. Coggins. MO6

I can promise you if you're looking for a trail horse it would be hard to find one any better than Coy. He's always up for an adventure, he will go all day and never miss a beat. Up mountains, down mountains, through tight ravines, over logs, goes onto water, through brush. You name it, Coy is the trail deluxe. You need to gather cattle Coy can do that too and is no stranger to a hard days work. Any time of the day, rain or shine he will saddle up and ride off just the way you put him up the last time. Although Coy is extremely safe and won't ever give you more than you ask for, he has some speed if you're looking for it! At only 7 years old it's not too late to have a jam up little rodeo pony and it wouldn't take a professional to get him there! He's quick to learn. He's been around big crowds and all of the hustle and bustle of rodeos being used as a queening horse. He handles it all with ease. Coy does have a superficial scar on each front leg that does not affect him in anyway. Need a best friend Coy is your boy, he loves attention and very affectionate back. In the arena she is solid on all her reining maneuvers, she is naturally low headed, holds her frame and is so graceful in all her movements. Not only is she finished in the arena but she she is solid, quiet and confident out on the trails. We have owned her for over a year and she has seen many miles on the ranch, in all weather and rough terrain. She is sure footed and goes where she is asked. We have given her time off and saddled her up in negative degrees to go do chores with no issues at all, just as quiet and solid as if it was 80 degrees out. Honey is very loving and kind, she meets you at the gate and enjoys being around people. She wants to be everyone's friend and is happy to be wherever you are. Out on the trail she is happy to ride in a group or she will ride out alone. Not buddy sour or barn sour. Honey gets along well in a mixed herd, she even likes the potbelly pig and the barn cat sleeps in her feeder. She is also happy by herself in a box stall. She has no vices or bad habits. She is not mare-ish. She loads in, backs out of the trailer and hauls well. We purchased Honey directly from the lady who raised her so she has had excellent care her whole life. Honey is good for the vet and stands well for the farrier. She is up to date on worming, vaccinations, dental and farrier. She comes with her vet and dental records. We had a basic PPE done and we welcome you to do your own PPE. She is 5 Panel N/N. We also welcome you to come to the ranch and meet Honey.
