Dear Archie Family,

Firstly, thank you all for your continued support. I have been working many hours a day to accomplish our goals and trying to keep you updated as well. But time to time, I forget things and get carried away.

1. Our Archie Token on ERC20 has been stopped trading as of March 20, 2023 at 11:59:59 CST. I have taken a snapshot of the Dextools and imported all wallet information to process the upcoming Airdrop for our all new ArchieToken on Archie Network.
2. Launching of Archie Token on Archie Network will be announced after Archie Network Launch along with ARC Coin on Archie Network and BSC Network simultaneously.
3. **DO NOT FORGET THAT YOU WILL NEED "ARC" IN YOUR WALLET TO "BUY OR SELL" Archie Token.**

4. I am attaching a PDF (<https://heyzine.com/flip-book/dd879cdef8.html>) with a list of all wallets and value at the time of TRADE STOP. Please refer to the list and make sure your wallet is in there (I have tried my level best to check few times and being a human, If I made a mistake overlooking, more than happy to correct myself) and the value is correct.
5. You will not have to do anything to receive your new Archie Token on Archie Network. Your token will be air dropped prior to launch of Archie Token on Archie Network. But, you must add Archie Network (<https://heyzine.com/flip-book/079c138f97.html>) to your existing wallet and once the Archie Token address is available. It will be published on our social media along with website, please add that to your new Archie Network within your wallet.
6. Please check the attached whitepaper and visit our website at www.archietoken.io for updated information.
