Group Work- Self Assessment

PROJECT:

How did I start solving the problem?

How did we assign roles?

Was it helpful to provide feedback for one another?

Could we have made more efficient use of our timing?

What do I think went well?

Did I feel restricted given the quality criteria we agreed on?

How would I have changed this?

What should I keep in mind for next time?

How did my group approach this project?

What role did I play?

Do I think my group accurately answered our question? Why or why not?

What grade would I give my group based on my answer?

What would I do the same or differently next time?

Reflect on your hard work

Great reflections include specific information about the work you chose.

ASK YOURSELF....

Did I try my best? What did I do the best? What could I do better next time? Did I work cooperatively with my teammates? Did I use all of my resources?

**Describe
what you accomplished today:**
