About Us

25 years

of experience, FC Group of Companies continues to exist and to be an outlet of design and expression. Our mission is to provide accessibility to innovative, customer-centric design solutions with superior quality and exceptional service. What sets our products apart are the quality and design that never settle for less; a standard that will suit different lifestyles and functionality. Through the years, our passion for innovation paved the way for us to be one of the leading ceramic brands in the Philippines.

FC Sanitary Ware

FC Group of Companies, with its award-winning brands FC Floor Center and FC Tile Depot, presents its own brand of high-quality ceramic sanitary wares. This collection integrates utmost functionality and smart design into bathroom fixtures like water closets and basins to make every day at home pleasant and elegant. It introduces technology that promotes a hygienic and healthy lifestyle with quality products.

- **SELF-CLEANING GLAZE TECHNOLOGY**

Has a special ceramic coating that maintains a cleaner surface and smooth finish through the action of water, preventing stains, molds, and foul odor

- **POWERFUL TORNADO FLUSHING**

Gives an antibacterial effect with the strong whirlpool motion that prevents germs and bacteria from spreading throughout the bathroom area

- **WATER-SAVING AND ENVIRONMENT-FRIENDLY**

Dual flush system with 3 liter and 6 liter flushing options for conserving water and has no negative environmental impact from manufacturing to disposal

- ✓ ***FC EXCLUSIVE***
- ✓ ***HIGH QUALITY CERAMIC MATERIAL***
- ✓ ***EASY AND SIMPLE INSTALLATION***
