One program. Five channels. Pay per lead.

Performance-driven lead generation combined with integrated media amplification.

Content Syndication

Distribute your white paper, case study, e-book, or blog to a targeted audience of retail & hospitality executives. Guaranteed leads that match your ICP — priced on a unique cost-per-lead (CPL).

Bundled Media Amplification

Layer on up to 5 integrated media channels — website, e-letters, dedicated email, and LinkedIn — to extend reach and reinforce your message across the RH-Hub ecosystem.

Simple Performance Pricing

The whole program is priced on a single CPL model. You choose which channels to include and how many leads you want. You pay only for verified, opted-in contacts who engaged with your content syndication.

Content syndication + your choice of these media options.
