RECIPIENTS

MADISON COUNTY
COMMUNITY
FOUNDATION

The Madison County Community Foundation is pleased to announce the recipients of the 2026 Lilly Endowment Community Scholarship for Madison County: Caleb Shipley of Frankton High School and Sydney Wagner of Liberty Christian High School.

Each Lilly Endowment Community Scholarship provides full tuition, required fees and a special allocation of up to \$900 per year for required books and required equipment for four years. The scholarship is for full-time undergraduate students leading to a baccalaureate degree at any eligible Indiana public or private nonprofit college or university. Lilly Endowment Community Scholars are known for their community involvement, academic achievement, character, and leadership.

Caleb Shipley, a senior at Frankton High School, is known for his exceptional academic achievement, leadership, and deep commitment to both his school and community. Ranked third in his class with a 4.3 GPA, Caleb has pursued one of the most rigorous academic paths available, earning numerous College Board recognitions and National Merit distinction. A captain of both the football and wrestling teams, he has been honored for his character, integrity, and academic excellence. Beyond athletics, Caleb has invested extensively in service, from youth sports mentorship to Students in Action and National Honor Society projects, while also carrying significant responsibilities at home and maintaining employment to support his family. Caleb's passion for physics has shaped his vision for the future. As he shared in his application, "Nothing propels me in life more than physics. For me, nothing in life could be more fulfilling than pushing the boundaries of human knowledge and understanding more about the fundamental nature of the universe." He hopes to pursue a doctorate in physics and contribute to nuclear or plasma research.

Sydney Wagner, a senior at Liberty Christian School, has distinguished herself through strong academics, broad leadership, and remarkable service to Madison County. Ranked second in her class with a 4.1 GPA, Sydney has earned multiple departmental awards and repeated placement on the Principal's List. As Student Council President, she has dedicated more than 1,000 hours to planning schoolwide events, strengthening student engagement, and building a culture of connection. Her leadership extends into athletics as a cheerleader and an award-winning volleyball player. Sydney's community involvement includes volunteer work with organizations such as Gathering of the Queens, the Christian Center, Legends League, and the Salvation Army. With a passion for hospitality and event management, she hopes to create spaces that bring people together. Sydney shares, "Many young women who don't have a strong support system tend to replicate the cycle of poverty... My vision is to create a program... to empower young girls and teach them both educational tools and life skills that will help them thrive beyond the classroom."
