The Adventure of Gi and Ni
with the Shiny Big Eyes

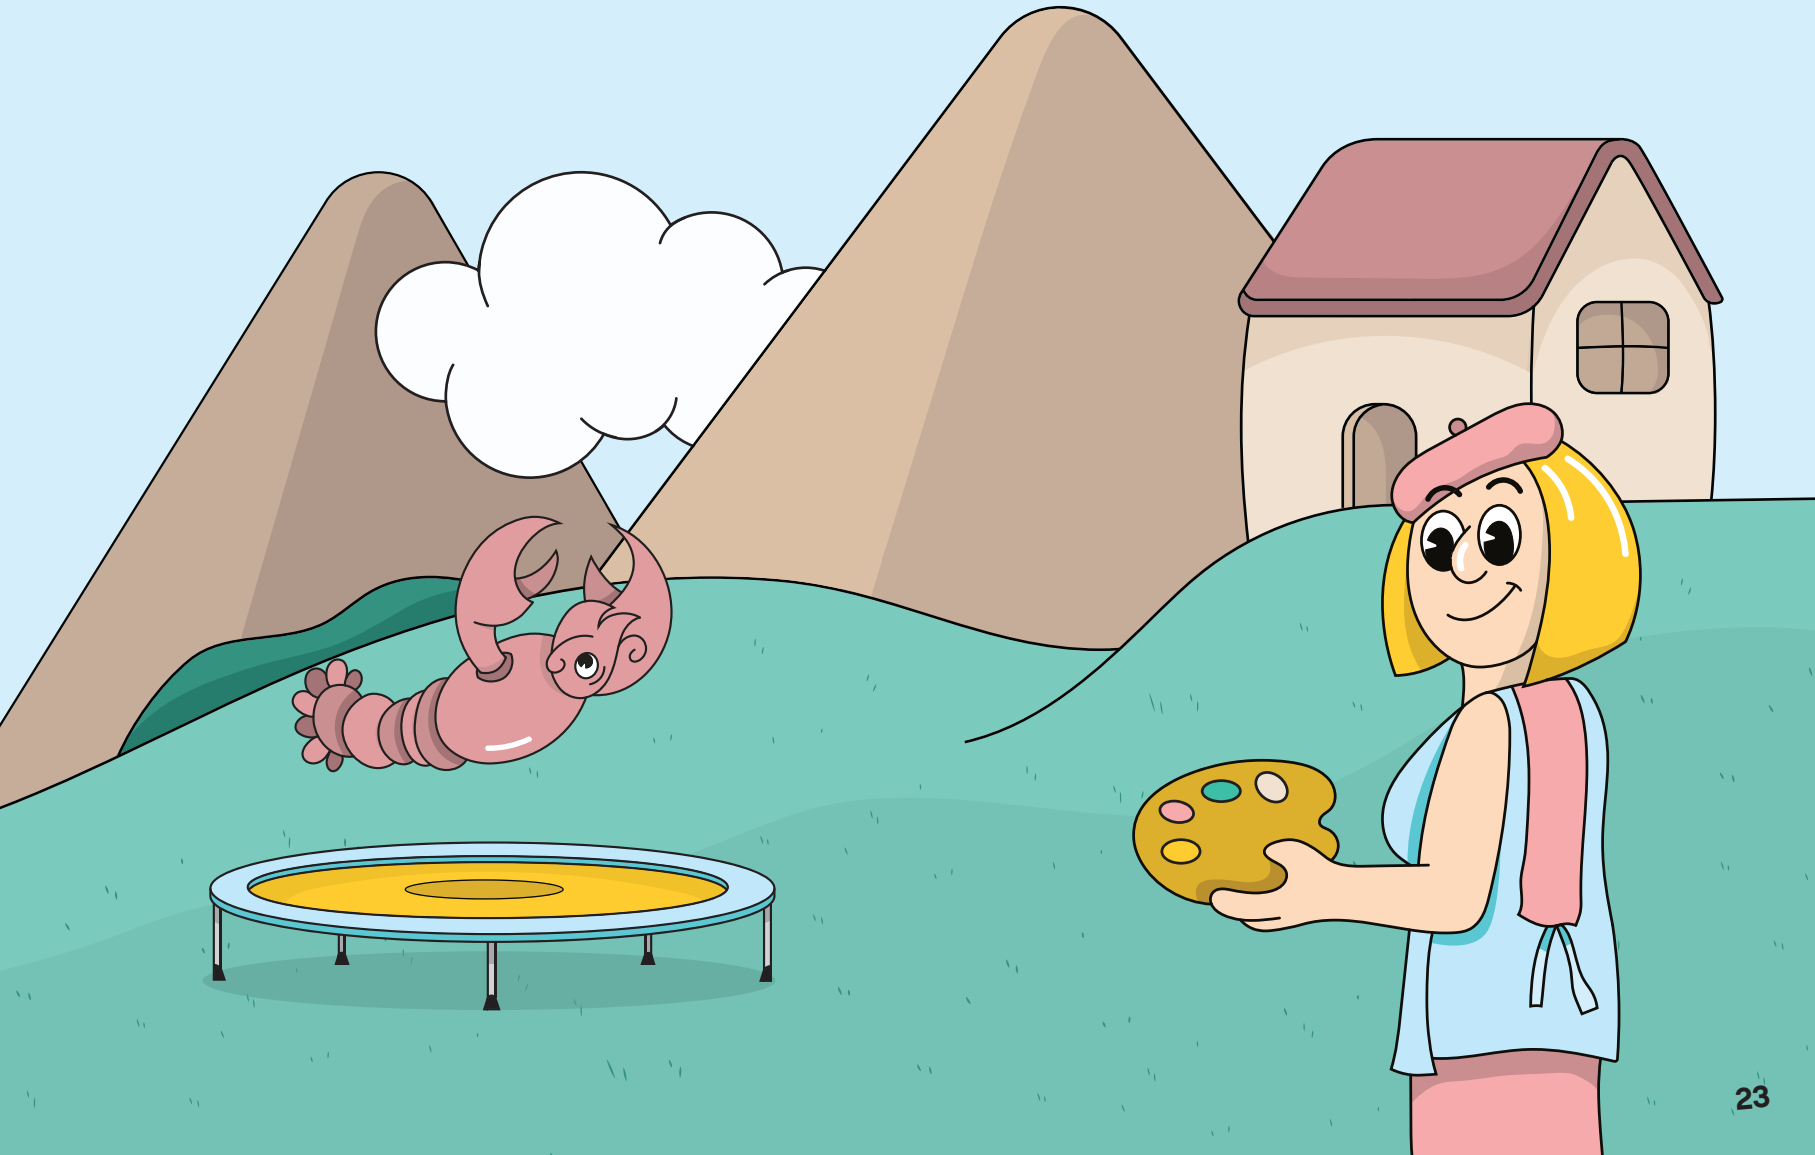

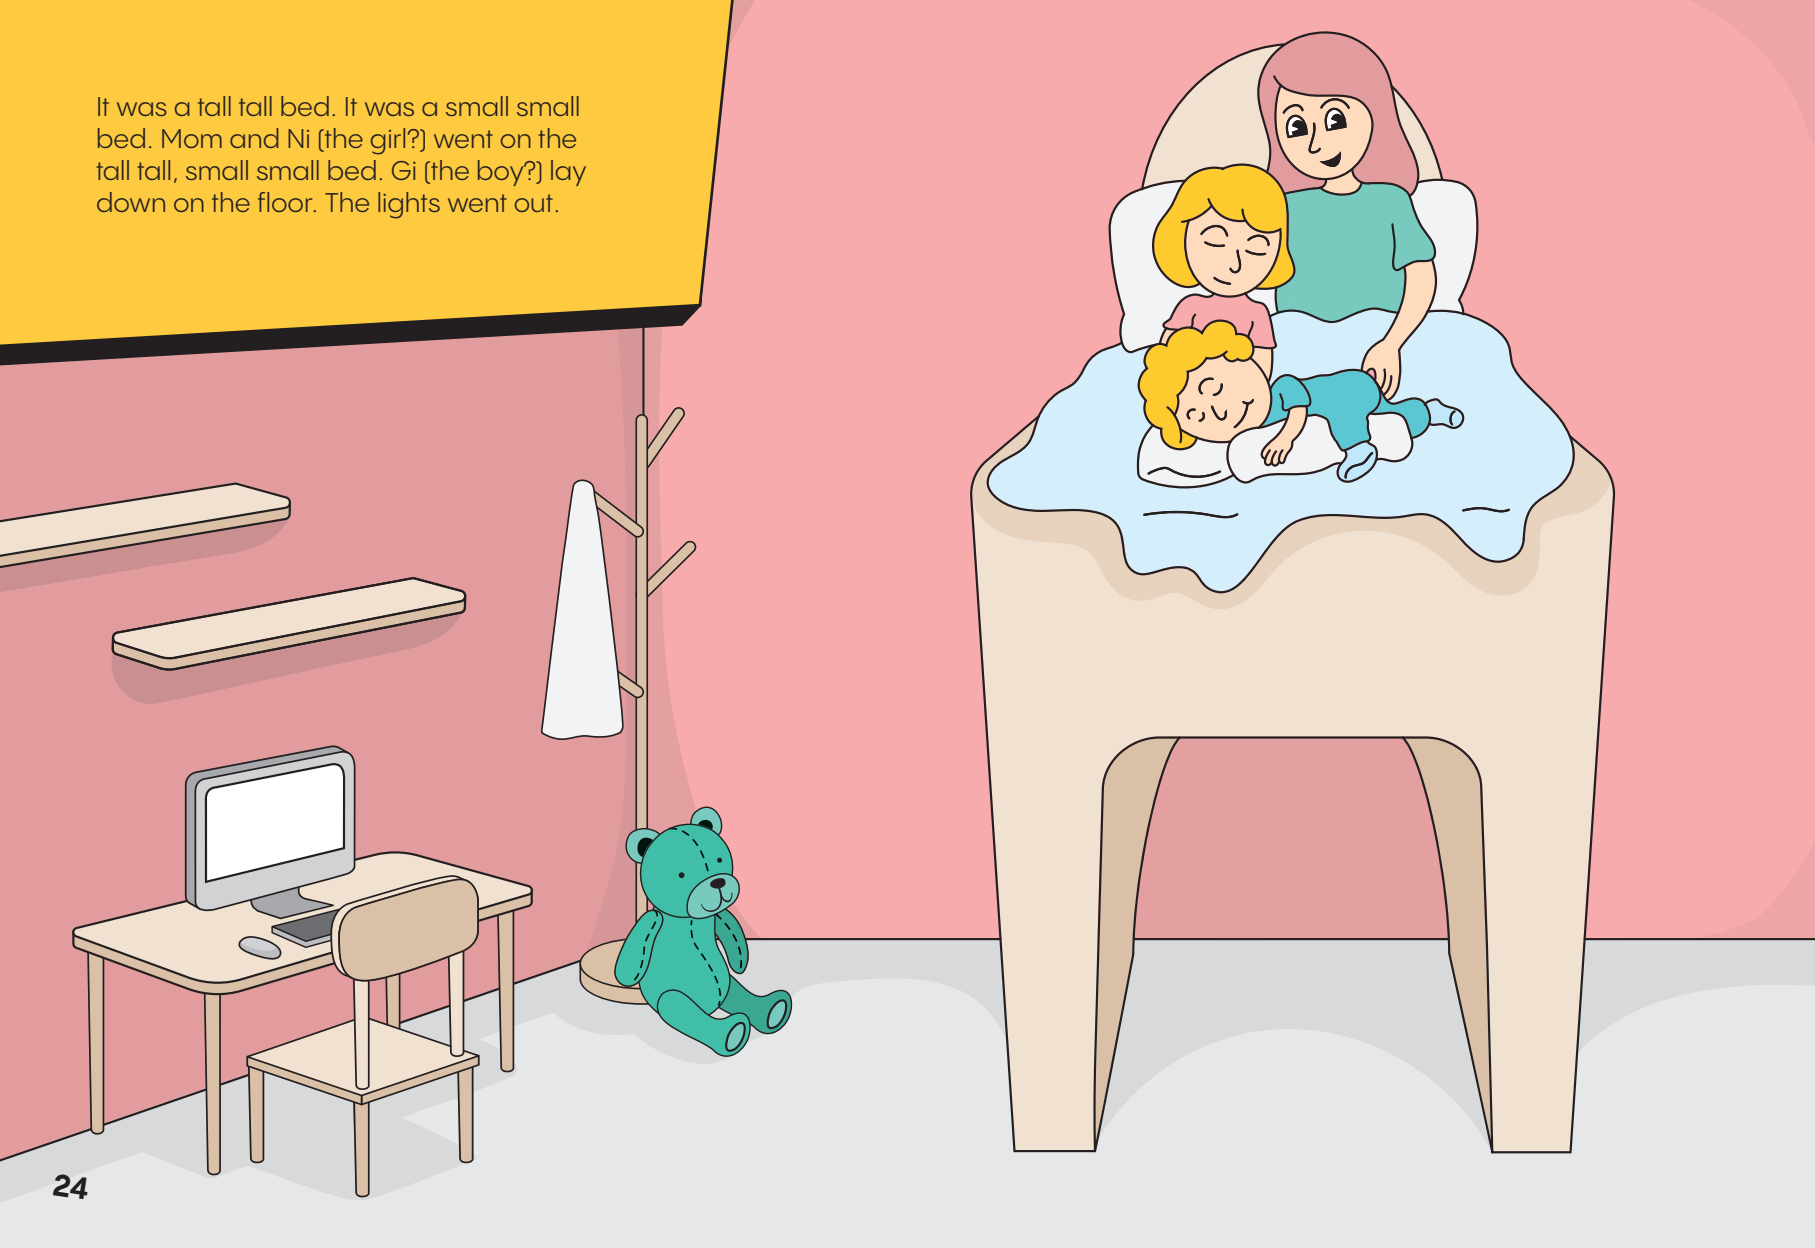

In a faraway land, in a house with cats, lobsters,
a deer and a painter lived Uncle John. He was
laughing out loud, he was speaking out loud,
and he knew how to become a mouse, a violin,
a puppy and a trampoline.

One day, Gi (the boy?) and Ni (the girl?) and their
mom visited Uncle John. They played with the
deer, they painted the walls, they ate bread and
butter and when the moon came out in the sky,
they went to bed.

It was a tall tall bed. It was a small small bed. Mom and Ni (the girl?) went on the tall tall, small small bed. Gi (the boy?) lay down on the floor. The lights went out.

Gi (the boy?) said,

Mom, there're two eyes staring at me.

Mom said,

Sleep tight, my Gi- it's all in your head.

Gi (the boy?) said,

Mom, there're two big eyes staring at me.

Mom said,

Sleep tight, close your eyes, my Gi- it's all in your head.

Gi (the boy?) said,

Mom, there're two shiny big eyes staring at me.

Mom said,

Sleep tight, close your eyes, dream a sweet dream, my Gi- it's all in your head.

Gi (the boy?) said,

Mom, there're two shiny big yellow eyes staring at me and they're getting closer!

Then Ni (the girl?) turned on the lights.

Mom, Gi (the boy?) and Ni (the girl?) shouted all together!

AHHHHHHHHHHHHHHHHH!

Who had the two shiny big yellow eyes staring?

It was... the cat!

Now mom, Gi (the boy?) and Ni (the girl?)
jumped on the tall tall, small small bed.
The cat jumped with them too.

Uncle John came in and laughed out loud.

Sweet dreams, lobsters and cats and deer and
painter and Uncle John and mom and Gi and
Ni and cat with the two shiny big yellow eyes.
