Adult Course Guide | Autumn/Winter Edition

Ready to begin your next chapter?

You can with **NSCG.**

Welcome to the Autumn/Winter edition of our adult course guide.

We are pleased to share with you our latest programme of flexible adult courses aimed at learners aged 19+.

Our courses are designed to help you to gain the skills and knowledge to improve your career prospects, to give you the confidence to learn a new skill or simply to improve your mental health and well-being. We understand that studying alongside family and work commitments can be tricky, so we have developed flexible courses that can be studied part-time at either our Newcastle or Stafford campuses, or you can choose to study online from the comfort of your own home.

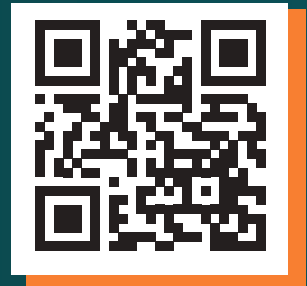

If you haven't been in education for some time, you don't need to worry. You will learn alongside like-minded adults in a similar position to you and will be supported by our friendly and nurturing teaching team. Alternatively if you've recently studied with us and have developed a thirst for learning, we would love to welcome you back to NSCG to develop your skills, confidence and knowledge further.

From education and health and social care courses to professional business courses, creative arts to engineering to exercise and fitness, there is bound to be the perfect course for you. We also offer FREE maths and English courses to improve your confidence and to open up a world of possibilities and enhance your CV.

Browse our courses to see dates, times and cost of studying and if anything takes your fancy, more information on each of the courses can be found over on our website. Get in touch to find out more.

We can't wait to welcome you to NSCG!

For further information, visit our website nscg.ac.uk/adults

adult courses**

New for 2024! Are you currently working in engineering and advanced manufacturing, logistics and distribution, health care or digital industries and are looking for an opportunity to broaden your knowledge? We can help you to develop higher technical skills within your sector and give you the confidence to progress to study a university-level course in the near future. Funded by the UK Shared Prosperity Fund, our range of FREE, fully funded higher technical short courses are aimed at adult learners already working within these specific industries.

Business, Accounting & Finance

Our programme of nationally recognised business, accounting and computing courses could help you to be empowered and grow in the fast-paced business world. Whether you're an absolute beginner, or if you need to upskill to change or progress your career, our professional courses are a perfect way to enhance your CV, further your career and learn a new skill at the same time. Check out our range of online business courses on page 12.

English and Maths

Boost your confidence and improve your career prospects by studying a FREE* English or maths course at NSCG. Whether you missed out on the opportunity to pass one of the core GCSE's whilst you were at school, or you want to improve your grade, we can help you to gain the qualifications employers are looking for.

Does the thought of needing to do maths at work or at home with the kids make you feel anxious? You could benefit from our Multiply courses, the Government's new initiative offering you FREE and easy access to courses to help you to brush up on your numeracy skills. Whatever level you're at, from basic literacy and numeracy through to GCSE-level, we are here to support you on your journey back into education.

Gain a nationally recognised qualification by studying one of our FREE online courses.

You will be fully supported by one of our dedicated tutors, who will be available by email or phone to offer you all of the advice and guidance you need.

Let's talk finance

Financial Support for Adult Learners

If you've found the perfect course for you, but the cost of returning to education is holding you back, then we can help.

As an adult learner, there is lots of financial support available to help you return to study. The type and level of financial support/funding available to you may depend on your individual circumstances, such as age, prior education, level of study and financial situation.

Thinking of studying your first Level 2 or 3 course?

If you are 19-23 and studying your first full Level 2 or 3 qualification, then you may be entitled to your course for free. If you are currently claiming benefits or earning less than £20,319.00, then some of our qualifications are free.

Useful course information

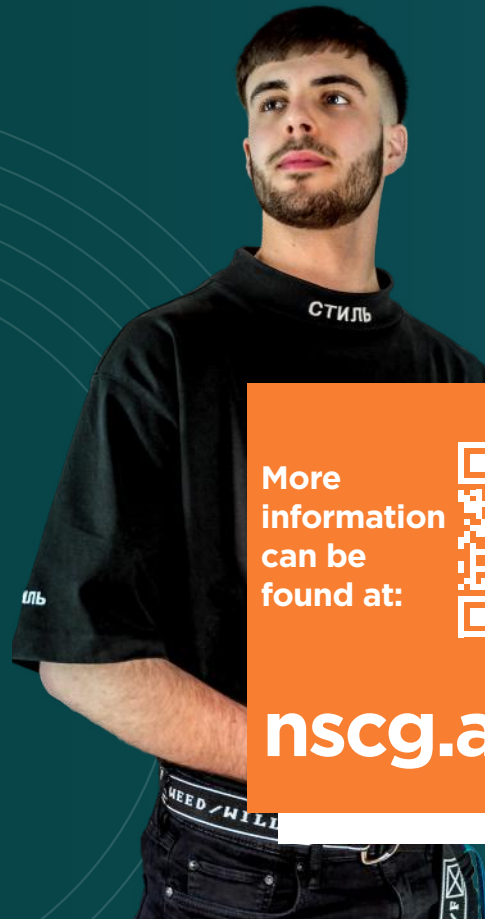

Total course fee includes the exam fee where applicable.

Full terms and conditions for fee remission and learning loans can be found at:

nscg.ac.uk/support

Advanced Learner Loan

Many of our adult learners pay for their Level 3 and above courses with an Advanced Learner Loan. You'll only repay when your income is over £480 a week, £2,083 a month or £25,000 a year (before tax and other deductions). This loan is not means tested and is not subject to any credit checks.

More
information
