ABOUT US

Welcome to Rudra Agro Export, your trusted partner in premium quality agro products. Established in Mahendragarh, Haryana, our company has steadily grown into a reliable name in the trading and supply of fresh produce across domestic and international markets.

At Rudra Agro Export, we specialize in sourcing and delivering a diverse range of farm-fresh products including onions, Rice, potatoes, and green chillies. With a commitment to excellence and customer satisfaction, we ensure that every product meets rigorous quality standards from farm to destination.

Driven by a passion for agriculture and a deep respect for our farming communities, we combine traditional expertise with modern trading practices. Our strong network of farmers and suppliers enables us to provide consistent quality, competitive pricing, and timely deliveries to our valued clients.

Our mission is to bridge the gap between farms and global markets by delivering agro products that retain their natural freshness and nutritional value. With well-equipped infrastructure and a dedicated logistics team, we handle every stage of the supply chain with precision — from procurement and grading to packaging and transportation. This ensures that our products maintain their integrity and shelf life, regardless of the destination.

COMPANY MISSION

Deliver high-quality agricultural products globally by ensuring purity, safety, and nutritional value through modern processing and strict quality control systems.

Promote India's agricultural excellence worldwide by offering authentic, natural, and premium-grade food products tailored to international market needs.

Promote India's agricultural excellence worldwide by offering authentic, natural, and premium-grade food products tailored to international market needs.

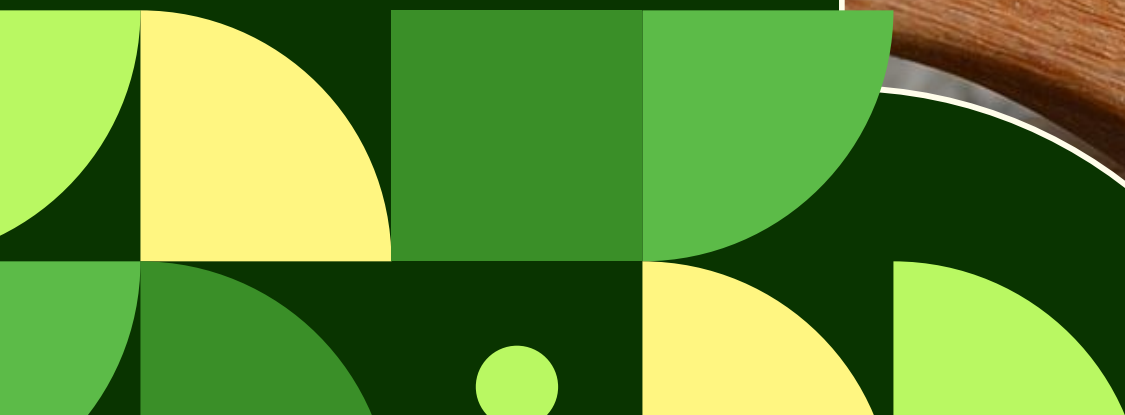

Continuously innovate in agro-processing and packaging to meet evolving international standards and customer expectations across diverse global markets.

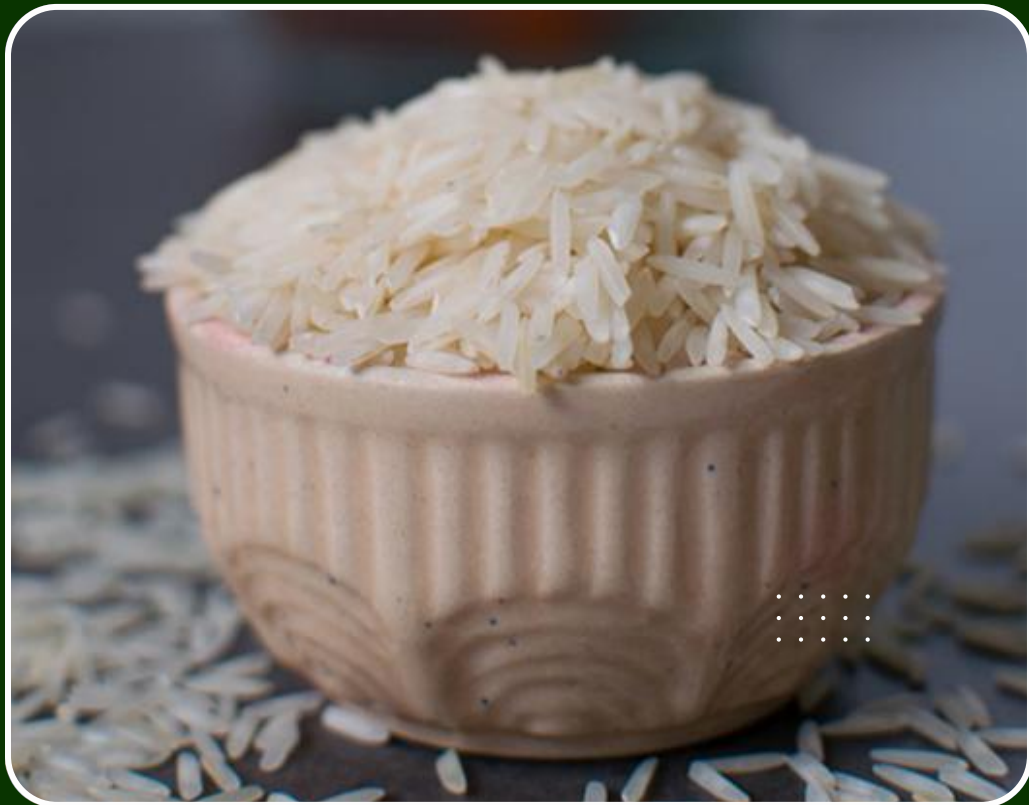

RICE

At Rudra Agro International, we offer a premium variety of Basmati and Non-Basmati rice known for their purity, long grain, rich aroma, and unmatched taste. Our rice portfolio includes 1121 Steam Basmati Rice, 1509 Basmati Rice, IR 64 Non-Basmati Rice, Parmal Non-Basmati Rice, Broken Rice, and Sella Golden Rice, each carefully sourced, processed, and packed to meet global food standards.

We follow advanced milling and grading techniques to ensure uniform grain size, low moisture content, and hygienic packaging. Our rice is widely used in household consumption, hotels, restaurants, catering services, and food processing industries. With excellent cooking quality and a delightful texture, our rice enhances meals across a variety of cuisines and international dishes.

At Rudra Agro, we are committed to delivering high-quality rice products with timely export services, competitive pricing, and complete customer satisfaction. With a focus on quality assurance, traceability, and sustainable sourcing, we cater to the needs of importers and distributors seeking trusted Indian rice varieties with consistent supply and superior quality.

DEHYDRATED POWDER

At Rudra Agro International, we take pride in offering a wide range of premium dehydrated powders that deliver purity, consistency, and rich natural flavor. Our selection includes Dehydrated Garlic Powder, Onion Powder, Potato Powder, Coriander Powder, Beetroot Powder, and Ginger Powder — all carefully processed using advanced dehydration techniques that retain their original aroma, taste, color, and nutrients. These powders are sourced from high-quality raw materials and undergo strict quality checks to meet global food safety standards.

Our dehydrated powders are ideal for use in spice blends, seasoning mixes, ready-to-eat meals, soups, sauces, and other food processing applications. They offer great convenience by reducing preparation time, ensuring longer shelf life, and allowing for easy storage without compromising on quality. Whether you're a food manufacturer, exporter, or bulk supplier, our products provide the consistency and performance you need to meet customer expectations.

VEGETABLES

At Rudra Agro International, we specialize in supplying a diverse range of fresh and processed vegetables that are carefully cultivated, harvested, and handled to maintain their natural freshness, flavor, and nutritional value. Our key vegetable offerings include Green Chilli, Onion, Potato, Garlic, Ginger, Brinjal (Eggplant), Pumpkin, and Capsicum, all sourced directly from trusted farms and handled under strict quality supervision.

These vegetables are suitable for both domestic consumption and international exports, meeting the demands of food processing companies, wholesalers, and retailers. Whether used in fresh form or for further processing, our vegetables offer consistent quality, uniform size, and extended shelf life—making them ideal for a wide range of culinary and industrial applications. We prioritize hygienic handling, sustainable packaging, and timely delivery to ensure top-grade produce reaches our clients.
