

The book cover is dark blue with a fine woven texture. It features extensive gold tooling. At the top, a wide decorative band contains two seated figures: on the left, a figure holding a book and quill; on the right, a figure playing a lyre. Between them is a large, ornate vase overflowing with various flowers and leaves. This band is flanked by decorative corner pieces. Below this band is a large rectangular panel with a decorative border. Above the center of this panel is a small, winged cherub-like figure. The bottom of the cover is adorned with a large, symmetrical floral and foliate design, featuring a central vase-like motif and a wide, leafy base. The entire cover is framed by a wide, repeating decorative border.

Leo New Moon

July 25, 2025

Starling,

In the hush of the new
moon, we hear the call,
not from the heavens,
but from the throne
within. Rise, Radiant
One. You were born to
reign.

Opening the Circle: Calling in the Four Directions

Begin by standing or sitting quietly. Take a deep breath and speak each direction aloud with intention:

East - Air

"I call to the East, to the winds of clarity and inspiration. Breathe fresh vision into my becoming."

South - Fire

"I call to the South, to the flames of courage and creation. Ignite my heart with fearless love."

West - Water

"I call to the West, to the waters of emotion and intuition. Flow through me with grace and truth."

North - Earth

"I call to the North, to the stones and roots of the Earth. Ground me in strength and sovereignty."

Pause. Feel yourself held in a sacred container of elemental power. Then begin:

The Ritual

Sit before your **mirror** by **candlelight**. See yourself as royalty no less and put Crown on.

Anoint your **heart** with oil or flower essence.
Breathe into your chest.

Write your Royal Proclamation - a "**I am**" spell.

Examples:

"I **am** a beacon of **creative fire**."

"I **am** worthy of devotion and delight."

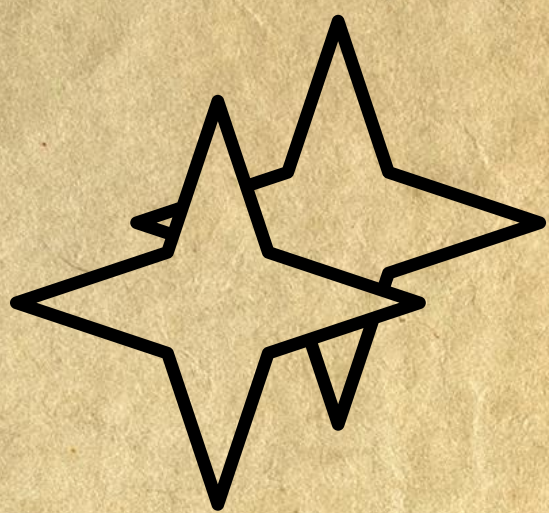

"I am the **sovereign** of my sacred life."

Speak it aloud with full presence.

Burn or **bury** your proclamation to seal it into the earth or ether.

Leo Invocation (repeat aloud or whisper into flame):

"By the light of the **sovereign sun**,
I crown **myself** the radiant one.
No more **hiding**, no more **doubt**
My **heart leads in**, my **truth shines out**."

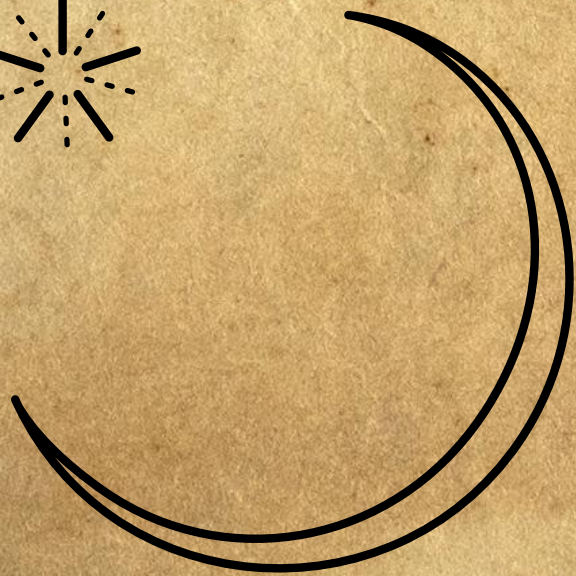

. Stay in the Circle .

We'd love to see your ritual!
