WELCOME

More Than a Club.

A Community on the Water since 1936.

Founded in 1936, Port Credit Yacht Club is one of Lake Ontario's most active and welcoming waterfront communities.

Members come for the water, the racing, and the clubhouse, and stay for the friendships, shared experiences, and sense of belonging.

Whether you own a boat, want to learn to sail, or simply want a vibrant social club by the lake, PCYC has a place for you.
